Fixed Premium Rules

SECTION A: INSURANCE

- 1.1** The rules, which are subject to the articles, contain the terms upon which P&I cover is given by the club.
- 1.2** The standard risks against which a member is insured are set out in rule 3.
 - 1.3.1** A member may be insured in respect of risks other than those set out in rule 3, or in respect of risks otherwise excluded, where such risks have been agreed by the managers.
 - 1.3.2** Any such risks are covered subject to the terms, conditions, limitations and exclusions of the rules.
 - 1.3.3** The managers may reinsure any such risk and, in the event that such reinsurance is arranged, the member is entitled to recover from the club only the net amount actually recovered under such reinsurance together with that portion of the risk retained by the club, whether or not the member has notice of such reinsurance, its terms or the identity of the reinsurers.
- 1.4** No act, omission, course of dealing or forbearance or reimbursement by the club shall be treated as any evidence of a waiver of the club's rights under the rules.
 - 1.5.1** The rules and any contract of insurance between the club and any insured party are governed by and construed in accordance with English law. In particular, they are subject to and incorporate the Marine Insurance Act 1906 and, upon its entry into force, the Insurance Act 2015 and any statutory modifications thereto unless such Acts or modifications may have been excluded by these rules or by any term of such contract.
 - 1.5.2** The following provisions of the Insurance Act 2015 ('the Act') are excluded from the rules and any contract of insurance as follows:
 - (1)** Section 8 and Section 14 of the Act are excluded. As a result, any breach of the duty of fair presentation and/or the duty of utmost good faith shall entitle the club to avoid the policy in all circumstances.
 - (2)** Section 10 of the Act is excluded. As a result, if the member or any insured party fails to comply with any warranty in these rules or any contract of insurance, the club shall be discharged from liability from the date of the breach even if the breach is subsequently remedied.
 - (3)** Section 11 of the Act is excluded. As a result, if the member or any insured party fails to comply with any term in these rules or any contract of insurance, the club's liability may be excluded, limited or discharged in accordance with these rules notwithstanding that the breach could not have increased the risk of the loss which actually occurred.

- (4) Section 13 of the Act is excluded. As a result, the club shall be entitled to exercise its right to terminate the contract of insurance in respect of the member and all insured parties in the event that a fraudulent claim is submitted by or on behalf of the member and/or any insured party and/or any affiliated or associated company of the member.
- (5) Section 13(A) of the Act is excluded. As a result, these rules or any contract of insurance between the club, the member and any insured party shall not be subject to any implied term that the club will pay any sums due in respect of a claim within a reasonable time save that the club may not deliberately or recklessly fail to do so.

1.6 The terms of entry and the insurance provided by the club do not confer any right or benefit on any third party under the Contracts (Rights of Third Parties) Act 1999, except to the extent provided in rule 6.11.

SECTION B: SCOPE OF COVER

- 2.1** The liabilities in respect of which a member is insured by the club must have arisen by reason of the member's interest in the ship, out of events occurring during the period of the ship's entry in the club and in connection with the operation of the ship. The board may determine whether claims shall be deemed to have arisen out of one or more events and when such events shall be deemed to have occurred.
- 2.2** Under a charterer's entry, a member is entitled to recover for his liability to indemnify another person in respect of the risks set out in rule 3.
- 2.3** Where such liabilities would not have arisen but for the terms of any contract or indemnity, the contract or indemnity must either correspond to any specific requirements set out in rule 3 or rule 5, or have been approved by the managers.
- 2.4** A member's insurance is subject to the warranties, conditions, exceptions, limitations and other terms set out in these rules and the certificate of entry.
- 2.5** A member is not insured for any liabilities incurred by him in a capacity other than that in which he has entered into the contract of insurance with the club.

SECTION C: RISKS COVERED

Crew injury, illness or death	3.1.1	Liabilities in respect of crew injury, illness or death.
Repatriation	3.1.2	Liabilities in respect of crew repatriation. Exclusion to rule 3.1.2 Liabilities arising out of the termination of any agreement, or the sale of the ship, or any other act of the member in respect of the ship, unless the board considers that such termination or other act was necessary in the interests of the safety of the ship or crew, or the proper running of the ship.
Substitute expenses	3.1.3	Expenses necessarily incurred in sending substitutes to replace crew who have died, are incapacitated or who have been left ashore in consequence of injury, illness, or desertion. Wages are only recoverable when payable to substitutes, while awaiting and during repatriation.
Loss of effects	3.1.4	Loss of crew effects, excluding valuables.
Shipwreck unemployment indemnity	3.1.5	Wages or other compensation payable to crew arising out of the actual or constructive total loss of the ship.
Port expenses	3.1.6	Port and other charges as set out in rule 3.4 incurred in relation to crew.
Passengers	3.2.1	Liabilities in respect of the injury, illness or death of a passenger.
	3.2.2	Liabilities to passengers arising out of a casualty while they are on board the ship. For the purpose of this rule, 'casualty' means collision, stranding, explosion, fire or any other cause affecting the condition of the ship so as to render her incapable of safe navigation to her intended destination; or a threat to the life, health or safety of passengers.
	3.2.3	Loss of or damage to a passenger's baggage or effects, excluding valuables.
	3.2.4	In respect of any liabilities arising under rule 3.2, the passenger contract must relieve the member of liability to the maximum extent permitted under the applicable law.

Exclusions to rule 3.2

- (1) Liabilities arising out of the carriage of a passenger by air unless they occur:
 - a during repatriation of an injured or sick passenger, or following a casualty to the ship; or
 - b during excursions from the ship, subject to exclusion (2) below.
- (2) Liabilities arising under a contract in respect of a passenger while on an excursion from the ship in circumstances where either:
 - a that contract has been separately entered into by the passenger for the excursion, whether or not with the member; or
 - b the member has waived any rights of recourse against any sub-contractor or other third party in respect of the excursion.

Third parties

3.3 Liabilities in respect of the injury, illness or death of any person other than crew or passengers.

Stowaways and refugees: port charges

3.4 Port and other charges solely incurred for the purpose of landing stowaways or refugees, or others saved at sea, or, with the agreement of the managers, a deceased person, or landing or securing the necessary treatment for an injured or sick person, other than crew, including the net loss to the member in respect of fuel, insurance, wages, stores and provisions incurred for such purpose.

Life salvage

3.5 Sums due to a third party because he has saved or attempted to save the life of any person on or from the ship.

Collision with other ships

3.6.1 One-fourth, or such other proportion agreed by the managers, of the liabilities arising out of a collision other than those set out in rule 3.6.2.

3.6.2 The liabilities arising out of a collision relating to:

- (1) the raising, removing, destroying, lighting or marking of wrecks, cargo or other property
- (2) damage done by such other ship to any property not being another ship or any cargo or other property therein
- (3) loss of or damage to cargo or other property being carried in the ship; if the cargo is the property of the member, it is deemed to be fully insured, and the member is entitled only to recover from the club the amount by which such indemnity exceeds the sum recoverable under such insurance
- (4) the injury, illness or death of any person on board such other ship

(5) pollution liabilities as may be covered under rule 3.8.

3.6.3 That part of the member's collision liability which exceeds the sum recoverable under the hull policies solely by reason of such liability exceeding the valuation of the ship in those policies. However, the board may determine the proper value (being the market value of the ship without commitment) for which the ship should have been insured under the hull policies, and the club shall pay only the excess of the amount which would have been recoverable if the ship had been insured thereunder at such value.

3.6.4 There will be no recovery from the club insofar as such collision liabilities are not recoverable under the hull policies by reason of any breach of such policies.

3.6.5 If both ships are to blame then, unless the liability of the owners of one or both of them becomes limited by law, claims shall be settled upon the principle of cross-liabilities.

**Damage to
other ships
(other than
by collision)**

3.7 Liabilities for loss of or damage to, delay to, interference with rights in relation to, or liability for salvage or wreck removal costs incurred in respect of, any other ship or any cargo or other property therein caused other than by collision with the ship.

