P&I and Defence Rules  
and Correspondents

**P&I Rules**

## SECTION A: INSURANCE

- 1.1** The rules, which are subject to the articles, contain the terms upon which P&I cover is given by the club.
- 1.2** The standard risks against which a member is insured are set out in rule 3.
  - 1.3.1** A member may be insured in respect of risks other than those set out in rule 3, or in respect of risks otherwise excluded, where such risks have been agreed by the managers.
  - 1.3.2** Any such risks are covered subject to the terms, conditions, limitations and exclusions of the rules.
  - 1.3.3** The managers may reinsure any such risk and, in the event that such reinsurance is arranged, the member is entitled to recover from the club only the net amount actually recovered under such reinsurance together with that portion of the risk retained by the club, whether or not the member has notice of such reinsurance, its terms or the identity of the reinsurers.
- 1.4** No act, omission, course of dealing or forbearance or reimbursement by the club shall be treated as any evidence of a waiver of the club's rights under the rules.
  - 1.5.1** The rules and any contract of insurance between the club and any insured party are governed by and construed in accordance with English law. In particular, they are subject to and incorporate the Marine Insurance Act 1906 and, upon its entry into force, the Insurance Act 2015 and any statutory modifications thereto unless such Acts or modifications may have been excluded by the rules or by any term of such contract.
  - 1.5.2** The following provisions of the Insurance Act 2015 ('the Act') are excluded from the rules and any contract of insurance as follows:
    - (1)** Section 8 and Section 14 of the Act are excluded. As a result, any breach of the duty of fair presentation and/or the duty of utmost good faith shall entitle the club to avoid the policy in all circumstances.
    - (2)** Section 10 of the Act is excluded. As a result, if the member or any insured party fails to comply with any warranty in these rules or any contract of insurance, the club shall be discharged from liability from the date of the breach even if the breach is subsequently remedied.
    - (3)** Section 11 of the Act is excluded. As a result, if the member or any insured party fails to comply with any term in these rules or any contract of insurance, the club's liability may be excluded, limited or discharged in accordance with these rules notwithstanding that the breach could not have increased the risk of the loss which actually occurred.

- (4) Section 13 of the Act is excluded. As a result, the club shall be entitled to exercise its right to terminate the contract of insurance in respect of the member and all insured parties in the event that a fraudulent claim is submitted by or on behalf of the member and/or any insured party and/or any affiliated or associated company of the member.
- (5) Section 13(A) of the Act is excluded. As a result, these rules or any contract of insurance between the club, the member and any insured party shall not be subject to any implied term that the club will pay any sums due in respect of a claim within a reasonable time save that the club may not deliberately or recklessly fail to do so.

**1.6** The terms of entry and the insurance provided by the club do not confer any right or benefit on any third party under the Contracts (Rights of Third Parties) Act 1999, except to the extent provided in rule 6.16.

## SECTION B: SCOPE OF COVER

- 2.1** The liabilities in respect of which a member is insured by the club must have arisen by reason of the member's interest in the ship, out of events occurring during the period of the ship's entry in the club and in connection with the operation of the ship.
- 2.2** Under a charterer's entry, a member is entitled to recover for his liability to indemnify another person in respect of the risks set out in rule 3.
- 2.3** Where such liabilities would not have arisen but for the terms of any contract or indemnity, the contract or indemnity must either correspond to any specific requirements set out in rule 3 or rule 5, or have been approved by the managers.
- 2.4** A member's insurance is subject to the warranties, conditions, exceptions, limitations and other terms set out in the rules and the certificate of entry.
- 2.5** A member is not insured for any liabilities incurred by him in a capacity other than that in which he has entered into the contract of insurance with the club.

