Offshore P&I Rules and Correspondents **Offshore Rules** 03

SECTION A: INSURANCE

- **1.1** These rules, which are subject to the articles, contain the terms upon which offshore P&I cover is given by the club.
- 1.2 The risks against which a member is insured are set out in rule 3.
- **1.3.1** A member may be insured in respect of risks other than those set out in rule 3, or in respect of risks otherwise excluded, where such risks have been agreed by the managers.
- **1.3.2** Any such risks are covered subject to the terms, conditions, limitations and exclusions of these rules.
- 1.3.3 The managers may reinsure any risk and, in the event that such reinsurance is arranged, the member is entitled to recover from the club only the net amount actually recovered under such reinsurance together with that portion of the risk retained by the club, whether or not the member has notice of such reinsurance, its terms, or the identity of the reinsurers.
- 1.4 No act, omission, course of dealing or forbearance or reimbursement by the club shall be treated as any evidence of a waiver of the club's rights under these rules.
- 1.5 These rules and any contract of insurance between the club and any insured party are governed by and construed in accordance with English law. In particular they are subject to and incorporate the Marine Insurance Act 1906 and any statutory modifications unless such Act or modification may have been excluded by these rules or by any term of such contract.
- The terms of entry and the insurance provided by the club do not confer any right or benefit on any third party under the Contracts (Rights of Third Parties) Act 1999, except to the extent provided in rule 6.11.

SECTION B: SCOPE OF COVER

- 2.1 The liabilities in respect of which a member is insured by the club are set out in rule 3 and must have arisen by reason of the member's interest in the unit, out of events occurring during the period of the unit's entry in the club and in connection with the operation of the unit (including activity at one or more supply bases, and transport between the unit and a supply base or a port or an airport in the vicinity of the base). The board may determine whether claims shall be deemed to have arisen out of one or more events and when such events shall be deemed to have occurred.
- 2.2 Where such liabilities would not have arisen but for the terms of any contract or indemnity, the contract or indemnity must either correspond to any specific requirements set out in rule 3, or have been approved by the managers.
- 2.3 A member's insurance is subject to the warranties, conditions, exceptions, limitations and other terms set out in these rules and the certificate of entry.
- 2.4 A member is not insured for any liabilities incurred by him in a capacity other than that in which he has entered into the contract of insurance with the club.

SECTION C: RISKS COVERED

Crew

Injury, illness or death

3.1.1 Liabilities in respect of crew injury, illness or death.

Repatriation

- **3.1.2.1** Liabilities in respect of crew repatriation.
- 3.1.2.2 Liabilities in respect of crew repatriation under Guideline B2.5 of Regulation 2.5 of the 2006 Maritime Labour Convention (MLC 2006) or domestic legislation by a state party implementing MLC 2006.

Exclusion to rule 3.1.2.1

Liabilities arising out of the termination of any agreement, or the sale of the unit, or any other act of the member in respect of the unit, unless the board considers that such termination or other act was necessary in the interests of the safety of the unit or crew, or the proper running of the unit.

Substitute expenses

3.1.3 Expenses necessarily incurred in sending substitutes to replace crew who have died, are incapacitated or who have been left ashore in consequence of injury, illness, or desertion. Wages are only recoverable when payable to substitutes while awaiting and during repatriation.

Loss of effects 3.1.4

3.1.4 Loss of crew effects, excluding valuables.

Shipwreck unemployment indemnity

3.1.5 Wages or other compensation payable to crew arising out of the actual or constructive total loss of the unit.

Port expenses 3.1.6

3.3

Port and other charges as set out in rule 3.3 incurred in relation to crew.

Third parties

3.2 Liabilities in respect of the injury, illness or death of any person other than crew.

Stowaways and refugees: port charges

Port and other charges solely incurred for the purpose of landing stowaways or refugees, or others saved at sea, or landing or securing the necessary treatment for an injured or sick person, other than crew, including the net loss to the member in respect of fuel, insurance, wages, stores and provisions incurred for such purpose.

Collision

3.4.1 Liabilities arising out of a collision, if and to the extent that such liabilities are not covered under the hull policies, including that part of the member's collision liability which exceeds the sum recoverable under the hull policies solely by reason of such liability exceeding the valuation of the unit in those policies. However, the board may determine the proper value (being the market value of the unit without commitment) for which the unit should have been insured under the hull policies, and the club shall pay only the excess of the amount which would have been recoverable if the unit had been insured thereunder at such value.

