OFFSHORE P&I RULES  
AND CORRESPONDENTS

# 03

OFFSHORE RULES

## SECTION A: INSURANCE

- 1.1** These rules, which are subject to the articles, contain the terms upon which offshore P&I cover is given by the club.
- 1.2** The risks against which a member is insured are set out in rule 3.
- 1.3.1** A member may be insured in respect of risks other than those set out in rule 3, or in respect of risks otherwise excluded, where such risks have been agreed by the managers.
- 1.3.2** Any such risks are covered subject to the terms, conditions, limitations and exclusions of these rules.
- 1.3.3** The managers may reinsure any risk and, in the event that such reinsurance is arranged, the member is entitled to recover from the club only the net amount actually recovered under such reinsurance together with that portion of the risk retained by the club, whether or not the member has notice of such reinsurance, its terms, or the identity of the reinsurers.
- 1.4** No act, omission, course of dealing or forbearance or reimbursement by the club shall be treated as any evidence of a waiver of the club's rights under these rules.
- 1.5** These rules and any contract of insurance between the club and any insured party are governed by and construed in accordance with English law. In particular they are subject to and incorporate the Marine Insurance Act 1906 and any statutory modifications unless such Act or modification may have been excluded by these rules or by any term of such contract.
- 1.6** The terms of entry and the insurance provided by the club do not confer any right or benefit on any third party under the Contracts (Rights of Third Parties) Act 1999, except to the extent provided in rule 6.11.

## SECTION B: SCOPE OF COVER

- 2.1** The liabilities in respect of which a member is insured by the club are set out in rule 3 and must have arisen by reason of the member's interest in the unit, out of events occurring during the period of the unit's entry in the club and in connection with the operation of the unit (including activity at one or more supply bases, and transport between the unit and a supply base or a port or an airport in the vicinity of the base). The board may determine whether claims shall be deemed to have arisen out of one or more events and when such events shall be deemed to have occurred.
- 2.2** Where such liabilities would not have arisen but for the terms of any contract or indemnity, the contract or indemnity must either correspond to any specific requirements set out in rule 3, or have been approved by the managers.
- 2.3** A member's insurance is subject to the warranties, conditions, exceptions, limitations and other terms set out in these rules and the certificate of entry.
- 2.4** A member is not insured for any liabilities incurred by him in a capacity other than that in which he has entered into the contract of insurance with the club.

## SECTION C: RISKS COVERED

### Crew

**Injury, illness or death**      **3.1.1**      Liabilities in respect of crew injury, illness or death.

**Repatriation**      **3.1.2**      Liabilities in respect of crew repatriation.

#### **Exclusion to rule 3.1.2**

Liabilities arising out of the termination of any agreement, or the sale of the unit, or any other act of the member in respect of the unit, unless the board considers that such termination or other act was necessary in the interests of the safety of the unit or crew, or the proper running of the unit.

**Substitute expenses**      **3.1.3**      Expenses necessarily incurred in sending substitutes to replace crew who have died, are incapacitated or who have been left ashore in consequence of injury, illness, or desertion. Wages are only recoverable when payable to substitutes while awaiting and during repatriation.

**Loss of effects**      **3.1.4**      Loss of crew effects, excluding valuables.

**Shipwreck unemployment indemnity**      **3.1.5**      Wages or other compensation payable to crew arising out of the actual or constructive total loss of the unit.

**Port expenses**      **3.1.6**      Port and other charges as set out in rule 3.3 incurred in relation to crew.

**Third parties**      **3.2**      Liabilities in respect of the injury, illness or death of any person other than crew.

**Stowaways and refugees: port charges**      **3.3**      Port and other charges solely incurred for the purpose of landing stowaways or refugees, or others saved at sea, or landing or securing the necessary treatment for an injured or sick person, other than crew, including the net loss to the member in respect of fuel, insurance, wages, stores and provisions incurred for such purpose.

**Collision**      **3.4.1**      Liabilities arising out of a collision, if and to the extent that such liabilities are not covered under the hull policies, including that part of the member's collision liability which exceeds the sum recoverable under the hull policies solely by reason of such liability exceeding the valuation of the unit in those policies. However, the board may determine the proper value (being the market value of the unit without commitment) for which the unit should have been insured under the hull policies, and the club shall pay only the excess of the amount which would have been recoverable if the unit had been insured thereunder at such value.

