

TO ALL MEMBERS OF THE STRIKE AND DELAY CLASS

14 February 2020

Dear Sirs

RENEWAL 2020/21 POLICY YEAR

1. Underwriting

Strike and Delay business will be underwritten from 20 February 2020 through the three principal Standard Club operating subsidiaries Standard UK, Standard Ireland and Standard Asia. As part of Standard group, the cover and financial security offered by each club is materially identical.

Policies underwritten by The Shipowners' Mutual Strike Insurance Association Europe up to and including 20 February 2020 will be renewed into the appropriate Standard club.

Underwriters will agree the most suitable Standard club with each member and their broker. By default, members that are predominantly based in the Asia-Pacific region will be offered renewal by Standard Asia in Singapore or its Hong Kong branch. EU-based members will be renewed by Standard Ireland and others by Standard UK. Certificates of entry and other documentation will be issued by the relevant club.

The Strike and Delay team members based in London and Dublin will continue to be the primary contacts for members whose business is underwritten by Standard UK and Standard Ireland.

For Standard Asia, the designated underwriters will be Jack Marriott-Smalley, Edward Atkins and Jessie Heo in Singapore together with Katherine Wang in Hong Kong. Claims will be handled by the Singapore and Hong-Kong based teams under the overall supervision of Rupert Banks, Regional Claims Director.

2. 2020/21 class rules

The Strike and Delay class rules are available for review and download [here](#). The Standard UK, Standard Ireland and Standard Asia class rules are materially identical.

The scope of the cover remains substantially unchanged from 2019/20. However, part C of the rules (covered risks) has been simplified into two parts: onshore and shipboard sections. The rules have been renumbered for clarity and the general provisions aligned where possible to equivalent provisions in the P&I and other rules of Standard Club.

The rules for the new Strike and Delay class rules were approved at the board meeting of Standard Club on 21 January 2020.

Members are also reminded that when they appoint a broker, the broker is the member's agent. Accordingly, payment of premium to the broker does not constitute payment to the club and it remains the member's responsibility to ensure that premium is paid to the club.

All insured parties are deemed to have confirmed they accept to be bound by all of the club rules including, but not limited to, the rules relating to supplementary calls, release calls, law and jurisdiction, and accept the liability to pay supplementary and release calls as levied under rules 10 and 11. The reference to these specific obligations and rule provisions does not in any way derogate from all insured parties' agreement to be bound by all of the club rules.

If you have any questions regarding any of the above, please do not hesitate to contact your usual club representative.

Yours faithfully