3.4.2 There will be no recovery from the club insofar as such collision liabilities are not recoverable under the hull policies by reason of any breach of such policies. **3.4.3** If the other ship and the unit are both to blame then, unless the liability of the owners of one or both of them becomes limited by law, claims shall be settled upon the principle of cross-liabilities.

Damage to other ships (other than by collision)

3.5 Liabilities for loss of or damage to, delay to, or wreck removal of, a ship or any cargo or other property therein caused other than by collision with the unit.

Exclusions to rule 3.5

- Liabilities in respect of any property owned or leased by the member.
- (2) Liabilities which are within the scope of cover provided under rule 3.4.

Pollution

- 3.6.1 Liabilities arising out of the discharge or escape of any substance from the unit, including the costs of any measures reasonably taken for the purpose of avoiding or minimising any resulting loss, damage or contamination or cleaning up any resulting pollution, together with liability for any loss of or damage to property caused by any measures so taken.
- 3.6.2 The costs of any measures reasonably taken to prevent an imminent danger of the discharge or escape of any substance from the unit.

Obligation to sue and labour

6.15

6.16

A member must at all times take all reasonable steps to avoid or minimise any loss, damage or liability in respect of which he may be insured by the club. Sanctions

The member shall in no circumstances be entitled to recovery from the club that part of any liabilities which is not recovered by the club under any reinsurance(s) because of a shortfall in recovery from reinsurers thereunder by reason of any sanction, prohibition or adverse action against them by any state or international organisation or the risk thereof if payment were to be made by such reinsurers. For the purposes of this rule 6.16 "shortfall" includes any failure or delay in recovery by the club by reason of the reinsurers making payment into a designated account in compliance with the requirements of any state or international organisation.

SECTION G: OBLIGATIONS WITH REGARD TO CLAIMS

Developments

7.5

Settlement

A member must not settle, compromise or admit liability for any matter for which he is or may be insured by the club in whole or in part without the approval of the managers or without complying with any requirements of the managers for making provision for any costs or expenses incurred by the club. If he does so, he will be liable to pay by way of indemnity to the club such sum as the managers may determine against the costs or expenses it may have been put to in respect of such matter.

Recovery

Where a member has made a claim against another party and has become entitled to a recovery there shall be credited and paid to the club from such recovery an amount corresponding to the sum paid by the club, including any interest and costs, or such lesser sum as the managers may determine.

7.8 A member who incurs any costs or expenses without the agreement of the managers, or without the matter being conducted by an expert or lawyer appointed or previously approved by the managers, will not be entitled to reimbursement of such costs or expenses by the club without the approval of the managers.

Evidence

7.9 A member must not withhold or conceal any evidence which it is or may be relevant to disclose, or make any false statement. If such evidence is withheld or concealed or false statement is made any liabilities already incurred or reimbursed by the club must be repaid by the member.

- 8.3 The managers may at any time on notice to the member withdraw their approval of any expert or lawyer appointed to act on behalf of the member; in such circumstances the member will have no further entitlement to reimbursement of any of the costs or expenses of that expert or lawyer unless and to the extent the board otherwise determines
- 8.4 The managers may at any time appoint, on behalf of a member at the expense of the club subject to any applicable deductible, experts or lawyers to deal with any matter which may result in liabilities in respect of which the member is or may be insured by the club in whole or in part.

Effect of 8.5 non-compliance

If a member fails to comply with any requirement under rules 7 and 8, the club shall not be under any obligation to reimburse him unless the board otherwise determines.

Security

- 9.1 The club is under no obligation to provide security on behalf of a member, but where it is provided it shall be on such terms as the managers consider appropriate and shall not constitute any admission of liability by the club for the claim in respect of which it is given.
- 9.2 A member on whose behalf the club has provided security, with or without the member's express authority, shall on demand replace the security or pay to the club a sum corresponding to the amount of such security whether or not such amount may be recoverable in whole or in part from the club.

- **12.3** Every certificate of entry issued is conclusive evidence as to its terms; if the managers believe that such documentation contains any error or omission they may issue a new certificate or endorsement which will be conclusive as aforesaid.

- **13.3** The member and each joint entrant warrants that the joint entrant is, in relation to the unit:
 - (1) interested in her operation, management or manning; or
 - (2) the holding company or the beneficial owner of the member or of any person interested in her operation, management or manning; or
 - (3) a mortgagee; or
 - (4) the charterer.
- 13.4 The member warrants that he has at all times full power and authority to act in the name of and/or on behalf of all joint entrants.

Co-assureds

- 13.5 The managers may accept an application from a member for another person or persons to become co-assureds in respect of that member's entry.
- The liability of the club to a co-assured only extends insofar as he may be found liable to pay in the first instance for liabilities which are properly the responsibility of the member which, if the member has entered into a contract with the co-assured, means those liabilities which are to be borne by the member under such contract. Cover does not extend to any amount which would not have been recoverable from the club by the member had the claim been made or enforced against him or to any liabilities to be borne by any of the co-assureds under the said contract.
- **13.7** Once the club has indemnified a co-assured it shall not be under any further liability to any person in respect of that claim.

Insured parties 13.8

- 13.8 The receipt by an insured party of any sums paid by the club in respect of such an entry is sufficient discharge by the club for the same.
- 13.9 Any provision of these rules by which an insured party ceases either to be insured or to be entitled to recover from the club is deemed to apply to all insured parties. Failure by an insured party to comply with any of the obligations under these rules is deemed to be the failure of all insured parties.
- 13.10 Conduct of an insured party which would have entitled the club to decline to indemnify it is deemed to be the conduct of all insured parties.
- **13.11** The content of any communication between an insured party and the club is deemed to be within the knowledge of all insured parties.
- **13.12** The cover provided to joint entrants does not extend to any liabilities or disputes either among such joint entrants or with the member.

Charterer named as joint entrant or co-assured

- **13.13** a Unless otherwise agreed by the managers, where a charterer is named as a joint entrant or co-assured, all insured parties, including such charterer, warrant that the charterer is either:
 - (1) an affiliated or associated charterer; or
 - (2) has contracted with the member or a joint entrant for the provision of services to or by the unit and that contract has been approved by the managers
 - b Any charterer named as a co-assured in accordance with rule 13.13 a (2) above is only covered for liabilities which are to be borne by the member or other joint entrant under the terms of the relevant contract and would, if borne by the member or that joint entrant, be recoverable by either from the club.

Group entries

- **13.14** The managers may accept an entry on the basis that the unit is part of a group rating agreement and assess premiums accordingly.
- 13.15 The member or a joint entrant must be designated group principal and any communication from or on behalf of the club to the group principal is deemed to be within the knowledge of all insured parties in the group and any communication from and action taken by the group principal is deemed conclusively to be made with the full approval of any and all insured parties within that group.
- 13.16 All persons entering units or ships under a group rating agreement and the group principal remain jointly and severally liable to pay all amounts due to the club in respect of any and all units or ships in the same group.

Affiliated and associated companies

13.17 In the case of a claim which would be recoverable from the club being enforced against an affiliated or associated company of a member, but not of a joint entrant or a co-assured, such company shall, if the member so requires in writing, be entitled to recover such sum from the club but only to the extent to which the member would have been entitled to recover if the claim had been enforced against him.

Breach of warranty

- 13.18 In the event of any breach of the warranties set out in rules 10.2, 11.4 and 13.4, all insured parties' insurance shall terminate automatically from the time of the breach. In such circumstances the member shall be, and remain, liable for all premiums up to the time of the breach.
- 13.19 In the event of any breach by a joint entrant or co-assured of the warranties set out in rules 13.3 and 13.13, the joint entrant's or co-assured's insurance shall terminate automatically from the time of the breach. If a joint entrant is in breach, he shall be, and remain, liable for all premium up to the time of the breach.

Assignment

- 14.1 No insurance given by the club and no interest under these rules or under any contract between the club and any member may be assigned without the agreement of the managers. Any assignment made without such agreement shall, unless the managers otherwise determine, be of no effect and the assignee shall have no rights against the club.
- 14.2 In the event that the managers agree, the club is entitled in settling any claim presented by the assignee to deduct or retain such amount as the managers may then estimate to be sufficient to discharge any actual or potential liabilities of the assignor to the club.