## SECTION C: RISKS COVERED

- Crew injury, illness or death**    **3.1.1**    Liabilities in respect of crew injury, illness or death.
- Repatriation**    **3.1.2**    Liabilities in respect of crew repatriation.  
**Exclusion to rule 3.1.2**  
Liabilities arising out of the termination of any agreement, or the sale of the ship, or any other act of the member in respect of the ship, unless the board considers that such termination or other act was necessary in the interests of the safety of the ship or crew, or the proper running of the ship.
- Substitute expenses**    **3.1.3**    Expenses necessarily incurred in sending substitutes to replace crew who have died, are incapacitated or who have been left ashore in consequence of injury, illness or desertion. Wages are only recoverable when payable to substitutes, while awaiting and during repatriation.
- Loss of effects**    **3.1.4**    Loss of crew effects, excluding valuables.
- Shipwreck unemployment indemnity**    **3.1.5**    Wages or other compensation payable to crew arising out of the actual or constructive total loss of the ship.
- Port expenses**    **3.1.6**    Port and other charges as set out in rule 3.4 incurred in relation to crew.
- Passengers**    **3.2.1**    Liabilities in respect of the injury, illness or death of a passenger.
- 3.2.2**    Liabilities to passengers arising out of a casualty while they are on board the ship. For the purpose of this rule, ‘casualty’ means collision, stranding, explosion, fire or any other cause affecting the condition of the ship so as to render her incapable of safe navigation to her intended destination; or a threat to the life, health or safety of passengers.
- 3.2.3**    Loss of or damage to a passenger’s baggage or effects, excluding valuables.
- 3.2.4**    In respect of any liabilities arising under rule 3.2, the passenger contract must relieve the member of liability to the maximum extent permitted under the applicable law.
- Exclusions to rule 3.2**
- (1)** Liabilities arising out of the carriage of a passenger by air unless they occur:
- a** during repatriation of an injured or sick passenger, or following a casualty to the ship; or
  - b** during excursions from the ship, subject to exclusion (2) below.

		(2) Contractual liabilities arising in respect of a passenger while on an excursion from the ship in circumstances where either: <ul style="list-style-type: none"> <li>a a separate contract has been entered into by the passenger for the excursion, whether or not with the member; or</li> <li>b the member has waived any rights of recourse against any sub-contractor or other third party in respect of the excursion.</li> </ul>
<b>Third parties</b>	<b>3.3</b>	Liabilities in respect of the injury, illness or death of any person other than crew or passengers.
<b>Stowaways and refugees: port charges</b>	<b>3.4</b>	Port and other charges solely incurred for the purpose of landing stowaways or refugees, or others saved at sea, or landing or securing the necessary treatment for an injured or sick person, other than crew, including the net loss to the member in respect of fuel, insurance, wages, stores and provisions incurred for such purpose.
<b>Life salvage</b>	<b>3.5</b>	Sums due to a third party because he has saved or attempted to save the life of any person on or from the ship.
<b>Collision with other ships</b>	<b>3.6.1</b>	One-fourth, or such other proportion agreed by the managers, of the liabilities arising out of a collision other than those set out in rule 3.6.3.
	<b>3.6.2</b>	Under a charterer's entry, four-fourths of the liabilities arising out of a collision.
	<b>3.6.3</b>	The liabilities arising out of a collision relating to: <ul style="list-style-type: none"> <li>(1) the raising, removing, destroying, lighting or marking of wrecks, cargo or other property</li> <li>(2) damage done by such other ship to any property not being another ship or any cargo or other property therein</li> <li>(3) loss of or damage to cargo or other property being carried in the ship; if the cargo is the property of the member, it is deemed to be fully insured and the member is entitled only to recover from the club the amount by which such indemnity exceeds the sum recoverable under such insurance</li> <li>(4) the injury, illness or death of any person on board such other ship</li> <li>(5) pollution liabilities as may be covered under rule 3.8.</li> </ul>
	<b>3.6.4</b>	That part of the member's collision liability which exceeds the sum recoverable under the hull policies solely by reason of such liability exceeding the valuation of the ship in those policies. However, the board may determine the proper value (being the market value of the ship without commitment) for which the ship should have been insured under the hull policies, and the club shall pay only the excess of the amount which would have been recoverable if the ship had been insured thereunder at such value.

**Damage to other ships (other than by collision)**

**3.6.5** There will be no recovery from the club insofar as such collision liabilities are not recoverable under the hull policies by reason of any breach of such policies.

**3.6.6** If both ships are to blame then, unless the liability of the owners of one or both of them becomes limited by law, claims shall be settled upon the principle of cross-liabilities.

**3.7** Liabilities for loss of or damage to, delay to, interference with rights in relation to, or liability for salvage or wreck removal costs incurred in respect of, any other ship or any cargo or other property therein caused other than by collision with the ship.

**Pollution**

**3.8.1** Liabilities arising out of the discharge or escape from the ship of any substance.

**3.8.2** The costs of any measures reasonably taken after the discharge or escape of any substance from the ship for the purpose of avoiding or minimising any resulting loss, damage or contamination, or cleaning up any resulting pollution, together with liability for any loss of or damage to property caused by any measures so taken.

**3.8.3** The costs of any measures reasonably taken to prevent an imminent danger of the discharge or escape from the ship of any substance.

**3.8.4** Extraordinary liabilities incurred as a result of complying with any order or direction given or any measures taken by any authority in connection with the ship or her cargo for preventing or reducing pollution or the risk thereof by the escape from the ship of any substance, excluding any permanent structural alteration to the ship.

**3.8.5** Liabilities under a salvage agreement to compensate salvors for work done or measures taken to prevent or reduce pollution or the risk thereof by the escape from the ship of any substance.

**3.8.6** Liabilities incurred after the ship has become a wreck arising from the discharge or escape from such wreck of any substance.

**3.8.7** Liabilities for which a member may be liable or otherwise incurs as a party to STOPIA and/or TOPIA. A member insured in respect of a 'relevant ship' as defined in STOPIA and/or TOPIA shall, unless otherwise agreed by the managers, be a party to STOPIA and/or TOPIA for the period of entry of that ship in the club. Unless agreed by the managers or the board otherwise determines, there shall be no cover under rule 3.8 in respect of such ship during a period when the member is not a party to STOPIA and/or TOPIA.

**3.8.8** Liabilities in respect of pollution where such liabilities arise under rules 3.6, 3.7, 3.9, 3.10, 3.11 and 3.19.

### Exclusions to rule 3.8

Unless the board otherwise determines, there shall be no recovery in respect of:

- (1) liabilities which but for the terms of any contract of carriage would have been allowed in general average adjusted under the unamended York Antwerp Rules 1994 or the unamended York Antwerp Rules 2016.
- (2) liabilities, loss or damage including, without limitation, liability for the cost of any remedial works or clean-up operations, arising as a result of the presence in, or the escape or discharge or threat of escape or discharge from, any land based dump, site, storage or disposal facility of any substance previously carried on the ship whether as cargo, fuel, stores or waste and whether at any time mixed in whole or in part with any other substance whatsoever.

#### Damage to property (other than by pollution)

- 3.9** Liabilities for loss of or damage to, or interference with rights in relation to, any property not being any ship or any cargo or other property therein or the cargo or other property intended to be or being or having been carried in the ship.

#### Towage of the ship

- 3.10.1** Liabilities under the terms of a contract for the towage of the ship which:
- (1) relate to the risks set out in the other paragraphs of rule 3;
  - (2) arise under a contract for towage undertaken in the ordinary course of trading for the purpose of entering, leaving or manoeuvring within a port; or
  - (3) arise under a contract for the towage of cargo barges; or
  - (4) arise under a contract which has been approved by the managers.

#### Towage by the ship

- 3.10.2** Liabilities under the terms of a contract for, or arising out of, the towage by the ship of any ship or object where:
- (1) such liabilities relate to the risks set out in the other paragraphs of rule 3; and
  - (2) the towage is undertaken for the purpose of saving life or property at sea; or
  - (3) the ship is towing under a United Kingdom, Netherlands or Scandinavian standard towage contract, the current Lloyd's standard form of salvage agreement – no cure no pay, or other towage contract containing similar exclusions of liabilities to these market forms; or
  - (4) the contract is on knock-for-knock terms; or

## Wreck liabilities

- (5) a contract on knock-for-knock terms is likely to be unlawful or unenforceable in whole or part and the contract under which the towage takes place:

  - a does not impose on the member any liability to any person arising out of any act, neglect or default of the owner of the tow or any other person; and
  - b limits the liability of the member, or preserves his right to limit, to the maximum extent possible by law; or
- (6) the contract has been approved by the managers.
- 3.11.1** Liabilities for or incidental to the raising, removal, destruction, lighting or marking of the wreck of the ship. The value of the wreck and all stores and materials saved must be deducted from any reimbursement and only the balance is recoverable.
- 3.11.2** Liabilities resulting from the actual or attempted raising, removal or destruction of the wreck of the ship, cargo or any other property on board.
- 3.11.3** Liabilities resulting from the presence or involuntary shifting of the wreck of the ship, cargo or any other property on board caused by the casualty which led to the loss of the ship, cargo or any other property on board. Unless the board otherwise determines, a member is not entitled to be reimbursed by the club in respect of any liability incurred more than two years after the ship, cargo or any other property on board became a wreck.
- 3.11.4** Liabilities for or incidental to the raising, removal, destruction or disposal of cargo or any other property which is being, or has been, carried on the ship. The value of all cargo or any other property saved accruing to the member must be deducted from any reimbursement and only the balance is recoverable.

### Exclusions to rule 3.11

- (1) There shall be no recovery if the member has, without the agreement of the managers, transferred his interest in the wreck other than by abandonment, at any time after the ship became a wreck.
- (2) There shall be no recovery unless the raising, removal, destruction, lighting or marking of the wreck, or the raising, removal, destruction or disposal of cargo or any other property, was compulsory by law or was undertaken with the agreement of the managers.
- (3) Unless the board otherwise determines, a member is not entitled to reimbursement in respect of any liability unless he took reasonable measures to raise, remove, destroy, light or mark the wreck, or raise, remove, destroy or dispose of cargo or any other property.

- (4) Unless the board otherwise determines, there shall be no recovery unless the member has contracted for removal of the wreck on terms which have been approved by the managers.
- (5) There shall be no recovery in respect of liabilities for or incidental to the raising, removal, destruction, lighting or marking of the wreck of the ship unless the ship became a wreck as a result of a casualty. For the purpose of this rule, 'casualty' means collision, stranding, explosion, fire or similar fortuitous event, but excludes any wreck caused by dereliction or neglect.

## Quarantine expenses

- 3.12** Expenses incurred as a direct consequence of an outbreak of infectious disease on the ship, including quarantine and disinfection expenses, and the net loss to the member in respect of fuel, insurance, wages, stores, provisions, cargo handling and port charges.

### Exclusion to rule 3.12

There shall be no recovery if at the time the ship was chartered to or was under orders from the member or her managers to proceed to a port it was known, or should in the board's view reasonably have been anticipated, that she would be quarantined.

## Cargo liabilities

- 3.13.1** Liabilities for loss or shortage of, or damage to, or other responsibility in respect of, cargo or other property intended to be, or being, or having been carried in, on or by the ship arising out of any breach by the member, or by any person for whose acts, neglect or default he may be legally liable, of his obligation properly to load, handle, stow, carry, keep, care for, discharge and deliver such cargo or property, or out of unseaworthiness or unfitness of the ship.

- 3.13.2** The extra costs incurred by the member:

- (1) in the actual discharge or disposal of damaged or worthless cargo, provided that he can only recover such costs if he has no recourse to recover them from any other party; or
- (2) as a direct consequence of the failure by cargo interests to collect or remove cargo from the place of discharge or delivery, provided that he can only recover such costs to the extent they exceed the proceeds of the sale of the cargo and he has no recourse to recover them from any other party.

- 3.13.3** Liabilities for loss of or damage to or other responsibility to cargo or other property being carried by means of transport other than the ship under a contract of carriage, approved by the managers, providing for carriage partly to be performed by the ship.