Pollution

3.8.1 Liabilities arising out of the discharge or escape from the ship of any substance.

3.8.2 The costs of any measures reasonably taken after the discharge or escape of any substance from the ship for the purpose of avoiding or minimising any resulting loss, damage or contamination, or cleaning up any resulting pollution, together with liability for any loss of or damage to property caused by any measures so taken.

3.8.3 The costs of any measures reasonably taken to prevent an imminent danger of the discharge or escape from the ship of any substance.

3.8.4 Extraordinary liabilities incurred as a result of complying with any order or direction given or any measures taken by any authority in connection with the ship or her cargo for preventing or reducing pollution or the risk thereof by the escape from the ship of any substance, excluding any permanent structural alteration to the ship.

3.8.5 Liabilities under a salvage agreement to compensate salvors for work done or measures taken to prevent or reduce pollution or the risk thereof by the escape from the ship of any substance.

3.8.6 Liabilities incurred after the ship has become a wreck arising from the discharge or escape from such wreck of any substance.

- 3.8.7** Liabilities in respect of pollution where such liabilities arise under rules 3.6, 3.7, 3.9, 3.10, 3.11 and 3.19.

Exclusions to rule 3.8

Unless the board otherwise determines, there shall be no recovery in respect of:

- (1) liabilities which but for the terms of any contract of carriage would have been allowed in general average adjusted under the unamended York Antwerp Rules 1994 or the unamended York Antwerp Rules 2016.
- (2) liabilities, loss or damage including, without limitation, liability for the cost of any remedial works or clean-up operations, arising as a result of the presence in, or the escape or discharge or threat of escape or discharge from, any land based dump, site, storage or disposal facility of any substance previously carried on the ship whether as cargo, fuel, stores or waste and whether at any time mixed in whole or in part with any other substance whatsoever.

Damage to property (other than by pollution)

- 3.9** Liabilities for loss of or damage to, or interference with rights in relation to, any property not being any ship or any cargo or other property therein or the cargo or other property intended to be or being or having been carried in the ship.

Towage of the ship

- 3.10.1** Liabilities under the terms of a contract for the towage of the ship which:

- (1) relate to the risks set out in the other paragraphs of rule 3;
- (2) arise under a contract for towage undertaken in the ordinary course of trading for the purpose of entering, leaving or manoeuvring within a port; or
- (3) arise under a contract for the towage of cargo barges; or
- (4) arise under a contract which has been approved by the managers.

Towage by the ship

- 3.10.2** Liabilities under the terms of a contract for, or arising out of, the towage by the ship of any ship or object where:

- (1) such liabilities relate to the risks set out in the other paragraphs of rule 3; and
- (2) the towage is undertaken for the purpose of saving life or property at sea; or

- (3) the ship is towing under a United Kingdom, Netherlands or Scandinavian standard towage contract, the current Lloyd's standard form of salvage agreement – no cure no pay, Towcon, Towhire standard forms, all in materially unamended form, or any other standard form towage contract containing equivalent or better protection than the said standard conditions or standard forms, or to which the managers may, on such terms as they require, agree in writing.

Wreck liabilities

- 3.11.1** Liabilities for or incidental to the raising, removal, destruction, lighting or marking of the wreck of the ship. The value of the wreck and all stores and materials saved must be deducted from any reimbursement and only the balance is recoverable.
- 3.11.2** Liabilities resulting from the actual or attempted raising, removal or destruction of the wreck of the ship, cargo or any other property on board.
- 3.11.3** Liabilities resulting from the presence or involuntary shifting of the wreck of the ship, cargo or any other property on board caused by the casualty which led to the loss of the ship, cargo or any other property on board. Unless the board otherwise determines, a member is not entitled to be reimbursed by the club in respect of any liability incurred more than two years after the ship, cargo or any other property on board became a wreck.
- 3.11.4** Liabilities for or incidental to the raising, removal, destruction or disposal of cargo or any other property which is being, or has been, carried on the ship. The value of all cargo or any other property saved accruing to the member must be deducted from any reimbursement and only the balance is recoverable.

Exclusions to rule 3.11

- (1) There shall be no recovery if the member has, without the agreement of the managers, transferred his interest in the wreck other than by abandonment, at any time after the ship became a wreck.
- (2) There shall be no recovery unless the raising, removal, destruction, lighting or marking of the wreck, or the raising, removal, destruction or disposal of cargo or any other property, was compulsory by law or was undertaken with the agreement of the managers.
- (3) Unless the board otherwise determines, a member is not entitled to reimbursement in respect of any liability unless he took reasonable measures to raise, remove, destroy, light or mark the wreck, or raise, remove, destroy or dispose of cargo or any other property.
- (4) Unless the board otherwise determines, there shall be no recovery unless the member has contracted for removal of the wreck on terms which have been approved by the managers.

Quarantine expenses

- (5) There shall be no recovery in respect of liabilities for or incidental to the raising, removal, destruction, lighting or marking of the wreck of the ship unless the ship became a wreck as a result of a casualty. For the purpose of this rule, 'casualty' means collision, stranding, explosion, fire or similar fortuitous event, but excludes any wreck caused by dereliction or neglect.

- 3.12** Expenses incurred as a direct consequence of an outbreak of infectious disease on the ship, including quarantine and disinfection expenses, and the net loss to the member in respect of fuel, insurance, wages, stores, provisions, cargo handling and port charges.

Exclusion to rule 3.12

There shall be no recovery if at the time the ship was chartered to or was under orders from the member or her managers to proceed to a port it was known, or should in the board's view reasonably have been anticipated, that she would be quarantined.

Cargo liabilities

- 3.13.1** Liabilities for loss or shortage of, or damage to, or other responsibility in respect of, cargo or other property intended to be, or being, or having been carried in, on or by the ship arising out of any breach by the member, or by any person for whose acts, neglect or default he may be legally liable, of his obligation properly to load, handle, stow, carry, keep, care for, discharge and deliver such cargo or property, or out of unseaworthiness or unfitness of the ship.

- 3.13.2** The extra costs incurred by the member:

- (1) in the actual discharge or disposal of damaged or worthless cargo, provided that he can only recover such costs if he has no recourse to recover them from any other party; or
- (2) as a direct consequence of the failure by cargo interests to collect or remove cargo from the place of discharge or delivery, provided that he can only recover such costs to the extent they exceed the proceeds of the sale of the cargo and he has no recourse to recover them from any other party.
- (3) in restowing cargo which are necessarily incurred in order to continue the safe prosecution of the voyage following a casualty, provided that he has no right to recover them from any other party either in general average or otherwise. For the purpose of this paragraph, 'casualty' means collision, stranding, explosion, fire or similar fortuitous event.

- 3.13.3** Liabilities for loss of or damage to or other responsibility to cargo or other property being carried by means of transport other than the ship under a contract of carriage, approved by the managers, providing for carriage partly to be performed by the ship.

Exclusions to rule 3.13

Unless the board otherwise determines, there shall be no recovery in respect of liabilities arising out of:

**Hague and
Hague-Visby
Rules**

(1) the carriage of cargo on contractual terms more onerous to the carrier than those of the Hague or Hague-Visby Rules, or equally wide exemptions of the carrier from liability, save where it is on such terms solely by reason of the incorporation by law of the Hamburg Rules or parts thereof, to the extent that the liabilities exceed those which would have been incurred had the contract been on the Hague, Hague-Visby or Hamburg terms as applicable, unless the contract has been approved in advance by the managers

Deviation

(2) a deviation, or as a consequence of a deviation, from the contractually agreed voyage, which may deprive the member of the right to rely on defences or rights of limitation which would otherwise have been available to him, unless the managers have agreed that cover may continue unprejudiced

Loading

(3) the failure to arrive or late arrival of the ship at a port of loading, or the failure to load or delay in loading any particular cargo other than under a bill of lading already issued

Discharge

(4) the discharge of cargo at a place other than that stipulated in the contract of carriage

**Documentation
and delivery**

(5) the delivery of cargo carried under a negotiable document of title (including an electronic bill of lading) without production (or the equivalent thereof in the case of an electronic bill of lading) of that document by the person to whom delivery is made except where the cargo has been carried:

- a** under the terms of a non-negotiable document, and has been properly delivered as required by that document, notwithstanding that the member may be liable under the terms of a negotiable document of title issued by or on behalf of a party other than the member providing for carriage in part upon the ship and in part upon another ship or by another mode of transport; or
- b** under the terms of an electronic trading system approved by the managers and has been properly delivered to the person so entitled in accordance therewith.