SECTION I: UNIT STANDARDS AND SURVEYS

Classification and condition of units

15.1

- Unless otherwise agreed by the managers, the following are conditions of the insurance of every unit:
 - (1) The unit must be and remain fully classed with a classification society approved by the managers, or, provided agreed by the managers, remain fully approved by the government authority responsible for unit certification for the trade in question (hereafter 'society/authority').
 - (2) Any matter in respect of which the society/authority might make recommendations about action to be taken must be promptly reported to the society/authority.
 - (3) The member must comply with all the rules, recommendations and requirements of the society/authority within the time or times specified by that society/authority.
 - (4) The managers may inspect any document, and/or obtain any information relating to the maintenance of the unit's class or approval, in the possession of any society/authority with which the unit is or at any time has been classed or approved, and the member authorises such society/authority to disclose such documents and/or information to the managers for whatever purposes they may consider necessary.
 - (5) The member must comply with all statutory requirements of the unit's flag state and/or any state exercising jurisdiction over the unit relating to the construction, adaptation, condition, fitment, equipment, manning and operation of the unit and must at all times maintain the validity of such statutory certificates as are required or issued by or on behalf of the unit's flag state and/or any state exercising jurisdiction over the unit, including those in respect of the ISM and ISPS codes.
- 15.2 Unless and to the extent the board otherwise decides, a member is not entitled to any recovery in respect of any liabilities arising during a period when any of the conditions in rule 15.1 have not been complied with.

Entry surveys

15.3 The managers may, as a condition of acceptance or renewal of entry in the club, appoint a surveyor to inspect an applicant's or member's unit. In the light of such survey, the managers may decline the application, refuse to renew the entry or impose conditions on the terms of entry as they see fit.

Routine or claim surveys and reviews

15.4 The managers may at any time, or following an incident which will or may cause the member to incur liabilities for which he may be insured by the club, appoint a surveyor to inspect the unit or undertake a review of the member's operations within a specified period. If the unit is not made available for survey, or the review does not take place, within such period, no claim for recovery as a result of any incident arising after the expiry of such period will be allowed unless the board otherwise determines.

Surveys following lay-up

15.5

In the event that a member has laid the unit up for more than 90 consecutive days he must, unless otherwise agreed by the managers, notify them of his intention to operate the unit at least seven days before she resumes operating. The managers may then require the member to have the unit inspected by a surveyor appointed by them. In the event that the member does not notify the club of his intention to operate the unit, no claim for recovery will be allowed unless the board otherwise determines.

Effect on terms of entry

15.6 In the light of a survey or review the managers may:

- (1) terminate the member's entry; or
- (2) amend, vary or impose conditions on the terms of entry as they see fit.

Effect of 15.7 non-compliance

Any recommendations made by the managers or a surveyor following any survey or review must be carried out within the time specified by, and to the satisfaction of, the managers and no recovery shall be allowed in respect of any incident arising after any such recommendations have been made until they have been complied with to the satisfaction of the managers, unless the board otherwise determines.

SECTION J: PERIOD OF INSURANCE

Policy year

- 16.1 Unless otherwise agreed at the time of entry or set out in these rules, the insurance provided by the club begins at the time stated in the member's certificate of entry, and continues until noon GMT on the following 20 February, and thereafter, unless terminated in accordance with these rules, from policy year to policy year.
- 16.2 If a member does not wish to continue the insurance in respect of the unit he must give notice in writing to the managers not later than 30 days before the expiry of the period of insurance.
- **16.3** The unit may not be withdrawn at any other time or in any other manner except with the consent of the managers.

Managers'

- 16.4 The managers may, in respect of the unit, at any time and without giving any reason:
 - (1) give to a member seven days' notice that he is not entitled to any recovery in respect of any claim arising during the period from expiry of that notice until such further time as the managers specify; or
 - (2) terminate the entry on 30 days' notice in writing given not later than 30 days before the expiry of the period of insurance.

Pro-rata premium

- A member is only liable for premium in respect of the unit for the current policy year pro-rata for the period from the time stated in the member's certificate of entry until noon GMT:
 - (1) on the day ownership was legally transferred; or
 - (2) on the day the unit became an actual or constructive total loss or such later date as the managers may determine; or
 - (3) on the date of cessation of insurance.