### Exclusions to rule 3.13

Unless the board otherwise determines, there shall be no recovery in respect of liabilities arising out of:

**Hague and  
Hague-Visby  
Rules**

(1) the carriage of cargo on contractual terms more onerous to the carrier than those of the Hague or Hague-Visby Rules, or equally wide exemptions of the carrier from liability, save where it is on such terms solely by reason of the incorporation by law of the Hamburg Rules or parts thereof, to the extent that the liabilities exceed those which would have been incurred had the contract been on the Hague, Hague-Visby or Hamburg terms as applicable, unless the contract has been approved in advance by the managers

**Deviation**

(2) a deviation, or as a consequence of a deviation, from the contractually agreed voyage, which may deprive the member of the right to rely on defences or rights of limitation which would otherwise have been available to him, unless the managers have agreed that cover may continue unprejudiced

**Loading**

(3) the failure to arrive or late arrival of the ship at a port of loading, or the failure to load or delay in loading any particular cargo other than under a bill of lading already issued

**Discharge**

(4) the discharge of cargo at a place other than that stipulated in the contract of carriage

**Documentation  
and delivery**

(5) the delivery of cargo carried under a negotiable document of title (including an electronic bill of lading) without production (or the equivalent thereof in the case of an electronic bill of lading) of that document by the person to whom delivery is made except where the cargo has been carried:

- a** under the terms of a non-negotiable document, and has been properly delivered as required by that document, notwithstanding that the member may be liable under the terms of a negotiable document of title issued by or on behalf of a party other than the member providing for carriage in part upon the ship and in part upon another ship or by another mode of transport; or
- b** under the terms of an electronic trading system approved by the managers and has been properly delivered to the person so entitled in accordance therewith.

(6) delivery of cargo carried under a non-negotiable document without production of such document by the person to whom delivery is made, where such production is required by the express terms of that document or the law to which that document, or the contract of carriage contained in or evidenced by it, is subject, except where the member is required by any other law to which he is subject to deliver or relinquish custody or control of the cargo, without production of such document

**Finished steel products**

- (7) the issue of a document containing or evidencing the contract of carriage recording the loading or shipment or receipt for shipment on a date other than the date on which the cargo was in fact loaded, shipped or received
- (8) a document containing or evidencing the contract of carriage issued with the knowledge of the member or his master with an incorrect description of the cargo or its quantity or condition
- (9) the carriage of finished steel products, unless the member has arranged for a preloading survey to be carried out by a club-approved surveyor at each port of shipment, and the bills of lading have been claused in accordance with the findings of the surveyor as to the condition of cargo at the time of loading

**Deck cargo**

- (10) loss of, damage to or responsibility in respect of cargo carried on deck unless it is carried under a contract of carriage which permits it to be carried on deck and the contract states that it is being so carried and either it exonerates the member from all liability in respect of such cargo or it applies the Hague or Hague-Visby Rules to such cargo, or it is customary to carry such cargo on deck, or such carriage has been approved by the managers

**Valuables**

- (11) the carriage of valuables, unless such carriage has been approved by the managers

**Value declared on bill of lading**

- (12) goods carried under a document containing or evidencing the contract of carriage where the value per unit, piece or package has been stated to be in excess of US\$2,500, or the equivalent in any other currency, which may deprive the member of the right to rely on defences or rights of limitation which would otherwise have been available to him, to the extent that such liabilities exceed that sum.

**Unrecoverable general average contributions 3.14**

The proportion of general average, special charges or salvage which the member is or would be entitled to claim from cargo or from another party which is not recoverable solely by reason of a breach of the contract of carriage.

**Exclusions to rule 3.14**

- (1) If the contribution is irrecoverable by reason of a deviation, rule 3.13 exclusion (2) applies to any claim under rule 3.14.
- (2) The board may reject or reduce a claim if the contract of carriage under which the cargo was being carried did not include Article IV Rule (2)(a) of the Hague Rules, as amended by the Hague-Visby Rules, or an equally wide exemption from liability.

**Ship's  
proportion  
of general  
average**

**3.15** Ship's proportion of general average, special charges or salvage not recoverable under the hull policies by reason of the value of the ship being assessed at a sound value in excess of the insured value under the hull policies. The board may determine the proper value (being the market value of the ship without commitment) for which the ship should have been insured under the hull policies, and the club shall pay only the amount of the ship's proportion of general average which would not have been recoverable under the hull policies, if the ship had been insured thereunder at such value.