**3.4.2**      There will be no recovery from the club insofar as such collision liabilities are not recoverable under the hull policies by reason of any breach of such policies.

**3.4.3**      If the other ship and the unit are both to blame then, unless the liability of the owners of one or both of them becomes limited by law, claims shall be settled upon the principle of cross-liabilities.

**Damage to  
other ships  
(other than  
by collision)**

- 3.5** Liabilities for loss of or damage to, delay to, or wreck removal of, a ship or any cargo or other property therein caused other than by collision with the unit.

**Exclusions to rule 3.5**

- (1) Liabilities in respect of any property owned or leased by the member.
- (2) Liabilities which are within the scope of cover provided under rule 3.4.

**Pollution**

- 3.6.1** Liabilities arising out of the discharge or escape of any substance from the unit, including the costs of any measures reasonably taken for the purpose of avoiding or minimising any resulting loss, damage or contamination or cleaning up any resulting pollution, together with liability for any loss of or damage to property caused by any measures so taken.

- 3.6.2** The costs of any measures reasonably taken to prevent an imminent danger of the discharge or escape of any substance from the unit.

**Exclusion to rules 3.6.1 and 3.6.2**

There shall be no recovery unless the liabilities have arisen under statute, general law, contract, a voluntary agreement assuming strict liability, a salvage agreement to compensate salvors for work done or out of measures taken to prevent or reduce pollution or the risk thereof by the escape from the unit of any substance.

- 3.6.3** Liabilities incurred after the unit has become a wreck arising from the discharge or escape from such wreck of any substance.

- 3.6.4** Liabilities in respect of pollution where such liabilities arise under rules 3.4, 3.5, 3.7, 3.8 and 3.11.

- 3.6.5** Fines imposed on the member or upon any other person whom he reasonably reimburses or is legally liable to indemnify in respect of the accidental discharge or escape of any substance arising from risks covered under rules 3.6.1, 3.6.3 and 3.6.4.

**Exclusion to rules 3.6.4 and 3.6.5**

Unless the board otherwise determines, there shall be no recovery in respect of any liability incurred more than two years after the unit became a wreck.

**Exclusion to rule 3.6.5**

Unless the board otherwise determines, there shall be no recovery in respect of a fine imposed for or arising out of:

- (1) any personal act or default on the part of the member or his managers
- (2) wilful misconduct on the part of any person unless the member has been compelled by law to pay the fine.

**Exclusions to rule 3.6**

There shall be no recovery in respect of:

- (1) liabilities which are recoverable under the hull policies or any other insurance
- (2) liabilities including fines and any consequential losses arising therefrom which arise out of:

- a pollution from the hole or well or subsea or subsurface operation in respect of which the unit is employed or utilised other than pollution from the unit and measures taken to avert or minimise such liabilities;
  - b subsea or subsurface or underground pollution other than pollution from the unit;
  - c the discharge or escape of any substance from any riser, flowline, umbilical, floating hose, buoyancy float or tank or mooring system connected to the unit or out of measures to avert or minimise such liabilities unless such riser, flowline, umbilical, floating hose, buoyancy float or tank or mooring system is part of the unit as defined
- (3) liabilities, including fines, loss or damage including, without limitation, liability for the cost of any remedial works or clean-up operations, arising as a result of the presence in, or the escape or discharge or threat of escape or discharge from, any land based dump, site, storage or disposal facility of any substance previously carried on the unit whether as cargo, fuel, stores or waste and whether at any time mixed in whole or in part with any other substance whatsoever, unless the board otherwise determines
- (4) liabilities including fines and any consequential losses arising therefrom which arise out of any oil pollution incident within the United States Exclusive Economic Zone, unless otherwise agreed by the managers.

**Damage to property (other than by pollution)**

- 3.7** Liabilities for loss of or damage to, or interference with rights in relation to, any property not being a ship or any cargo or other property therein or the cargo or other property intended to be or being or having been carried in the unit.