Cessation of insurance

- 17.1 A member shall cease to be insured by the club in respect of any and all units and ships entered by him if:
 - (1) being an individual, he dies, becomes of unsound mind, or bankrupt or makes any arrangement with his creditors generally; or
 - (2) being a company, a resolution is passed for its voluntary winding-up or an order is made for its compulsory winding-up or it is dissolved or seeks protection from its creditors under any applicable bankruptcy or insolvency laws or any similar event occurs in any applicable jurisdiction.
- 17.2 A member shall cease to be insured by the club in respect of any unit entered by him if:
 - (1) he sells or assigns the whole or any part of his interest in the unit, unless the managers have agreed to such assignment and to an assignment of the relevant insurance by the club pursuant to rule 14.1; or
 - (2) the unit becomes, or is accepted by hull underwriters as, an actual or constructive total loss, or there is a compromise reached with hull underwriters, or the managers decide that the unit can be considered or deemed to be an actual or constructive total loss, except as regards liabilities flowing directly from the casualty which gave rise to the actual or constructive loss of the unit, or such later date as the managers may determine; the managers may, however, agree to extend the period of insurance on such terms as they think fit: or

- (3) notice is given under rules 16.2 to 16.4 and is not withdrawn by agreement before the expiry of the period of insurance; or
- (4) the entry is terminated or ceases in accordance with rules 15 or 16.4; or
- (5) the unit is employed by the member in a carriage, trade, voyage or operation which will thereby in any way howsoever expose the club to the risk of being or becoming subject to any sanction, prohibition or adverse action in any form whatsoever by any state or international organisation, or if the provision of insurance for a carriage, trade, voyage or operation is or becomes unlawful, prohibited or sanctionable, unless the managers shall otherwise determine.

Cancellation of insurance

- 17.3 If a member fails to pay when due and demanded by the managers any sum owing from him to the club including any sum for which he is liable under rule 13.16:
 - (1) unless and to the extent the board otherwise decides, a member will not be entitled to any recovery in respect of any claim arising from the date of such failure until the date such sum owing to the club is paid in full; and
 - (2) his insurance will be cancelled, whether or not it may already have ceased for some other reason, if after service on him of a notice stating that there are sums owing and requiring payment by a specific date he fails to pay any sum in full on or before such date.
- 17.4 The managers may, but are not obliged to, specify the amount outstanding; any inaccuracy in the demand as to the amount stated to be owing shall not invalidate the notice unless there is no sum owing at all.

Effect of cessation of insurance

- 17.5 When a member ceases to be insured in respect of any unit or at all ('the date of cessation'), then:
 - (1) such member and his successors are, and remain, liable for all premium in respect of that part of the policy year for which the unit was on risk, and previous policy years, unless otherwise agreed pursuant to rule 19; and
 - (2) the club remains liable for all claims arising out of any event occurring before the date of cessation, but is under no liability for anything occurring after the date of cessation.
- 17.6 When a member ceases to be insured by virtue of rule 17.2(2), he continues to be insured by the club in respect of wreck liabilities in accordance with rules 3.6.3 and 3.8, and on such other terms as may be agreed by the managers.

Effect of cancellation of insurance

- 17.7 When a member's insurance is cancelled under rule 17.3 the club ceases to be liable for any claims in respect of any units and ships entered by such member:
 - which may arise by reason of any event occurring after the date of cancellation; or
 - (2) which have accrued or arisen during a policy year for which sums remained owing but unpaid by the member in full or in part at the date of cancellation; or
 - (3) which may have accrued or arisen in any year other than one referred to in (2) above, whether or not the club may have admitted liability for such claims or may have known, at the date of cancellation, that a claim was likely to accrue.

SECTION K: PREMIUM

Premium

- 18.1 A member who has a unit entered in the club shall pay a fixed premium in an amount agreed between the member and the managers.
- 18.2 Where, for any reason, a return of premium is due, then unless a member notifies and submits his claim for reimbursement in writing within three months, no allowance or return shall be made unless the managers otherwise determine.