(6) delivery of cargo carried under a non-negotiable document without production of such document by the person to whom delivery is made, where such production is required by the express terms of that document or the law to which that document, or the contract of carriage contained in or evidenced by it, is subject, except where the member is required by any other law to which he is subject to deliver or relinquish custody or control of the cargo, without production of such document

Finished steel products

- (7) the issue of a document containing or evidencing the contract of carriage recording the loading or shipment or receipt for shipment on a date other than the date on which the cargo was in fact loaded, shipped or received
- (8) a document containing or evidencing the contract of carriage issued with the knowledge of the member or his master with an incorrect description of the cargo or its quantity or condition
- (9) the carriage of finished steel products, unless the member has arranged for a preloading survey to be carried out by a club-approved surveyor at each port of shipment, and the bills of lading have been claused in accordance with the findings of the surveyor as to the condition of cargo at the time of loading

Deck cargo

- (10) loss of, damage to or responsibility in respect of cargo carried on deck unless it is carried under a contract of carriage which permits it to be carried on deck and the contract states that it is being so carried and either it exonerates the member from all liability in respect of such cargo or it applies the Hague or Hague-Visby Rules to such cargo, or it is customary to carry such cargo on deck, or such carriage has been approved by the managers

Valuables

Value declared on bill of lading

- (11) the carriage of valuables
- (12) goods carried under a document containing or evidencing the contract of carriage where the value per unit, piece or package has been stated to be in excess of US\$2,500, or the equivalent in any other currency, which may deprive the member of the right to rely on defences or rights of limitation which would otherwise have been available to him, to the extent that such liabilities exceed that sum.

Unrecoverable general average contributions 3.14

The proportion of general average, special charges or salvage which the member is or would be entitled to claim from cargo or from another party which is not recoverable solely by reason of a breach of the contract of carriage.

Exclusions to rule 3.14

- (1) If the contribution is irrecoverable by reason of a deviation, rule 3.13 exclusion (2) applies to any claim under rule 3.14
- (2) The board may reject or reduce a claim if the contract of carriage under which the cargo was being carried did not include Article IV Rule (2)(a) of the Hague Rules, as amended by the Hague-Visby Rules, or an equally wide exemption from liability.

**Ship's
proportion
of general
average**

3.15 Ship's proportion of general average, special charges or salvage not recoverable under the hull policies by reason of the value of the ship being assessed at a sound value in excess of the insured value under the hull policies. The board may determine the proper value (being the market value of the ship without commitment) for which the ship should have been insured under the hull policies, and the club shall pay only the amount of the ship's proportion of general average which would not have been recoverable under the hull policies, if the ship had been insured thereunder at such value.

Fines

3.16 Fines imposed on the member or upon any other person whom he reasonably reimburses or is legally liable to indemnify:

3.16.1 for short or over delivery of cargo, or for failure to comply with regulations concerning the declaration of goods or the documentation of cargo.

3.16.2 for smuggling or breach of any customs or immigration law or regulation.

3.16.3 in respect of the accidental escape or discharge of any substance, so long as the member is insured for pollution liabilities by the club subject to his terms of entry and the relevant limit of liability.

3.16.4 for any other matter to the extent that the member has satisfied the board that he took all such steps as appear to the board to be reasonable to avoid the event giving rise to the fine; in addition, any amounts claimed in respect of such fine are recoverable only to the extent the board may determine.

Exclusions to rule 3.16

Unless the board otherwise determines, there shall be no recovery in respect of a fine imposed for or arising out of:

- (1)** overloading
- (2)** illegal fishing
- (3)** any personal act or default on the part of the member or his managers
- (4)** wilful misconduct on the part of any person unless the member has been compelled by law to pay the fine.

Enquiry expenses 3.17 Costs and expenses incurred in protecting a member's interests before a formal enquiry into a casualty to the ship where, in the opinion of the managers, a claim upon the club is likely to arise, or in other cases as the board determines.

Confiscation of ship by customs authorities 3.18 Loss of the ship following its confiscation by any legally empowered body in respect of the infringement of any customs law or regulation but only if and to the extent that, notwithstanding rule 5.1, the board decides that the member shall recover from the club.

Exclusions to rule 3.18

- (1) The amount recoverable shall not exceed the market value of the ship at the date of the confiscation.
- (2) The member must have satisfied the board that he took all such steps as appear to the board to be reasonable to prevent the infringement of the customs law or regulation giving rise to the confiscation.
- (3) No claim will be considered by the board until the member has been deprived of his interest in the ship.

Sue and labour 3.19 Extraordinary costs and expenses, including legal, survey, expert and correspondent fees, reasonably incurred on or after the occurrence of any event liable to give rise to a claim upon the club and incurred solely for the purpose of avoiding or minimising any liability against which the member is insured by the club, but only to the extent that those costs and expenses have been incurred with the prior agreement of the managers, or to the extent that the board determines.

Exclusion to rule 3.19

Unless the managers or the board otherwise decide, there shall be deducted from such costs and expenses the deductible which would have been applicable had the liability or expenditure against which the member is insured by the club been incurred.

Omnibus 3.20 Any liabilities which the board may determine to be within the scope of club cover, but only:

- (1) to the extent that it decides that the member shall recover from the club; and
- (2) with the express agreement of reinsurers in respect of such sums which exceed that portion of the risk retained by the club.

SECTION D: EXCLUDED RISKS

Risks covered by hull and war risks policies

4.1 Unless otherwise agreed by the managers, there shall be no recovery from the club in respect of any liabilities which would be recoverable from underwriters if the ship were, at the time of the incident giving rise to such liabilities, fully insured under hull policies on terms equivalent to those of the usual Lloyd's marine policy with the Institute Time Clauses (Hulls) 1.10.83 attached or to the extent that the ship was fully insured to a proper value (being the market value of the ship without commitment) under a P&I war risks policy including piracy risks. The board may determine the proper value for which the ship should have been insured under the P&I war risks policy. Unless otherwise agreed by the managers, there shall be no recovery in respect of any franchise or deductible borne by the member under such policies.

Double insurance

4.2 Unless otherwise agreed by the managers, there shall be no recovery in respect of any liabilities recoverable under any other insurance or which would have been so recoverable:

- (1)** apart from any terms in such other insurance excluding or limiting liability on the ground of double insurance; and
- (2)** if the ship had not been entered in the club with cover for the risks set out in the rules.

War risks

4.3 Unless otherwise agreed by the managers, there shall be no recovery in respect of any liabilities, irrespective of whether a contributory cause of the same being incurred was any neglect on the part of the member or his servants or agents, incurred as a result of:

- (1)** war, civil war, revolution, rebellion, insurrection or civil strife arising therefrom, or any hostile act by or against a belligerent power, or any act of terrorism;
- (2)** capture, seizure, arrest, restraint or detainment (barratry and piracy excepted) and the consequences thereof or any attempt thereat;
- (3)** mines, torpedoes, bombs, rockets, shells, explosives or other similar weapons of war, save that this exclusion does not apply to liabilities which arise solely by reason of:
 - a** the transport of any such weapons whether on board the ship or not; or
 - b** the use of any such weapons, either as a result of government order or with the agreement of the board or the managers, where the reason for such use was the avoidance or mitigation of liabilities which would otherwise fall within the cover given by the club.

In the event of any dispute as to whether or not any act constitutes an act of terrorism, the decision of the board shall be final.

