INDUSTRY DATA COLLECTION EXERCISE ON THE VACCINATION OF SEAFARERS

Action Required: Members are invited to complete and widely disseminate the below survey. Results are requested by the 30th June 2021.

This data is being requested on behalf of ICS, BIMCO, CLIA, ECSA, ICMA, IMCA, IMEC, IMHA, INTERCARGO, InterManager, INTERTANKO, ISOA, ITF and WSC.

We are seeking input into the vaccination of seafarers. At present, information available is limited which hinders lobbying efforts as the industry is currently unaware of where significant gaps exist. To aid this process, we are undertaking a concerted and joint effort to gather as much information as possible from the questionnaire below. Each company is requested to complete this exercise once. Once we have collated the information, gaps and issues highlighted will be targeted. We would greatly appreciate the information requested to be returned by the end of June 2021.

A further exercise will be conducted later in the year to see how much progress has been made.

The survey can be accessed here:
