

## TO ALL MEMBERS

19 December 2012

Dear Sirs

### **RULE AMENDMENTS RENEWAL MATTERS INSURANCE PREMIUM TAXES ELECTION OF CLASS COMMITTEES**

#### **Rule amendments**

The attachments to this letter set out proposed amendments to the club's P&I, Offshore, Defence, London class and War Risks rules, explanations for the proposed changes, and details of the necessary meetings of members to effect these proposed amendments. The relevant meeting notices are referred to below.

#### **Renewal matters**

##### ***Clean / dirty tankers and wet / dry cargos***

The system for charging reinsurance costs applicable to tankers which switch between carrying clean and dirty cargos, or to OBOs switching between wet and dry cargos, during a year, will be changed for the 2013/14 policy year. Unless declared for the year as a clean tanker, with the usual warranty to that effect, a ship will be rated on the basis of the dirty tanker reinsurance rate. However, if a ship carries only clean products for one or more periods each of at least 30 consecutive days, she can be rated as a clean tanker for the periods of clean trading. If a ship carries clean products for a period of less than 30 consecutive days then the ship will continue to be rated as a dirty tanker. Clean means actually clean, e.g. it does not include a period in ballast between dirty voyages, and a clean tanker is defined as: *a tanker which is not carrying persistent oil or its residues (other than slops)*. The same principles will apply to wet / dry trading for OBOs. This system mirrors the mechanics of the laid-up rule, and accordingly notification to the club that a ship has changed status during a policy year, with the relevant dates, must be made within three months of the end of a policy year, failing which no return of premium can be given.

***Biochem cover***

We confirm that cover for certain limited bio-chem risks will be available to owners for the 2013/14 policy year. The cover will continue to respond to owner members' liability to pay damages, compensation or expenses to crewmembers and certain legal fees arising from chemical, biological, bio-chemical or electromagnetic weapons. The cover remains subject to an aggregate limit of \$30m each ship any one event. However, please note that this cover will not be available for chartered entries for the 2013/14 policy year.

***Material changes to risk***

Members' attention is drawn to the need to keep the club closely advised of any material change to risk throughout the period of insurance. This includes the need to advise the club of any change to a ship's technical management, flag, class, nationality or crew, trading or operating area or nature of trade or operations. Members are therefore required to inform the club, particularly in relation to renewal, if they have made or expect to make any change to their previous trading pattern or to any material particular relating to any ship.

We will send out a further circular with additional renewal information when it becomes available.

**Insurance premium taxes**

Members are reminded that responsibility for payment of all insurance premium taxes rests with them rather than with the club. Therefore all indications, quotations and debit notes from the club are net of such taxes. Members are recommended to seek appropriate local advice in relation to obligations to pay insurance taxes.

**Election of class committees**

The members of the committees of each of the club's classes are proposed for re-election at class Annual General Meetings as set out in the attached meeting notices referred to below.

**Meeting notices**

In Appendix A to this letter you will find a notice of an Annual General Meeting of the members of the P&I Class (Class 1) of the Association. This has been called to submit to class members resolutions for amendments to the P&I Rules and the Offshore P&I Rules and for the re-election of class committee members. Proxy forms for the meetings are enclosed for those who are unable to attend. It is important that the proxy forms should be completed correctly and your attention is drawn to the notes at the bottom of the proxy forms. **Notes:**

1. A member of the company or a member of the P&I Class entitled to attend, speak and vote at the meeting is entitled to appoint one or more proxies to attend, speak and vote on on his/her behalf. A proxy need not be a member of the company. A proxy will have the same number of votes on a show of hands as if the member who appointed the proxy was at the meeting.