Payment

- 19.1 Any premium or other sums due shall be designated in such currency, and be payable in such manner and at such time, as the managers may specify. If any sum due is not paid on the specified date, time being of the essence, such member shall pay interest on the amount outstanding from that date until the date of payment at such rate as the board determines. The managers may, however, waive payment of interest in whole or in part.
- Lien 19.2 The club is entitled to, and the member grants, a lien on the unit in respect of any amount owed by the member to the club.

Reserves

- **19.3** The board may:
 - establish and maintain such reserves or other accounts as it thinks fit;
 - (2) transfer any sum standing to the credit of any policy year to any reserve;
 - (3) apply the sums in any reserve for any purpose and may at any time transfer sums from one reserve to another.

Investment

- **19.4** The funds of the club may be invested in any way the board may determine.
- 19.5 Unless the board otherwise determines, all funds relating to any policy year or reserve shall be pooled and invested as one fund.
- 19.6 The board may apply investment returns to any policy year or reserve as it thinks fit.

SECTION L: GENERAL TERMS AND CONDITIONS

Disclosure

20.4 The club shall be entitled to give disclosure of information relating to the member's business which has become known to the club where such disclosure is required by law, or any rule, regulation, order or direction of any authority or if necessary for the proper performance of the club's or managers' obligations.

However the club is entitled to commence and maintain any action to recover any sums which the managers may consider to be due from an insured party in any jurisdiction.
- 22.2 If any other dispute between an insured party and the club arises out of or in connection with these rules, it must first be referred to the board notwithstanding that the board may have already considered the matter which has given rise to the dispute, and such reference shall be on written submissions only.
- **22.3** No insured party is entitled to maintain any legal proceedings against the club unless and until the matter has been submitted to the board and the board has given its decision.
- 22.4 If, after the dispute has been referred to the board in accordance with rule 22.2, an insured party does not accept the decision of the board, the parties will attempt to settle it by mediation in accordance with the CEDR model mediation procedure. Unless otherwise agreed between the parties, the mediator will be nominated by CEDR. The mediation will take place in London and in English. The mediation agreement shall be governed by the substantive law of England. The English courts shall have exclusive jurisdiction to settle any claim, dispute or difference which may arise out of, or in connection with, the mediation.

Offshore P&I war risks clause 2013

Cover	1.1	Such liabilities as would be covered by the club and the member's terms of entry but for the exclusion of war risks in rule 4.3.
	1.2	This clause shall only operate in respect of the standard risks in the rules and shall not operate in respect of any special risks.
Excluded areas	2.1	At any time or times before, or at the commencement of, or during the policy year, the managers may determine that any places or areas be excluded from the cover hereunder.
	2.2	Unless otherwise agreed by the managers the cover shall cease in respect of the places or areas so determined in accordance with paragraph 2.1 upon the expiry of seven days from midnight on the day notice of such determination is given by the managers to the members.
Cancellation	3	Cover may be cancelled by either the club or the member giving seven days notice (such cancellation becoming effective upon the expiry of seven days from midnight on the day on which notice is issued by or to the club). The club agrees however to reinstate cover subject to agreement with the member prior to the expiry of such notice as to new terms of entry.
Automatic termination of cover	4	Whether or not such notice of cancellation has been given, cover shall terminate automatically:
	4.1	upon the outbreak of war (whether there be a declaration of war or not) between any of the following:
		the United Kingdom, the United States of America, France, the Russian Federation, the People's Republic of China;
	4.2	in respect of any unit if it is requisitioned either for title or use.
Five powers	5	This cover excludes
war and nuclear exclusions	5.1	loss, damage, liability or expense arising from:
	5.1.1	the outbreak of war (whether there be a declaration of war or not) between any of the following:
		the United Kingdom, the United States of America, France, the Russian Federation, the People's Republic of China;
	5.1.2	requisition either for title or use;

- 5.2 liabilities (irrespective of whether a contributory cause of the same being incurred was any neglect on the part of the member or his servants or agents) when the loss or damage, injury, illness or death or other accident in respect of which such liability arises or cost or expense is incurred, was directly or indirectly caused by or arises from:
 - ionising radiations from or contamination by radioactivity from any nuclear fuel or from any nuclear waste or from the combustion of nuclear fuel; or
 - (ii) the radioactive, toxic, explosive, or other hazardous or contaminating properties of any nuclear installation, reactor or other nuclear assembly or nuclear component thereof; or
 - (iii) any weapon or device employing atomic or nuclear fission and/ or fusion or other like reaction or radioactive force or matter; or
 - (iv) the radioactive, toxic, explosive or other hazardous or contaminating properties of any radioactive matter,

other than liabilities arising out of carriage of 'excepted matter' (as defined in the Nuclear Installations Act 1965 of the United Kingdom or any regulations made thereunder) as cargo in the unit.