Radioactive contamination

4.4 There shall be no recovery in respect of any liabilities, irrespective of whether a contributory cause of the same being incurred was any neglect on the part of the member or his servants or agents, directly or indirectly caused by or arising from:

- (1) ionising radiations from or contamination by radioactivity from any nuclear fuel or from any nuclear waste or from the combustion of nuclear fuel; or
- (2) the radioactive, toxic, explosive or other hazardous or contaminating properties of any nuclear installation, reactor or other nuclear assembly or nuclear component thereof; or
- (3) any weapon or device employing atomic or nuclear fission and/or fusion or other like reaction or radioactive force or matter; or
- (4) the radioactive, toxic, explosive or other hazardous or contaminating properties of any radioactive matter.

Guarantees, undertakings and certificates

4.5 Notwithstanding the exclusions in rules 4.3 and 4.4, the club will discharge on behalf of the member liabilities arising under a demand made pursuant to the issue by the club on behalf of the member of:

- (1) a certificate in compliance with Article VII of the International Conventions on Civil Liability for Oil Pollution Damage 1969 and 1992 or any amendments thereof; or
- (2) a certificate in compliance with Article 7 of the International Convention on Civil Liability for Bunker Oil Pollution Damage 2001; or
- (3) a certificate in compliance with Article 4bis of the Athens Convention Relating to the Carriage of Passengers and Their Luggage by Sea 2002; or
- (4) a certificate in compliance with Regulation 2.5.2, Standard A2.5.2 and Regulation 4.2, Standard A4.2.1, paragraph 1(b) of the Maritime Labour Convention 2006 (MLC 2006) or domestic legislation by a state party implementing MLC 2006; or
- (5) any other guarantee, certificate or undertaking issued by the club pursuant to any statute, convention, treaty or law.

4.6 The member shall indemnify the club to the extent that any payment under any such guarantee, undertaking or certificate is or would have been recoverable in whole or in part under a standard P&I war risks policy had the member complied with the terms and conditions thereof.

4.7 The member agrees that any payment by the club under any such guarantee, undertaking or certificate shall, to the extent of any amount recovered under any policy of insurance or additional cover provided by the club, be by way of loan and there shall be assigned to the club to the extent and on the terms the managers determine to be practicable, all the rights of the member under any other insurance and against any third party.

Unlawful sanctionable and hazardous trades

4.8 No claim is recoverable if it arises out of or is consequent upon the ship blockade-running or being employed in an unlawful, prohibited or sanctionable carriage, trade, voyage or operation, or if the provision of insurance for a carriage, trade, voyage or operation is or becomes unlawful, prohibited or sanctionable or if the board determines that the carriage, trade, voyage or operation was imprudent, unsafe, unduly hazardous or improper.

SECTION E: EXCLUDED LOSSES

	5	Except as provided in this rule or otherwise agreed by the managers, there shall be no recovery in respect of:
Hull damage	5.1	Loss of or damage to the ship or any part thereof, save as provided for in rule 3.18.
Equipment damage	5.2	Loss of or damage to any equipment, containers, lashings, stores, or fuel on board the ship to the extent that they are owned or leased by the member or any associated company.
Repairs	5.3	The cost of repairs to the ship or any charges or expenses in connection therewith save as provided for in rules 3.14 and 3.15.
Loss of hire	5.4	Loss of freight, hire, time, market, production, profit or any other direct or indirect losses whatsoever or any proportion thereof in relation to the ship, unless such loss, with the agreement of the managers, forms part of a claim for liabilities in respect of cargo.
Detention	5.5.1	Loss arising out of demurrage on, detention of, or delay to the ship or, except as provided for in rules 3.1.6 and 3.4, running costs of the ship, unless such costs, with the agreement of the managers, form part of a claim for liabilities in respect of cargo.
	5.5.2	Liabilities arising out of arrest or detention of or delay to the ship pursuant to a claim against the member liability for which is not covered under the rules.
Cancellation	5.6	Loss arising out of the cancellation of any contract or engagement in relation to the ship.
Bad debts	5.7	Loss arising out of irrecoverable debts or the insolvency of any person.

This exclusion does not apply to liabilities incurred in respect of:

- a injury, illness or death of any person on board the ship

5.12.2 Liabilities incurred in respect of the ship, being any ship carrying out drilling or production in connection with oil or gas exploration or production, to the extent that such liabilities arise out of or during drilling or production operations.

5.12.3 A ship shall be deemed to be carrying out production operations if, inter alia, it is a storage tanker or other ship engaged in the storage of oil, and either the oil is transferred directly from a producing well to the storage ship; or the storage ship has oil and gas separation equipment on board and gas is being separated from oil while on board the storage ship other than by natural venting.

- 5.12.4** If the ship is carrying out production operations, rule 5.12.2 shall apply from the time that a connection, whether directly or indirectly, has been established between the ship and the well pursuant to a contract under which the ship is employed until such time that the ship is finally disconnected from the well in accordance with that contract.
- Heavy lift ships** **5.13** Loss of or damage to or wreck removal of cargo carried on a semisubmersible heavy lift ship or any other ship designed exclusively for the carriage of heavy lift cargo, save to the extent that such cargo is being carried under the terms of a contract on Heavycon terms or any other terms approved by the managers.
- Submarines and divers** **5.14** Liabilities incurred in connection with any claim arising out of:
- (1)** the operation by the member of submarines, mini submarines or diving bells; or

Paperless trading

5.17 Liabilities and losses arising from the use of any electronic trading system, other than an electronic trading system approved by the managers, to the extent that such liabilities and losses would not (save insofar as the managers otherwise determine) have arisen under a paper trading system.

For the purpose of this rule:

- (1)** an electronic trading system is any system which replaces or is intended to replace paper documents used for the sale of goods and/or their carriage by sea or partly by sea and other means of transport and which:
 - a** are documents of title; or
 - b** entitle the holder to delivery or possession of the goods referred to in such documents; or
 - c** evidence a contract of carriage under which the rights and obligations of either of the contracting parties may be transferred to a third party.
- (2)** a 'document' shall mean anything in which information of any description is recorded including, but not limited to, computer or other electronically-generated information.

Extension or variation of liability by reference to insurance

5.18 Any liabilities or losses accepted, assumed or incurred by the member:

- (i)** as a consequence of the terms of any contract or indemnity that extend the member's liability up to any amounts that are recoverable under any insurance; or
- (ii)** under any risk allocation, exclusion, limitation, indemnity or hold harmless clause that seeks to vary the member's liability by reference to the availability and/or extent of the member's insurance;

unless and to the extent that the managers, acting in their sole discretion, shall determine.

Direction of the board

5.19 The liabilities set out in rule 5 may be recoverable to the extent that they may be treated as expenses arising under rule 3.19, or are approved by the board.

SECTION F: SCOPE OF RECOVERY AND LIMITS

Net loss

- 6.1** If a member incurs any of the liabilities set out in rule 3, he is entitled to recover the net amount of such liabilities, deducting any costs and expenses which would have been incurred in any event together with any savings accruing to him and any recoveries made by him, unless otherwise agreed by the managers.

Limits of recovery

- 6.2.1** Unless and to the extent the board otherwise determines, under no circumstances shall the recovery by any person exceed:

- (1)** the amount to which the member is entitled to limit his liability, or would have been so entitled under any relevant law had he so petitioned;
- (2)** any other limit contained in these rules or set out in the member's certificate of entry;
- (3)** if less than the full tonnage of the ship is entered in the club, such proportion of the amount referred to in rule 6.1, or the limits referred to in paragraphs (1) and (2) above, as the entered tonnage bears to the full tonnage of the ship.