If you wish your proxy to speak on your behalf at the meeting you will need to appoint your own choice of proxy (not the chairman) and give your instructions directly to them.
3. For the instrument appointing a proxy to be effective, you must complete the enclosed Form of Proxy and ensure that the Form of Proxy, together with any power of attorney or other authority under which it is executed (or a notarially certified copy of the same) is deposited with the Secretary of the company, Charles Taylor & Co Limited, Standard House, 12-13 Essex Street, London WC2R 3AA or scanned and emailed to [p&i.london@ctplc.com](mailto:p&i.london@ctplc.com) not less than 48 hours before the time fixed for holding the meeting or adjourned meeting.
4. A corporate member can appoint one or more corporate representatives who may exercise on its behalf all its powers as a member provided that no more than one corporate representative exercises powers over the same vote.

**APPENDIX B****P&I CLASS RULES  
LONDON CLASS RULES  
AMENDMENTS TO THE RULES****1. Crew abandonment**

These amendments give effect to the repatriation requirements under the Maritime Labour Convention 2006.

Rule 3.1 – Renumber rule 3.1.2 as rule 3.1.2.1 and amend current exclusion to apply solely to rule 3.1.2.1.

Add new rule 3.1.2.2 as follows:

*“Liabilities in respect of crew repatriation under Guideline B2.5 of Regulation 2.5 of the 2006 Maritime Labour Convention (“MLC 2006”) or domestic legislation by a state party implementing MLC 2006.”*

Amend rule 6.16.1 to read as follows:

*“Notwithstanding rule 6.15, where a member has failed to discharge a legal liability to pay damages or compensation for crew injury, illness or death, or repatriation under rule 3.1.2.2, the club shall discharge or pay such claim on the member’s behalf directly to such crewmember or dependant thereof.”*

Add new rule 6.16.5 as follows:

*“The member agrees that any payment by the club under rule 3.1.2.2 shall be by way of loan and shall both indemnify the club in respect of such payment and assign to the club to the extent and on the terms the managers determine to be practicable, all the rights of the member under any other insurance and against any insured or third party.”*

**2. Wreck liabilities**

This amendment clarifies the cover and requires wreck removal contracts to be approved by the managers.

Rule 3.11.2 – Replace the rule with the following:

*“Liabilities resulting from the actual or attempted raising, removal or destruction of the wreck of the ship, cargo or any other property on board.”*

.. /...

Add the following exclusion:

*“(4) Unless the board otherwise determines, there shall be no recovery unless the member has contracted for removal of the wreck on terms which have been approved by the managers.”*

### **3. Risks covered by hull policies**

This amendment means that liabilities which would be recoverable under a normal war risks policy including P&I and piracy risks, will be excluded.

Rule 4.1 – Amend the rule to read as follows:

*“Unless otherwise agreed by the managers, there shall be no recovery from the club in respect of any liabilities which would be recoverable from underwriters if the ship were, at the time of the incident giving rise to such liabilities, fully insured under hull policies on terms equivalent to those of the usual Lloyd’s marine policy with the Institute Time Clauses (Hulls) 1.10.83 attached or to the extent that the ship was fully insured to a proper value (being the market value of the ship without commitment) under a P&I war risks policy including piracy risks. The board may determine the proper value for which the ship should have been insured under the P&I war risks policy. Unless otherwise agreed by the managers, there shall be no recovery in respect of any franchise or deductible borne by the member under such policies.”*

### **4. Guarantees, undertakings and certificates**

This amendment confirms that the club will pay for liabilities arising under a certificate issued pursuant to the Athens Convention, which will also include liabilities under the EU Passenger Liability Regulation which essentially gives effect to the Athens Convention in EU and EEA States from 31 December 2012.

Rule 4.5 – Amend sub-paragraph (4) and add new sub-paragraphs (5) and (6) as follows:

*“Notwithstanding the exclusions in rules 4.3 and 4.4, the club will discharge on behalf of the member liabilities arising under a demand made pursuant to the issue by the club on behalf of the member of: ...*

*(4) a certificate in compliance with Article 7 of the International Convention on Civil Liability for Bunker Oil Pollution Damage 2001; or*

*(5) a certificate in compliance with Article 4bis of the Athens Convention Relating to the Carriage of Passengers and Their Luggage by Sea 2002; or*

## **6. Limits of recovery – part entries**

This amendment clarifies that, if less than the full tonnage of a ship is entered in the club, then the member’s claims and the applicable limits are reduced pro rata.