**Exclusions to rule 3.7**

- (1) Liabilities in respect of any property owned or leased by the member.
- (2) Liabilities which are within the scope of cover provided under rule 3.4.

**Wreck liabilities**

- 3.8.1** Liabilities for or incidental to the raising, removal, destruction, lighting or marking of the wreck of the unit or any property on board. The value of the wreck and all property saved must be deducted from any reimbursement and only the balance is recoverable.
- 3.8.2** Liabilities resulting from the actual or attempted raising, removal or destruction of the wreck of the unit or property on board. Unless the board otherwise determines, a member is not entitled to be reimbursed by the club in respect of any liabilities if:
- (1) he has employed independent contractors to perform the relevant operations and has not taken reasonable measures to provide that under the terms of the contract the risk of incurring the relevant liabilities fell upon the contractors; and

- (2) those contractors have not taken out such insurance as was reasonable to insure themselves against such risks. No liabilities insured under a contractor's policy are recoverable from the club.

**3.8.3** Liabilities for or incidental to the raising, removal, destruction, lighting or marking of the drill string, blow-out preventer, blow-out preventer stack, diverter or marine riser or any part thereof owned or leased by the member which has been lost or deposited on the seabed as a result of a casualty and which is not in or connected to any hole or well (hereafter 'additional drilling equipment').

**3.8.4** Liabilities resulting from the presence or involuntary shifting of the wreck of the unit or property on board caused by the casualty or event which led to the loss of the unit.

#### **Exclusions to rule 3.8**

- (1) There shall be no recovery if the member has, without the agreement of the managers, transferred his interest in the wreck other than by abandonment, at any time after the unit became a wreck.
- (2) There shall be no recovery unless the raising, removal, destruction, lighting or marking of the wreck of the unit, property on board or additional drilling equipment was compulsory by law or legally recoverable from the member under contract, or was undertaken with the agreement of the managers.
- (3) Unless the board otherwise determines, a member is not entitled to reimbursement in respect of any liability unless he took reasonable measures to raise, remove, destroy, light or mark the wreck of the unit, property on board or additional drilling equipment.
- (4) There shall be no recovery for any liabilities for or relating to clean-up of debris, tools, machinery or equipment lost or deposited on the seabed during operations, save to the extent recoverable under rules 3.8.1 to 3.8.4 above.
- (5) Unless the board otherwise determines, there shall be no recovery in respect of any liability incurred more than two years after the unit, property on board or additional drilling equipment became a wreck.
- (6) There shall be no recovery in respect of loss of or damage to any property belonging to or the legal responsibility of any person employing the unit pursuant to any contract and any other party having an owning interest in the concession, prospect or field in respect of which the unit is employed or utilised where the liability arises in connection with a hole or well or subsea or subsurface operation in respect of which the unit is employed or utilised.

## Fines

**3.9** Fines, other than fines arising from risks covered under rule 3.6, imposed on the member or upon any other person whom he reasonably reimburses or is legally liable to indemnify, but:

- (1) only insofar as the board considers the fine to be within the scope of club cover; and
- (2) only to the extent that the member has satisfied the board that he took all such steps as appear to the board to be reasonable to avoid the event giving rise to the fine; and
- (3) any amounts claimed in respect of such fine are recoverable only to the extent that the board may determine.

## Enquiry expenses

**3.10** Costs and expenses incurred in protecting a member's interests before a formal enquiry into a casualty to the unit where, in the opinion of the managers, a claim upon the club is likely to arise, or in other cases as the board determines.

## Sue and labour

**3.11** Extraordinary costs and expenses reasonably incurred on or after the occurrence of any event liable to give rise to a claim upon the club and incurred solely for the purpose of avoiding or minimising any liability against which the member is insured by the club, but only to the extent that those costs and expenses have been incurred with the prior agreement of the managers, or to the extent that the board determines.

### Exclusion to rule 3.11

Unless the managers or the board otherwise decide, there shall be deducted from such costs and expenses the deductible which would have been applicable had the liability or expenditure against which the member is insured by the club been incurred.

## Omnibus

**3.12** Any liabilities which the board may determine to be within the scope of club cover, but only to the extent that it decides that the member shall recover from the club.