- 6.2.2** If the claims of all insured parties in respect of liabilities insured by the club exceed or may exceed in the aggregate any limit of cover set out in the rules or in the certificate of entry:

- (1)** the member shall be entitled to recover in respect of such claims in priority to the claims of any other insured parties and any joint entrants shall be entitled to recover in respect of such claims in priority to the claims of any co-assureds;
- (2)** where the aggregate of the claims of the member exceeds or may exceed the said limit, the member shall be entitled to recover in respect of such claims to the exclusion of any claims of any other insured parties;
- (3)** where the aggregate of the claims of any joint entrants exceeds or may exceed the said limit or any part thereof remaining after application of rule 6.2.2(1), any joint entrant shall be entitled to recover in respect of such claims:
 - a** to the exclusion of any claims of any co-assureds; and
 - b** only such proportion of the remaining part of the limit as the claim of that joint entrant bears to the total of all claims of all joint entrants;
- (4)** where the aggregate of the claims of any co-assureds exceeds or may exceed the said limit or any part thereof remaining after the application of rules 6.2.2(1) and (3), any co-assured shall be entitled to recover in respect of such claims only such proportion of the remaining part of the limit as the claim of that co-assured bears to the total of all claims of all co-assureds.

Member's property

- 6.2.3** If in the opinion of the managers the claims of all insured parties in the aggregate exceed or may exceed any limit set out in the rules or in the certificate of entry, the managers may defer payment of a claim or any part thereof.
- 6.2.4** Where a guarantee, undertaking or certificate provided for in rule 4.5 has been issued and, in the opinion of the managers, the claims of all insured parties in the aggregate exceed or may exceed any limit set out in the rules or in the certificate of entry, the managers:
- (1)** may defer payment of a claim or any part thereof as they see fit; and
 - (2)** shall not be under any obligation to reimburse a member until they are satisfied that all liabilities arising under demands made or which may be made under any such guarantee, undertaking or certificate have been or can be satisfied within such limit.
- 6.3** Any limits on the cover provided by the club apply in the aggregate to all insured parties and affiliated or associated companies.
- 6.4** Subject to any lower limits of cover contained in the rules or set out in the member's certificate of entry, the liability of the club to all insured parties for all claims, costs and expenses arising under any one owner's entry shall be limited in the aggregate to US\$500 million any one event.
- 6.5** If a claim arises following a collision involving two ships belonging to the same member, he is entitled to recover from the club, and the club has the same rights, as if the ships had belonged to different owners.
- 6.6** If a claim arises under rules 3.7 or 3.9 following loss of or damage to any ship, cargo or other property or object belonging to the member in respect of whose ship the claim arose, the member is entitled to recover from the club, and the club has the same rights, as if such ship, cargo or other property or object lost or damaged had belonged to a third party, but only to the extent that such loss or damage is not recoverable under any other insurance upon the said ship, cargo or other property or object.
- 6.7** If the cargo in respect of which a claim arises under rule 3.13 is the property of the member, he is entitled, subject to the exclusions to rule 3.13, to recover such liabilities as would have been recoverable if that property belonged to a third party and that third party had concluded a contract of carriage with the member.
- 6.8** The club is not liable to make any payment in respect of any claim while any sum is due from the member, or due in respect of a ship entered under the same group rating agreement; however, if any payment is made, the club may deduct any sum which is due from a member relating to any policy year.

Amounts owing to the club

Interest	6.9	In no case is interest payable on sums due from the club.
Pay to be paid	6.10	Unless the managers otherwise determine, it is a condition precedent of a member's right to recover in respect of any liabilities that he must have first discharged or paid the same out of funds belonging to him unconditionally and not by way of loan or otherwise.
Crew claims	6.11.1	Notwithstanding rule 6.10, where a member has failed to discharge a legal liability to pay damages or compensation for crew injury, illness or death, the club shall discharge or pay such claim on the member's behalf directly to such crewmember or dependant thereof.
	6.11.2	There shall be no recovery unless the crewmember or dependant has no enforceable right of recovery against any other party and would otherwise be uncompensated.
	6.11.3	Subject to rule 6.11.4, the amount payable by the club shall under no circumstances exceed the amount which the member would have been able to recover from the club under the rules and his terms of entry.
	6.11.4	Where the club is under no liability to the member by virtue of rule 17.3, the club shall nevertheless discharge or pay that claim to the extent only that it arises from an event occurring prior to the date of cancellation, but as agent only of the member, and the member shall be liable to reimburse the club for the full amount of such claim.
Deductibles	6.12	Any sum recoverable, including fees, costs and expenses, shall be subject to such deductible as has been agreed by the managers or, if not so agreed, shall be subject to the standard deductibles determined by the board from time to time. Unless otherwise agreed, deductibles shall apply any one event.
	6.13	The club may undertake the defence of a member or institute legal proceedings on his behalf in respect of any amount not recoverable by reason of any deductible in order to ascertain the legal position of the member. Although the club may pay the costs of such legal proceedings, the member shall bear any damages therein adjudged or awarded against him.
Wilful misconduct	6.14	No claim is recoverable in respect of any liabilities which in the opinion of the club has been incurred owing to the privity or wilful misconduct of an insured party.
Obligation to sue and labour	6.15	A member must at all times take all reasonable steps to avoid or minimise any loss, damage or liability in respect of which he may be insured by the club. If a member is in breach of this obligation, the board may reject any claim by the member for reimbursement or reduce the sum payable by the club.

Waiver of subrogation

6.16 Where a party is named as a joint entrant or co-assured and a waiver of subrogation is required under a contract, rights of subrogation against such joint entrant or co-assured are waived only where the managers have agreed such a waiver; any such waiver applies only in respect of those liabilities which are borne by the member or other joint entrant under the terms of the relevant contract and not to any liabilities which are to be borne by the other party.

Sanctions

6.17 The member shall in no circumstances be entitled to recover from the club that part of any liabilities which is not recovered by the club under any reinsurance(s) because of a shortfall in recovery from reinsurers thereunder by reason of any sanction, prohibition or adverse action against them by any state or international organisation or the risk thereof if payment were to be made by such reinsurers. For the purposes of this rule 6.17, "shortfall" includes any failure or delay in recovery by the club by reason of the reinsurers making payment into a designated account in compliance with the requirements of any state or international organisation.

SECTION G: OBLIGATIONS WITH REGARD TO CLAIMS

- Notification** 7.1 A member must promptly notify the managers in writing:
- (1) of every matter; and
 - (2) of every claim made by a third party against him which may lead to a claim for recovery.
- 7.2 A member must submit his claim for reimbursement of any liabilities within 12 months of discharging or settling them, and must produce in support of each claim all information the managers may require.
- Documentation** 7.3 A member must notify the managers of any information or documentation in his power, custody, control or knowledge relevant to any matter and must, as soon as requested by the managers, give to the club and/or to the experts or lawyers appointed to act on his behalf all such documentation and allow it to be inspected and copied.
- 7.4 A member must allow the managers, or the appointed experts or lawyers, to interview any person employed by the member whom the managers consider may have knowledge of the matter. If any such person is required to give evidence at any legal proceedings relating to a matter, the member will use his best endeavours to make sure he attends.
- Developments** 7.5 A member must keep the managers fully informed of the progress of any matter which will or may cause the member to incur liabilities for which he is or may be insured by the club in whole or in part, including any costs or expenses, and of any action proposed in relation to such matter.
- Settlement** 7.6 A member must not settle, compromise or admit liability for any matter for which he is or may be insured by the club in whole or in part without the approval of the managers or without complying with any requirements of the managers for making provision for any costs or expenses incurred by the club. If he does so, he will be liable to pay by way of indemnity to the club such sum as the managers may determine against the costs or expenses it may have been put to in respect of such matter.
- Recovery** 7.7 Where a member has made a claim against another party and has become entitled to a recovery, there shall be credited and paid to the club from such recovery an amount corresponding to the sum paid by the club, including any interest and costs, or such lesser sum as the managers may determine.
- 7.8 A member who incurs any costs or expenses without the agreement of the managers, or without the matter being conducted by an expert or lawyer appointed or previously approved by the managers, will not be entitled to reimbursement of such costs or expenses by the club without the approval of the managers.