## **7. Limits of recovery – guarantees, undertakings and certificates**

This amendment clarifies that the managers may defer payment of any claims until satisfied that all liabilities will not exceed any applicable limit in the rules or relevant certificate of entry.

Rule 6.2.4 – Add the following rule:

*“Where a guarantee, undertaking or certificate provided for in rule 4.5 has been issued and in the opinion of the managers the claims of all insured parties in the aggregate exceed or may exceed any limit set out in the rules or in the certificate of entry, the managers:*

*(1) may defer payment of a claim or any part thereof as they see fit; and*

*.. /...*

## **10. Developments**

This amendment clarifies the obligation upon the member to report developments in any matter for which the club provides insurance.

Rule 7.5 – Replace the rule with the following:

## **11. Settlement**

This amendment clarifies the obligation upon the member not to settle any matter for which the club provides insurance without the approval of the managers.

These amendments clarify the powers of the managers in relation to any matter for which the club provides insurance.

Rule 8.1 – Replace the rule with the following:

## **13. Cessation of insurance**

These amendments clarify the operation of the automatic cessation provisions in circumstances where sanctions may be applicable.

Rule 17.2 (5) – Amend to read as follows:

*“(5) the ship is employed by the member in a carriage, trade, voyage or operation which will thereby in any way howsoever expose the club to the risk of being or becoming subject to any sanction, prohibition or adverse action in any form whatsoever by any state or international organisation, or if the provision of insurance for a carriage, trade, voyage or operation is or becomes unlawful, prohibited or sanctionable, unless the managers shall otherwise determine.”*

.. /...

*19.4 If the member elects to pay all further premium when due he must, unless he has other ships remaining in the club under an owner’s entry, provide at his own expense within the time specified by the managers, a guarantee acceptable to the managers for the full amount of the release call. If he fails to provide the guarantee within the time specified, the release call automatically becomes payable.*

*19.5 If during the period that the member is still liable to pay further premium he no longer has any ships remaining in the club under an owner’s entry, he must immediately provide a guarantee acceptable to the managers for the full amount of all release calls in respect of all of his ships.”*

These amendments clarify the operation of the automatic cessation provisions in circumstances where sanctions may be applicable.

Rule 17.2 (5) – Amend to read as follows:

*“(5) the unit is employed by the member in a carriage, trade, voyage or operation which will thereby in any way howsoever expose the club to the risk of being or becoming subject to any sanction, prohibition or adverse action in any form whatsoever by any state or international organisation, or if the provision of insurance for a carriage, trade, voyage or operation is or becomes unlawful, prohibited or sanctionable, unless the managers shall otherwise determine.”*

.. /...

Rule 4.9 – Amend to read as follows:

*“No claim is recoverable if it arises out of or is consequent upon the unit blockade-running or being employed in an unlawful, prohibited or sanctionable carriage, trade, voyage or operation, or if the provision of insurance for a carriage, trade, voyage or operation is or becomes unlawful, prohibited or sanctionable or if the board determines that the carriage, trade, voyage or operation was imprudent, unsafe, unduly hazardous or improper.”*

Rule 23 – Add the following definition:

*“Unlawful, prohibited or sanctionable: unlawful, prohibited or sanctionable under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom, United States of America, the place of incorporation or domicile of the member or the unit’s flag state.”*

## 15. Delegation to class committee

This amendment clarifies that, following the reorganisation of the club, powers under the rules which are vested in the board can be delegated to a class committee in addition to a subcommittee of the board or to the managers.

Rule 20.1 – Replace the first sub-paragraph with the following:

*“(1) vested in the board, it may be delegated to any subcommittee of the board, class committee or to the managers;”*

Rule 20.4 – Add new rule as follows:

*“The club shall be entitled to give disclosure of information relating to the member’s business which has become known to the club where such disclosure is required by law, or any rule, regulation, order or direction of any authority or if necessary for the proper performance of the club’s or managers’ obligations.”*