## SECTION D: EXCLUDED RISKS

### Risks covered by hull policies

- 4.1** Unless otherwise agreed by the managers, there shall be no recovery from the club in respect of any liabilities which would be recoverable from hull underwriters if the unit were, at the time of the incident giving rise to such liabilities, fully insured under hull policies on terms equivalent to those of the usual Lloyd's marine policy with the Institute Time Clauses (Hulls) 1.10.83 attached or on terms approved by the managers; furthermore, unless otherwise agreed by the managers, there shall be no recovery in respect of any franchise or deductible borne by the member under such policies.

### Double insurance

- 4.2** Unless otherwise agreed by the managers, there shall be no recovery in respect of any liabilities recoverable under any other insurance or which would have been so recoverable:
- (1)** apart from any terms in such other insurance excluding or limiting liability on the ground of double insurance; and
  - (2)** if the unit had not been entered in the club with cover for the risks set out in these rules.

### War risks

- 4.3** Unless otherwise agreed by the managers, there shall be no recovery in respect of any liabilities, irrespective of whether a contributory cause of the same being incurred was any neglect on the part of the member or his servants or agents, incurred as a result of:
- (1)** war, civil war, revolution, rebellion, insurrection or civil strife arising therefrom, or any hostile act by or against a belligerent power, or any act of terrorism;
  - (2)** capture, seizure, arrest, restraint or detainment (barratry and piracy excepted) and the consequences thereof or any attempt thereat;
  - (3)** mines, torpedoes, bombs, rockets, shells, explosives or other similar weapons of war, save that this exclusion does not apply to liabilities which arise solely by reason of:
    - a** the transport of any such weapons whether on board the unit or not; or
    - b** the use of any such weapons, either as a result of government order or with the agreement of the board or the managers, where the reason for such use was the avoidance or mitigation of liabilities which would otherwise fall within the cover given by the club.

In the event of any dispute as to whether or not any act constitutes an act of terrorism, the decision of the board shall be final.

- 4.4** Notwithstanding the exclusions in rule 4.3, 4.7 and 4.8, the club will discharge on behalf of the member liabilities arising under a demand made pursuant to the issue by the club on behalf of the member of:
- (1)** a certificate issued in compliance with Article VII of the International Conventions on Civil Liability for Oil Pollution Damage 1969 and 1992 or any amendments thereof; or
  - (2)** a certificate issued in compliance with Article 7 of the International Convention on Civil Liability for Bunker Oil Pollution Damage 2001.

- 4.5** The member shall indemnify the club to the extent that any payment under any such guarantee, undertaking or certificate is not recoverable from the club for any reason whatsoever.
- 4.6** The member agrees that any payment by the club under any such guarantee, undertaking or certificate shall, to the extent of any amount recovered under any policy of insurance or additional cover provided by the club, be by way of loan and there shall be assigned to the club to the extent and on the terms the managers determine to be practicable, all the rights of the member under any other insurance and against any third party.
- Radioactive contamination** **4.7** There shall be no recovery in respect of any liabilities, irrespective of whether a contributory cause of the same being incurred was any neglect on the part of the member or his servants or agents, directly or indirectly caused by or arising from:
- (1)** ionising radiations from or contamination by radioactivity from any nuclear fuel or from any nuclear waste or from the combustion of nuclear fuel; or
  - (2)** the radioactive, toxic, explosive or other hazardous or contaminating properties of any nuclear installation, reactor or other nuclear assembly or nuclear component thereof; or
  - (3)** any weapon or device employing atomic or nuclear fission and/or fusion or other like reaction or radioactive force or matter; or
  - (4)** the radioactive, toxic, explosive or other hazardous or contaminating properties of any radioactive matter
- other than liabilities arising out of carriage of 'excepted matter' (as defined in the Nuclear Installations Act 1965 of the United Kingdom or any regulations made thereunder) as cargo in the unit, and such further exceptions as the managers may approve.
- Chemical, bio-chemical, electromagnetic weapons and computer virus** **4.8** There shall be no recovery in respect of any liabilities directly or indirectly caused by or contributed to by or arising from:
- (1)** any chemical, biological, bio-chemical or electromagnetic weapon;
  - (2)** the use or operation, as a means for inflicting harm, of any computer virus.
- Unlawful and hazardous trades** **4.9** No claim is recoverable if it arises out of or is consequent upon the unit blockade-running or being employed in an unlawful, prohibited or sanctionable carriage, trade, voyage or operation, or if the provision of insurance for a carriage, trade, voyage or operation is unlawful, prohibited or sanctionable or if the board determines that the carriage, trade, voyage or operation was imprudent, unsafe, unduly hazardous or improper. For the purposes of this rule 'unlawful, prohibited or sanctionable' means unlawful, prohibited or sanctionable under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom, United States of America, the place of incorporation or domicile of the member or the unit's flag state.