Evidence	7.9	A member must not withhold or conceal any evidence which it is or may be relevant to disclose, or make any false statement. If such evidence is withheld or concealed or false statement is made any liabilities already incurred or reimbursed by the club must be repaid by the member.
Powers of the managers relating to the handling of claims	8.1	The managers have the right to control or direct the conduct of any matter or legal proceedings relating to any liabilities in respect of which the member is or may be insured by the club in whole or in part, and in particular to direct the member to use a particular expert or lawyer.
	8.2	The managers have the right to require the member to settle, compromise or otherwise dispose of any matter or proceeding in such manner as they see fit.
	8.3	The managers may at any time on notice to the member withdraw their approval of any expert or lawyer appointed to act on behalf of the member; in such circumstances, the member will have no further entitlement to reimbursement of any of the costs or expenses of that expert or lawyer unless and to the extent the board otherwise determines.
	8.4	The managers may at any time appoint, on behalf of a member at the expense of the club subject to the applicable deductible, experts or lawyers to deal with any matter which may result in liabilities in respect of which the member is or may be insured by the club in whole or in part.
Effect of non-compliance	8.5	If a member fails to comply with any requirement under rules 7 and 8, the club shall not be under any obligation to reimburse him unless the board otherwise determines.
Security	9.1	The club is under no obligation to provide security on behalf of a member, but where it is provided it shall be on such terms as the managers consider appropriate and shall not constitute any admission of liability by the club for the claim in respect of which it is given.
	9.2	A member on whose behalf the club has provided security, with or without the member's express authority, shall on demand replace the security or pay to the club a sum corresponding to the amount of such security whether or not such amount may be recoverable in whole or in part from the club.
	9.3	In no case shall the club be liable for the detention of the ship, or for any other detention or attachment of a member's assets, or for any damage whatsoever caused to a member by reason of the provision or non-provision of security.
	9.4	A member shall upon demand reimburse the club such sum or sums as the club has paid on his behalf or under security provided by the club to the extent that such payment is, in the opinion of the managers, in respect of liabilities not recoverable from the club.

SECTION H: APPLICATION AND ENTRY

- Application**
- 10.1** The applicant must make to the managers a fair presentation of the risk by providing the managers with all material particulars and information together with any additional particulars and information as the managers may require.
- 10.2** The applicant will ensure that every material representation as to a matter of fact is substantially correct, and every material representation as to a matter of expectation or belief is made in good faith.
- 10.3** The managers may, without giving any reason, refuse any application for the entry of a ship in the club.
- Entry**
- 11.1** Unless the managers otherwise decide, each person whose entry has been accepted under the rules becomes a member of the club. Whenever the managers accept an entry by way of reinsurance, the insurer reinsured by the club or person insured by such an insurer may, if the managers agree, become a member.
- Immediate termination**
- 11.2** The member is obliged to disclose any change in any material information relating to an entry including, but not limited to, change of: management, flag, classification society, government authority responsible for ship certification for the trade in question, nationality of crew, trading or operating area or nature of trade or operation. Upon such disclosure, or failure to disclose, the managers may amend the member's premium rating or terms of entry, or terminate the entry in respect of such ship with effect from the time of disclosure or failure to disclose.
- 11.3** The member is bound by and must observe and perform the obligations under the rules, and must provide the managers with electronic and postal addresses for service of notices.
- 11.4** The member warrants that he is, in relation to the ship:
- (1)** her owner or charterer; or
 - (2)** a manager or operator having control of her operation and employment; or
 - (3)** any other person in possession and control of her.
- 11.5** Under a charterer's entry, the member warrants that he will, unless otherwise agreed with the managers, declare to the club all ships chartered by him.

Certificates of entry

- 12.1** The managers will send the member a certificate of entry stating the date of commencement of cover and the terms and conditions on which the ship has been accepted for insurance.
- 12.2** If at any time there is a variation in the terms of entry, the managers will send the member an endorsement stating the terms of such variation and the date from which such variation is to be effective.
- 12.3** Every certificate of entry issued is conclusive evidence as to its terms; if the managers believe that such documentation contains any error or omission, they may issue a new certificate or endorsement which will be conclusive as aforesaid.

Joint entrants

- 13.1** The managers may accept an application from a member for another person or persons to become joint entrants in respect of that member's entry. Each joint entrant has an independent right of recovery from the club.
- 13.2** Unless otherwise agreed by the managers, the member and all joint entrants are jointly and severally liable to pay all amounts due to the club in respect of such entry.
- 13.3** The member and each joint entrant warrants that the joint entrant is, in relation to the ship:
- (1)** interested in her operation, management or manning; or
 - (2)** the holding company or the beneficial owner of the member or of any person interested in her operation, management or manning; or
 - (3)** a mortgagee of the ship or a financial institution (or its subsidiary or affiliate) leasing the ship as owner to the member; or
 - (4)** the charterer.
- 13.4** The member warrants that he has at all times full power and authority to act in the name of and/or on behalf of all joint entrants.

Co-assureds

- 13.5** The managers may accept an application from a member for another person or persons to become co-assureds in respect of that member's entry.
- 13.6** The liability of the club to a co-assured only extends insofar as he may be found liable to pay in the first instance for liabilities which are properly the responsibility of the member which, if the member has entered into a contract with the co-assured, means those liabilities which are to be borne by the member under such contract. Cover does not extend to any amount which would not have been recoverable from the club by the member had the claim been made or enforced against him or to any liabilities to be borne by any of the co-assureds under the said contract.
- 13.7** Once the club has indemnified a co-assured, it shall not be under any further liability to any person in respect of that claim.

- Insured parties** 13.8 The receipt by an insured party of any sums paid by the club in respect of such an entry is sufficient discharge by the club for the same.
- 13.9 Any provision of the rules by which an insured party ceases either to be insured or to be entitled to recover from the club is deemed to apply to all insured parties. Failure by an insured party to comply with any of the obligations under the rules is deemed to be the failure of all insured parties.
- 13.10 Conduct of an insured party which would have entitled the club to decline to indemnify it is deemed to be the conduct of all insured parties.
- 13.11 The contents of any communication between an insured party and the club is deemed to be within the knowledge of all insured parties.
- 13.12 The cover provided to joint entrants and co-assureds does not extend to any liabilities or disputes either among such joint entrants and co-assureds, or with the member.
- Charterer named as joint entrant or co-assured** 13.13 a Unless otherwise agreed by the managers, where a charterer is named as a joint entrant or co-assured, all insured parties, including such charterer, warrant that the charterer is either:
- (1) an affiliated or associated charterer; or
 - (2) has contracted with the member or a joint entrant for the provision of services to or by the ship and that contract has been approved by the managers.
- b Any charterer named as a co-assured in accordance with rule 13.13 a (2) above is only covered for liabilities which are to be borne by the member or other joint entrant under the terms of the relevant contract and would, if borne by the member or that joint entrant, be recoverable by either from the club.
- Group entries** 13.14 The managers may accept an entry on the basis that the ship is part of a group rating agreement and assess premium accordingly.
- 13.15 One person must be designated group principal and any communication from or on behalf of the club to the group principal is deemed to be within the knowledge of all insured parties in the group and any communication from and action taken by the group principal is deemed conclusively to be made with the full approval of any and all insured parties within that group.
- 13.16 All persons entering ships under a group rating agreement and the group principal remain jointly and severally liable to pay all amounts due to the club in respect of any and all ships in the same group.

Affiliated and associated companies

13.17 In the case of a claim which would be recoverable from the club being enforced against an affiliated or associated company of a member, but not of a joint entrant or a co-assured, such company shall, if the member so requires in writing, be entitled to recover such sum from the club but only to the extent to which the member would have been entitled to recover if the claim had been enforced against him.

Breach of warranty

13.18 In the event of any breach of the warranties set out in rules 10.2, 11.4, 11.5 and 13.4, all insured parties' insurance shall terminate automatically from the time of the breach. In such circumstances, the member shall be, and remain, liable for all premium up to the time of the breach.

13.19 In the event of any breach by a joint entrant or co-assured of the warranties set out in rules 13.3 and 13.13, the joint entrant's or co-assured's insurance shall terminate automatically from the time of the breach. If a joint entrant is in breach, he shall be, and remain, liable for all premium up to the time of the breach.