This paragraph 6 overrides anything contained in this insurance inconsistent therewith.

In no case shall this insurance cover loss damage liability or expense directly or indirectly caused by or contributed to by or arising from:

any chemical, biological, bio-chemical or electromagnetic weapon;

the use or operation, as a means for inflicting harm, of any computer virus.

Where the unit is entered by the member as an owner's entry the member will maintain standard hull war risks cover with P&I inclusion clauses attached for not less than the hull value of the unit and this cover will respond only in excess of claims recoverable thereunder.

The deductible shall be that set out in the member's certificate of entry.

The limit of club cover shall be that set out in the certificate of entry or US\$150 million, any one event or series thereof in the aggregate, whichever is the lesser.

- 1.2 where such liability is not recoverable under the cover provided by the club for such liabilities and losses as would be covered under the Offshore P&I rules of the club
- 1.3 solely by reason of the operation of an exclusion of liabilities and losses directly or indirectly caused by or contributed to by or arising from
 - (1) any chemical, biological, bio-chemical or electromagnetic weapon
 - (2) the use or operation, as a means for inflicting harm, of any computer virus.
- **1.4** other than liabilities and losses arising from:

Scope of cover 1.1

- Liabilities incurred by the member set out hereunder subject to the terms, conditions, limitations and exceptions of the Offshore P&I rules of the club to the extent that they are not inconsistent herewith and which have arisen by reason of the member's interest in the unit out of events occurring during the period of entry of the unit in the club.
- 1.2 The exclusions to rule 3.6 set out in paragraphs (2) a and c, to rule 3.8 set out in paragraph (4), and set out in rule 5.9 paragraphs (3) and (4) and rule 5.11 paragraph (3) shall not apply.

Exclusions to paragraph 2.3

There shall be no recovery under paragraph 2.3:

- (1) for liabilities which do not fall within the standard risks set out in rule 3 of the P&I rules of the club, including liabilities which arise under the terms of an indemnity or contract falling outside the standard rule 3 cover;
- (2) in respect of liabilities which would have been recoverable under the chartered or hired ship's P&I entry had it been fully entered for standard P&I risks with a member of the International Group of P&I clubs;
- (3) if the relevant charterparty or contract of hire does not contain a knock-for-knock provision as defined in Section N of the P&I rules of the club, unless otherwise agreed by the managers.

Pollution

- 2.4.1 Liabilities under the terms of any contract in respect of remedial measures and/or personal injury and/or death and/or loss of, damage to or loss of use of property, caused directly by seepage, pollution or contamination from any hole or well in respect of which the unit is employed or utilised.

Sue and labour 2.6

Exclusion to paragraph 2.6

Unless the managers or the board otherwise decide, there shall be deducted from such costs and expenses the deductible which would have been applicable had the liability or expenditure against which the member is insured by the club been incurred.

Legal costs

2.7

3

Exclusions

There shall be no recovery for liabilities:

- (1) for which the member would be covered if the unit were entered in the club for standard risks under the Offshore P&I rules;

- (7) arising out of the use, ownership or possession of motor vehicles on public highways compulsorily insurable by legislation or for which the government or other authority has accepted responsibility;
- (8) arising out of the death or illness of or injury to any person recoverable under any applicable state scheme or collective agreement, including such liabilities which are not recoverable under such scheme or agreement by reason of a breach of the relevant terms or conditions:
- (9) arising out of an interest as owner, operator or charterer, or by reason of an agreement for the lease, rental or hire, of any aircraft and/or helicopter.

Scope of recovery

If a member incurs any of the liabilities set out in paragraph 2, he is entitled to recover the net amount of such liabilities, after deduction of any costs and expenses which would have been incurred in any event together with any savings accruing to him and any recoveries made or additional revenue earned by him, unless otherwise agreed by the managers.

Deductible and 5 limit of cover

The applicable deductible and limit of club cover shall be that set out in the member's certificate of entry.