  - (2)** where the aggregate of the claims of the member exceeds or may exceed the said limit, the member shall be entitled to recover in respect of such claims to the exclusion of any claims of any other insured parties;
  - (3)** where the aggregate of the claims of any joint entrants exceeds or may exceed the said limit or any part thereof remaining after application of rule 6.1.3(1), any joint entrant shall be entitled to recover in respect of such claims
    - a** to the exclusion of any claims of any co-assureds; and
    - b** only such proportion of the remaining part of the limit as the claim of that joint entrant bears to the total of all claims of all joint entrants;
  - (4)** where the aggregate of the claims of any co-assureds exceeds or may exceed the said limit or any part thereof remaining after the application of rules 6.1.3(1) and (3), any co-assured shall be entitled to recover in respect of such claims only such proportion of the remaining part of the limit as the claim of that co-assured bears to the total of all claims of all co-assureds.
- 6.1.4** If in the opinion of the managers the claims of all insured parties in the aggregate exceed or may exceed any limit set out in the certificate of entry, the managers may defer payment of a claim or any part thereof.
- Net loss**

- Limits of recovery**
- 6.3** Unless and to the extent the board otherwise determines, under no circumstances shall the recovery by any person exceed:
- (1)** the amount to which the member is entitled to limit his liability, or would have been so entitled under any relevant law had he so petitioned;

| <b>Waiver of subrogation</b>     | <b>6.4</b>    | Where a charterer or other party is named as a joint entrant or co-assured and a waiver of subrogation is required under a contract, rights of subrogation against such joint entrant or co-assured are waived only where the managers have agreed such a waiver; any such waiver applies only in respect of those liabilities which are borne by the member or other joint entrant under the terms of the relevant contract and not to any liabilities which are to be borne by the charterer or other party unless otherwise agreed by the managers. |
|                                  | <b>6.5</b>    | The club shall not be liable to any insured party in respect of any liabilities except to the extent of the funds which the club is able to recover from the members or other persons liable for the same.   |
| <b>Member's property</b>         | <b>6.6</b>    | If a claim arises following a collision involving two units or ships belonging to the same member, he is entitled to recover from the club, and the club has the same rights, as if the units or ships had belonged to different owners.   |

| <b>Amounts owing to the club</b> | <b>6.8</b>    | The club is not liable to make any payment in respect of any claim while any sum is due from the member, or due in respect of a unit or ship entered under the same group rating agreement; however, if any payment is made, the club may deduct any sum which is due from a member relating to any policy year.   |
| <b>Interest</b>                  | <b>6.9</b>    | In no case is interest payable on sums due from the club.  |
| <b>Pay to be paid</b>            | <b>6.10</b>   | Unless the managers otherwise determine, it is a condition precedent of a member's right to recover in respect of any liabilities that he must have first discharged or paid the same out of funds belonging to him unconditionally and not by way of loan or otherwise.   |
| <b>Crew claims</b>               | <b>6.11.1</b> | Notwithstanding rule 6.10, where a member has failed to discharge a legal liability to pay damages or compensation for crew injury, illness or death, the club shall discharge or pay such claim on the member's behalf directly to such crewmember or dependant thereof.  |
|                                  | <b>6.11.2</b> | There shall be no recovery unless the crewmember or dependant has no enforceable right of recovery against any other party and would otherwise be uncompensated.   |
|                                  | <b>6.11.3</b> | Subject to rule 6.11.4 below, the amount payable by the club shall under no circumstances exceed the amount which the member would have been able to recover from the club under these rules and his terms of entry.   |

|                                     |               |   |
|-------------------------------------|---------------|---|
|                                     | <b>6.11.4</b> | Where the club is under no liability to the member by virtue of rule 17.3, the club shall nevertheless discharge or pay that claim to the extent only that it arises from an event occurring prior to the date of cancellation, but as agent only of the member, and the member shall be liable to reimburse the club for the full amount of such claim.  |
| <b>Deductibles</b>                  | <b>6.12</b>   | Any sum recoverable shall be subject to such deductible as has been agreed by the managers. Unless otherwise agreed, deductibles shall apply any one event.   |
|                                     | <b>6.13</b>   | The club may undertake the defence of a member or institute legal proceedings on his behalf in respect of any amount not recoverable by reason of any deductible for ascertaining the legal position of the member. Although the club may pay the costs of such legal proceedings, the member shall bear any damages therein adjudged or awarded against him.   |
| <b>Wilful misconduct</b>            | <b>6.14</b>   | Unless the board otherwise decides, no claim is recoverable in respect of any liabilities which in its opinion have been incurred owing to the privity or wilful misconduct of an insured party.  |
| <b>Obligation to sue and labour</b> | <b>6.15</b>   | A member must at all times take all reasonable steps to avoid or minimise any loss, damage or liability in respect of which he may be insured by the club. If a member is in breach of this obligation, the board may reject any claim by the member for reimbursement or reduce the sum payable by the club.   |
| <b>Sanctions</b>                    | <b>6.16</b>   | The member shall in no circumstances be entitled to recovery from the club that part of any liabilities which is not recovered by the club under any reinsurance(s) because of a shortfall in recovery from reinsurers thereunder by reason of any sanction, prohibition or adverse action against them by a state or international organisation or the risk thereof if payment were to be made by such reinsurers. For the purposes of this rule 6.16 "shortfall" includes any failure or delay in recovery by the club by reason of the reinsurers making payment into a designated account in compliance with the requirements of any state or international organisation. |

## SECTION G: OBLIGATIONS WITH REGARD TO CLAIMS

- Notification**
- 7.1** A member must promptly notify the managers in writing:

- 7.3** A member must notify the managers of any information or documentation in his power, custody, control or knowledge relevant to any matter and must, as soon as requested by the managers, give to the club and/or to the experts or lawyers appointed to act on his behalf all such documentation and allow it to be inspected and copied.
- 7.4** A member must allow the managers, or the appointed experts or lawyers, to interview any person employed by the member whom the managers consider may have knowledge of the matter. If any such person is required to give evidence at any legal proceedings relating to a matter, the member will use his best endeavours to make sure he attends.
- Developments**
- 7.5** A member must keep the managers fully informed of the progress of any matter which will or may cause the member to incur liabilities for which he may be insured by the club, including any costs and expenses, and of any action proposed in relation to such matter.
- Settlement**
- 7.6** A member must not settle, compromise or admit liability for any matter for which he may be insured by the club without the approval of the managers or without complying with any requirements of the managers for making provision for any costs or expenses incurred by the club. If he does so, he will be liable to pay by way of indemnity to the club such sum as the managers may determine against the costs and expenses it may have been put to in respect of such matter.
- Recovery**
- 7.7** Where a member has made a claim against another party and has become entitled to a recovery there shall be credited and paid to the club from such recovery an amount corresponding to the sum paid by the club, including any interest and costs, or such lesser sum as the managers may determine.
- 7.8** A member who incurs any costs or expenses without the agreement of the managers, or without the matter being conducted by an expert or lawyer appointed or previously approved by the managers, will not be entitled to reimbursement of such costs or expenses by the club without the approval of the managers.