Assignment

14.1 No insurance given by the club and no interest under the rules or under any contract between the club and any member may be assigned without the agreement of the managers. Any assignment made without such agreement shall, unless the managers otherwise determine, be of no effect and the assignee shall have no rights against the club.

14.2 In the event that the managers agree, the club is entitled in settling any claim presented by the assignee to deduct or retain such amount as the managers may then estimate to be sufficient to discharge any actual or potential liabilities of the assignor to the club.

SECTION I: SHIP STANDARDS AND RISK REVIEWS

Classification and condition of ships

- 15.1** Unless otherwise agreed by the managers, the following are conditions of the insurance of every ship:
- (1)** the ship must be and remain fully classed with a classification society approved by the managers or, provided agreed by the managers, remain fully approved by the government authority responsible for ship certification for the trade in question (hereafter ‘society/authority’)
 - (2)** any matter in respect of which the society/authority might make recommendations about action to be taken must be promptly reported to the society/authority
 - (3)** the member must comply with all the rules, recommendations and requirements of the society/authority within the time or times specified by that society/authority
 - (4)** the managers may inspect any document, and/or obtain any information relating to the maintenance of the ship’s class or approval, in the possession of any society/authority with which the ship is or at any time has been classed or approved, and the member authorises such society/authority to disclose such documents and/or information to the managers for whatever purposes they may consider necessary
 - (5)** the member must comply with all statutory requirements of the ship’s flag state relating to the construction, adaptation, condition, fitment, equipment, manning and operation of the ship and must at all times maintain the validity of such statutory certificates as are required or issued by or on behalf of the ship’s flag state, including those in respect of the ISM and ISPS codes.

- 15.2** Unless and to the extent the board otherwise decides, a member is not entitled to any recovery in respect of any liabilities arising during a period when any of the conditions in rule 15.1 have not been complied with.

Ship risk reviews

- 15.3.1** The managers may, as a condition of acceptance or renewal of entry in the club or at any time thereafter, appoint a surveyor to undertake a ship risk review in respect of an applicant’s or member’s ship within a specified period. In the light of such ship risk review, the managers may decline the application, refuse to renew the entry or impose conditions on the terms of entry as they see fit.
- 15.3.2** If the applicant’s or member’s ship is not made available for a ship risk review within such period, no claim for recovery as a result of any incident arising after the expiry of such period will be allowed until such time as the ship risk review has been carried out, unless the board otherwise determines.

Operational reviews	15.4	The managers may at any time, or following an incident which will or may cause the member to incur liabilities for which he may be insured by the club, appoint a surveyor to undertake a review of the member's operations within a specified period. If the review does not take place within such period, no claim for recovery as a result of any incident arising after the expiry of such period will be allowed until such time as the review has been carried out, unless the board otherwise determines.
Surveys following lay-up	15.5	In the event that a member has laid the ship up for more than 90 consecutive days he must, unless otherwise agreed by the managers, notify them of his intention to trade the ship at least seven days before she resumes trading. The managers may then require the member to have that ship undergo a ship risk review by a surveyor appointed by them. In the event that the member does not notify the club of his intention to trade the ship, no claim for recovery will be allowed unless the board otherwise determines.
Effect on terms of entry	15.6	In the light of a ship risk review or review of the member's operations the managers may: <ul style="list-style-type: none"> (1) terminate the member's entry with immediate effect or from a time and date specified by a notice in writing to the member; or (2) amend, vary or impose conditions on the terms of entry as they see fit.
Effect of non-compliance	15.7	Any recommendations made by the managers or a surveyor following any ship risk review or review of the member's operations must be carried out within a period specified by, and to the satisfaction of, the managers. If such recommendations are not carried out to the satisfaction of the managers within such period, no claim for recovery as a result of any incident arising after the expiry of such period will be allowed until such time as the recommendations have been carried out to the satisfaction of the managers, unless the board otherwise determines.

SECTION J: PERIOD OF INSURANCE

Policy year	16.1	Unless otherwise agreed at the time of entry or set out in the rules, the insurance provided by the club begins at the time stated in the member's certificate of entry, and continues for a period of 12 months, or other period as stated on the certificate of entry, unless terminated in accordance with the rules.
	16.2	If a member does not wish to continue the insurance in respect of the ship, he must give notice in writing to the managers not later than 30 days before the expiry of the period of insurance.
	16.3	The ship may not be withdrawn at any other time or in any other manner except with the consent of the managers.

Cancellation of insurance

17.3 If a member fails to pay when due and demanded by the managers any sum owing from him to the club including any sum for which he is liable under rule 13.16:

- (1) unless and to the extent the board otherwise decides, a member will not be entitled to any recovery in respect of any claim arising from the date of such failure until the date such sum owing to the club is paid in full; and

17.4 The managers may, but are not obliged to, specify the amount outstanding; any inaccuracy in the demand as to the amount stated to be owing shall not invalidate the notice unless there is no sum owing at all.

**Effect of
cessation of
insurance**

- 17.5** Where a member ceases to be insured in respect of any ship or at all ('the date of cessation') then:
- (1)** such member and his successors are, and remain, liable for all premium in respect of that part of the policy year for which the ship was on risk, and previous policy years; and
 - (2)** the club remains liable for all claims arising out of any event occurring before the date of cessation, but is under no liability for anything occurring after the date of cessation.
- 17.6** When a member ceases to be insured under rule 16.4, he remains liable for premium for the policy year in which the cessation occurs pro-rata only for the period beginning with the date of entry and ending with the date of termination.

- (1)** if the cancellation occurs while the member is, but for the cancellation, insured, such member and his successors are, and remain, liable for all premium in respect of the policy year during which the date specified in the notice ('the date of cancellation') occurs pro-rata only for the period beginning with the date of entry and ending with the date of cancellation and in respect of previous policy years irrespective of whether or not notice has been given under rule 17.3;
 - (2)** if the cancellation occurs after the member has ceased to be insured for some other reason, such member and his successors remain liable for all premium as provided for in rule 17.5(1);
 - (3)** the club ceases to be liable for any claims in respect of any ships entered by such member:
 - a** which may arise by reason of any event occurring after the date of cancellation; or
 - b** which have accrued or arisen during a policy year for which sums remained owing but unpaid by the member in full or in part at the date of cancellation; or
 - c** which may have accrued or arisen in any year other than one referred to in (3)b above, whether or not the club may have admitted liability for such claims or may have known, at the date of cancellation, that a claim was likely to accrue.

Cover	1.1	Such liabilities as would be covered by the club and the member's terms of entry but for the exclusion of war risks in rule 4.3.
	1.2	This clause shall only operate in respect of the standard risks in the rules and shall not operate in respect of any special risks.
Excluded areas	2.1	At any time or times before, or at the commencement of, or during the policy year, the managers may determine that any places or areas be excluded from the cover hereunder.
	2.2	Unless otherwise agreed by the managers, the cover shall cease in respect of the places or areas so determined in accordance with paragraph 2.1 upon the expiry of seven days from midnight on the day notice of such determination is given by the managers to the members.
	2.3	Unless and to the extent that the board otherwise decides there shall be no recovery from the club in respect of any claim arising out of any event within the said places or areas after such date.
Cancellation	3	Cover may be cancelled by either the club or the member giving seven days' notice (such cancellation becoming effective upon the expiry of seven days from midnight on the day on which such notice is issued by or to the club). The club agrees to reinstate cover subject to agreement with the member prior to the expiry of such notice as to new terms of entry.
Automatic termination of cover	4	Whether or not notice of cancellation has been given, cover shall terminate automatically:
	4.1	upon the outbreak of war (whether there be a declaration of war or not) between any of the following: the UK, the USA, France, the Russian Federation, the People's Republic of China;
	4.2	in respect of any ship if she is requisitioned either for title or use.
Five powers war and nuclear exclusions	5	This cover excludes:
	5.1	loss, damage, liability or expense arising from:
	5.1.1	the outbreak of war (whether there be a declaration of war or not) between any of the following: the UK, the USA, France, the Russian Federation, the People's Republic of China;
	5.1.2	requisition for title or use;
	5.2	liabilities (irrespective of whether a contributory cause of the same being incurred was any neglect on the part of the member or his servants or agents) when the loss or damage, injury, illness or death or other accident in respect of which such liability arises or cost or expense is incurred, was directly or indirectly caused by or arises from:

	5.2.1	ionising radiations from or contamination by radioactivity from any nuclear fuel or from any nuclear waste or from the combustion of nuclear fuel; or
	5.2.2	the radioactive, toxic, explosive or other hazardous or contaminating properties of any nuclear installation, reactor or other nuclear assembly or nuclear component thereof; or
	5.2.3	any weapon or device employing atomic or nuclear fission and/or fusion or other like reaction or radioactive force or matter; or
	5.2.4	the radioactive, toxic, explosive or other hazardous or contaminating properties of any radioactive matter other than liabilities arising out of carriage of 'excepted matter' (as defined in the Nuclear Installations Act 1965 of the United Kingdom or any regulations made thereunder) as cargo in the ship.
Chemical, biological, bio-chemical, electromagnetic weapons and computer virus exclusion	6	This paragraph shall override anything contained in this insurance inconsistent therewith.
	6.1	In no case shall this insurance cover loss, damage, liability or expense directly or indirectly caused by or contributed to by or arising from:
	6.1.1	any chemical, biological, bio-chemical or electromagnetic weapon;
	6.1.2	the use or operation, as a means for inflicting harm, of any computer virus.
	6.2	Paragraph 6.1 shall not operate to exclude losses (which would otherwise be covered hereunder) arising from the use of any computer, computer system or computer software programme or any other electronic system in the launch and/or guidance and/or firing mechanism of any weapon or missile.
Deductibles	7.1	The cover shall apply, any one event, in excess of the greater of:
	7.1.1	US\$50,000; or
	7.1.2	the proper value of the ship (proper value meaning the market value of the ship free of any commitment; where the proper value exceeds US\$100 million, the proper value will be deemed to be US\$100 million); or
	7.1.3	the amount recoverable under any other policy of insurance, whether of war risks or otherwise.
	7.2	Under a charterer's entry the cover shall apply, any one event, in excess of the greater of the deductible set out in the member's certificate of entry or US\$50,000.
Limit of cover	8.1	Subject to paragraph 8.2, the limit of club cover shall be US\$500 million any one event or series thereof in the aggregate or any lesser amount specified in the certificate of entry.

8.2 In the event that there is more than one entry by any person for P&l war risks cover in respect of the same ship with the club, the aggregate recovery in respect of all liabilities arising under such entries shall not exceed the amount stipulated in paragraph 8.1, and the liability of the club under each such entry shall be limited to such proportion of that limit as the claims arising under that entry bear to the aggregate of all such claims recoverable from the club.

War risks clause for additional covers 2019

Cover	1	Such liabilities as would be covered by the club but for the exclusion of war risks in rule 4.3, but only in respect of any special risks set out in the certificate of entry beyond the standard risks provided by the rules without amendment other than such as may be covered under the Maritime Labour Convention extension clause 2019.
Excluded areas	2.1	At any time or times before, or at the commencement of, or during the policy year, the managers may determine that any places or areas be excluded from the cover hereunder.
	2.2	Unless otherwise agreed by the managers, cover shall cease in respect of the places or areas so determined in accordance with paragraph 2.1 upon the expiry of seven days from midnight on the day notice of such determination is given by the managers to the members.
Cancellation	3	Cover may be cancelled by either the club or the member giving seven days' notice (such cancellation becoming effective upon the expiry of seven days from midnight on the day on which notice is issued by or to the club). The club agrees however to reinstate cover subject to agreement with the member prior to the expiry of such notice as to new terms of entry.
Automatic termination of cover	4	Whether or not such notice of cancellation has been given, cover hereunder shall terminate automatically:
	4.1	upon the outbreak of war (whether there be a declaration of war or not) between any of the following: the UK, the USA, France, the Russian Federation, the People's Republic of China;
	4.2	in respect of any ship in the event she is requisitioned for title or use.
Five powers war and nuclear exclusions	5	This cover excludes:
	5.1	loss, damage, liability or expense arising from:
	5.1.1	the outbreak of war (whether there be a declaration of war or not) between any of the following: the UK, the USA, France, the Russian Federation, the People's Republic of China;
	5.1.2	requisition for title or use;
	5.2	liabilities (irrespective of whether a contributory cause of the same being incurred was any neglect on the part of the member or his servants or agents) when the loss or damage, injury, illness or death or other accident in respect of which such liability arises or cost or expense is incurred, was directly or indirectly caused by or arises from:
	5.2.1	ionising radiations from or contamination by radioactivity from any nuclear fuel or from any nuclear waste or from the combustion of nuclear fuel; or
	5.2.2	the radioactive, toxic, explosive or other hazardous or contaminating properties of any nuclear installation, reactor or other nuclear assembly or nuclear component thereof; or

- 5.2.3** any weapon or device employing atomic or nuclear fission and/or fusion or other like reaction or radioactive force or matter; or
- 5.2.4** the radioactive, toxic, explosive or other hazardous or contaminating properties of any radioactive matter,
- other than liabilities arising out of carriage of ‘excepted matter’ (as defined in the Nuclear Installations Act 1965 of the United Kingdom or any regulations made thereunder) as cargo in the ship.
- Chemical, biological, bio-chemical, electromagnetic weapons and computer virus exclusion**
- 6** This paragraph overrides anything contained in this insurance inconsistent therewith.
- 6.1** In no case shall this insurance cover loss, damage, liability or expense directly or indirectly caused by or contributed to by or arising from:
- 6.1.1** any chemical, biological, bio-chemical or electromagnetic weapon;
- 6.1.2** the use or operation, as a means for inflicting harm, of any computer virus.
- 6.2** Paragraph 6.1 shall not operate to exclude losses (which would otherwise be covered hereunder) arising from the use of any computer, computer system or computer software programme or any other electronic system in the launch and/or guidance and/or firing mechanism of any weapon or missile.
- Charterers’ liability for damage to hull**
- 7.1** Notwithstanding paragraph 2.1 but without prejudice to paragraphs 3, 4, 5 and 6, rules 4.3, 4.5, 4.6 and 4.7 shall not apply to a ship chartered to the member in respect of liabilities and losses covered under the charterers’ liability for damage to hull clause 2019 if:
- 7.1.1** the ship is chartered on terms to the effect that:
- (1)** the owner is entitled to refuse to send the ship to any place that is dangerous by reason of war risks (as defined in any current standard war risks insurance policy); and
- (2)** the owner is in any event entitled to insure his interests against such war risks; and
- (3)** the member is liable to reimburse the owner in respect of any war risks premium incurred as a result of the ship being ordered to or employed in such place,
- or on terms no less favourable to the member as regards his liability for loss or damage caused by war risks; or
- 7.1.2** having given the managers as soon as practicable notice of any voyage or deviation to, or presence within, any place specified in paragraph 2.1, the member has paid such additional premium as the managers may impose.

	7.2	In the event of the member not requiring war risks cover for a ship sailing to or remaining in a place or area determined in accordance with paragraph 2.1, he shall so advise the managers before the commencement of the voyage or deviation and the managers shall determine whether and on what terms war risks cover shall be reinstated.
Maintenance of standard hull war risks cover	8	Where the ship is entered by the member as an owner's entry the member will maintain standard hull war risks cover with P&I inclusion clauses attached for not less than the hull value of the ship and this cover will respond only in excess of claims recoverable thereunder.
Deductible	9	The deductible shall be that applicable to the relevant special risks set out in the member's certificate of entry.
Limit of cover	10	The limit of club cover shall be that of the relevant special risks set out in the certificate of entry or US\$100 million, any one event, or series thereof in the aggregate, whichever is the lesser.