|  |            |   |
|--|------------|---|
| <b>Evidence</b>  | <b>7.9</b> | A member must not withhold or conceal any evidence which it is or may be relevant to disclose, or make any false statement. | <b>Powers of the managers relating to the handling of claims</b> | <b>8.1</b> | The managers have the right to control or direct the conduct of any matter or legal proceedings relating to any liabilities in respect of which the member is or may be insured in whole or in part, and in particular to direct the member to use a particular expert or lawyer.   |
|  | <b>8.2</b> | The managers have the right to require the member to settle, compromise or otherwise dispose of any matter or proceeding in such manner as they see fit.  |
|  | <b>8.3</b> | The managers may at any time on notice to the member withdraw their approval of any expert or lawyer appointed to act on behalf of the member; in such circumstances the member will have no further entitlement to reimbursement of any of the costs or expenses of that expert or lawyer unless and to the extent the board otherwise determines. |
|  | <b>8.4</b> | The managers may at any time appoint, on behalf of a member at the expense of the club subject to any applicable deductible, experts or lawyers to deal with any matter which may result in liabilities in respect of which the member may be covered under these rules.  |
| <b>Effect of non-compliance</b>                                  | <b>8.5</b> | If a member fails to comply with any requirement under rules 7 and 8, the club shall not be under any obligation to reimburse him unless the board otherwise determines.  |
| <b>Security</b>  | <b>9.1</b> | The club is under no obligation to provide security on behalf of a member, but where it is provided it shall be on such terms as the managers consider appropriate and shall not constitute any admission of liability by the club for the claim in respect of which it is given.   |
|  | <b>9.2</b> | A member on whose behalf the club has provided security, with or without the member's express authority, shall on demand replace the security or pay to the club a sum corresponding to the amount of such security whether or not such amount may be recoverable in whole or in part from the club.  |
|  | <b>9.3</b> | In no case shall the club be liable for the detention of the unit, or for any other detention or attachment of a member's assets, or for any damage whatsoever caused to a member by reason of the provision or non-provision of security.  |
|  | <b>9.4</b> | A member shall upon demand reimburse the club such sum or sums as the club has paid on his behalf or under security provided by the club to the extent that such payment is, in the opinion of the managers, in respect of liabilities not recoverable from the club.   |

## SECTION H: APPLICATION AND ENTRY

### Application

- 10.1** The applicant must provide the managers with all material particulars and information together with any additional particulars and information as the managers may require.
- 10.2** The applicant warrants on his own behalf and on behalf of any other person that he has provided all material information and that all such information is, so far as he knows or could with reasonable diligence ascertain, true and complete, and will remain so throughout the period of insurance. The information so provided forms the basis of the contract of insurance between the applicant and the club.
- 10.3** The managers may, without giving any reason, refuse any application for the entry of a unit or ship in the club.

### Entry

- 11.1** Unless the managers otherwise decide, each person whose entry has been accepted under these rules becomes a member of the club. Whenever the managers accept an entry by way of reinsurance, the insurer reinsured by the club or person insured by such an insurer may, if the managers agree, become a member.

### Immediate termination

- 11.2** The member is obliged to disclose any change in any material information relating to an entry including, but not limited to, change of: management, flag, classification society, government authority responsible for unit certification for the trade in question, nationality of crew, trading or operating area or nature of trade or operation. Upon such disclosure, or failure to disclose, the managers may amend the member's premium or terms of entry, or terminate the entry in respect of the unit.

- 12.2** If at any time there is a variation in the terms of entry, the managers will send the member an endorsement stating the terms of such variation and the date from which such variation is to be effective.
- 12.3** Every certificate of entry issued is conclusive evidence as to its terms; if the managers believe that such documentation contains any error or omission they may issue a new certificate or endorsement which will be conclusive as aforesaid.

- Joint entrants**
- 13.1** The managers may accept an application from a member for another person or persons to become joint entrants in respect of that member's entry. Each joint entrant has an independent right of recovery from the club.

- 13.5** The managers may accept an application from a member for another person or persons to become co-assureds in respect of that member's entry.
- 13.6** The liability of the club to a co-assured only extends insofar as he may be found liable to pay in the first instance for liabilities which are properly the responsibility of the member which, if the member has entered into a contract with the co-assured, means those liabilities which are to be borne by the member under such contract. Cover does not extend to any amount which would not have been recoverable from the club by the member had the claim been made or enforced against him or to any liabilities to be borne by any of the co-assureds under the said contract.
- 13.7** Once the club has indemnified a co-assured it shall not be under any further liability to any person in respect of that claim.
- Insured parties**
- 13.8** The receipt by an insured party of any sums paid by the club in respect of such an entry is sufficient discharge by the club for the same.
- 13.9** Any provision of these rules by which an insured party ceases either to be insured or to be entitled to recover from the club is deemed to apply to all insured parties. Failure by an insured party to comply with any of the obligations under these rules is deemed to be the failure of all insured parties.
- 13.10** Conduct of an insured party which would have entitled the club to decline to indemnify it is deemed to be the conduct of all insured parties.
- 13.11** The content of any communication between an insured party and the club is deemed to be within the knowledge of all insured parties.
- 13.12** The cover provided to joint entrants does not extend to any liabilities or disputes either among such joint entrants or with the member.

| <b>Group entries</b>                                  | <p><b>13.14</b> The managers may accept an entry on the basis that the unit is part of a group rating agreement and assess premiums accordingly.</p> <p><b>13.15</b> The member or a joint entrant must be designated group principal and any communication from or on behalf of the club to the group principal is deemed to be within the knowledge of all insured parties in the group and any communication from and action taken by the group principal is deemed conclusively to be made with the full approval of any and all insured parties within that group.</p> <p><b>13.16</b> All persons entering units or ships under a group rating agreement and the group principal remain jointly and severally liable to pay all amounts due to the club in respect of any and all units or ships in the same group.</p> |

## SECTION I: UNIT STANDARDS AND SURVEYS

### Classification and condition of units

- 15.1** Unless otherwise agreed by the managers, the following are conditions of the insurance of every unit:
- (1) The unit must be and remain fully classed with a classification society approved by the managers, or, provided agreed by the managers, remain fully approved by the government authority responsible for unit certification for the trade in question (hereafter 'society/authority').
  - (2) Any matter in respect of which the society/authority might make recommendations about action to be taken must be promptly reported to the society/authority.
  - (3) The member must comply with all the rules, recommendations and requirements of the society/authority within the time or times specified by that society/authority.
  - (4) The managers may inspect any document, and/or obtain any information relating to the maintenance of the unit's class or approval, in the possession of any society/authority with which the unit is or at any time has been classed or approved, and the member authorises such society/authority to disclose such documents and/or information to the managers for whatever purposes they may consider necessary.
  - (5) The member must comply with all statutory requirements of the unit's flag state and/or any state exercising jurisdiction over the unit relating to the construction, adaptation, condition, fitment, equipment, manning and operation of the unit and must at all times maintain the validity of such statutory certificates as are required or issued by or on behalf of the unit's flag state and/or any state exercising jurisdiction over the unit, including those in respect of the ISM and ISPS codes.

### Entry surveys

- 15.3** The managers may, as a condition of acceptance or renewal of entry in the club, appoint a surveyor to inspect an applicant's or member's unit. In the light of such survey, the managers may decline the application, refuse to renew the entry or impose conditions on the terms of entry as they see fit.

### Routine or claim surveys and reviews

- 15.4** The managers may at any time, or following an incident which will or may cause the member to incur liabilities for which he may be insured by the club, appoint a surveyor to inspect the unit or undertake a review of the member's operations within a specified period. If the unit is not made available for survey, or the review does not take place, within such period, no claim for recovery as a result of any incident arising after the expiry of such period will be allowed unless the board otherwise determines.

**Surveys  
following  
lay-up**

- 15.5** In the event that a member has laid the unit up for more than 90 consecutive days he must, unless otherwise agreed by the managers, notify them of his intention to operate the unit at least seven days before she resumes operating. The managers may then require the member to have the unit inspected by a surveyor appointed by them. In the event that the member does not notify the club of his intention to operate the unit, no claim for recovery will be allowed unless the board otherwise determines.

**Effect on  
terms of  
entry**

- 15.6** In the light of a survey or review the managers may:
- (1)** terminate the member's entry; or
  - (2)** amend, vary or impose conditions on the terms of entry as they see fit.

**Effect of  
non-compliance**

- 15.7** Any recommendations made by the managers or a surveyor following any survey or review must be carried out within the time specified by, and to the satisfaction of, the managers and no recovery shall be allowed in respect of any incident arising after any such recommendations have been made until they have been complied with to the satisfaction of the managers, unless the board otherwise determines.