**Fines**

**3.16** Fines imposed on the member or upon any other person whom he reasonably reimburses or is legally liable to indemnify:

**3.16.1** for short or over delivery of cargo, or for failure to comply with regulations concerning the declaration of goods or the documentation of cargo

**3.16.2** for smuggling or breach of any customs or immigration law or regulation

**3.16.3** in respect of the accidental escape or discharge of any substance, so long as the member is insured for pollution liabilities by the club subject to his terms of entry and the relevant limit of liability.

**3.16.4** for any other matter to the extent that the member has satisfied the board that he took all such steps as appear to the board to be reasonable to avoid the event giving rise to the fine; in addition, any amounts claimed in respect of such fine are recoverable only to the extent the board may determine.

**Exclusions to rule 3.16**

Unless the board otherwise determines, there shall be no recovery in respect of a fine imposed for or arising out of:

- (1)** overloading
- (2)** illegal fishing
- (3)** any personal act or default on the part of the member or his managers
- (4)** wilful misconduct on the part of any person unless the member has been compelled by law to pay the fine.

**Enquiry expenses**

**3.17** Costs and expenses incurred in protecting a member's interests before a formal enquiry into a casualty to the ship where, in the opinion of the managers, a claim upon the club is likely to arise, or in other cases as the board determines.

**Confiscation of ship by customs authorities**

**3.18** Loss of the ship following its confiscation by any legally empowered body in respect of the infringement of any customs law or regulation but only if and to the extent that, notwithstanding rule 5.1, the board decides that the member shall recover from the club.

**Exclusions to rule 3.18**

- (1)** The amount recoverable shall not exceed the market value of the ship at the date of the confiscation.
- (2)** The member must have satisfied the board that he took all such steps as appear to the board to be reasonable to prevent the infringement of the customs law or regulation giving rise to the confiscation.
- (3)** No claim will be considered by the board until the member has been deprived of his interest in the ship.

**Sue and labour**

**3.19** Extraordinary costs and expenses, including legal, survey, expert and correspondent fees, reasonably incurred on or after the occurrence of any event liable to give rise to a claim upon the club and incurred solely for the purpose of avoiding or minimising any liability against which the member is insured by the club, but only to the extent that those costs and expenses have been incurred with the prior agreement of the managers, or to the extent that the board determines.

**Exclusion to rule 3.19**

Unless the managers or the board otherwise decide, there shall be deducted from such costs and expenses the deductible which would have been applicable had the liability or expenditure against which the member is insured by the club been incurred.

**Omnibus**

**3.20** Any liabilities which the board may determine to be within the scope of club cover, but only to the extent that it decides that the member shall recover from the club.

## SECTION D: EXCLUDED RISKS

### Risks covered by hull and war risks policies

**4.1** Unless otherwise agreed by the managers, there shall be no recovery from the club in respect of any liabilities which would be recoverable from underwriters if the ship were, at the time of the incident giving rise to such liabilities, fully insured under hull policies on terms equivalent to those of the usual Lloyd's marine policy with the Institute Time Clauses (Hulls) 1.10.83 attached or to the extent that the ship was fully insured to a proper value (being the market value of the ship without commitment) under a P&I war risks policy including piracy risks. The board may determine the proper value for which the ship should have been insured under the P&I war risks policy. Unless otherwise agreed by the managers, there shall be no recovery in respect of any franchise or deductible borne by the member under such policies.

### Double insurance

**4.2** Unless otherwise agreed by the managers, there shall be no recovery in respect of any liabilities recoverable under any other insurance or which would have been so recoverable:

- (1)** apart from any terms in such other insurance excluding or limiting liability on the ground of double insurance; and
- (2)** if the ship had not been entered in the club with cover for the risks set out in the rules.

  - a** the transport of any such weapons whether on board the ship or not; or
  - b** the use of any such weapons, either as a result of government order or with the agreement of the board or the managers, where the reason for such use was the avoidance or mitigation of liabilities which would otherwise fall within the cover given by the club.

In the event of any dispute as to whether or not any act constitutes an act of terrorism, the decision of the board shall be final.

**Radioactive contamination**

**4.4**

There shall be no recovery in respect of any liabilities, irrespective of whether a contributory cause of the same being incurred was any neglect on the part of the member or his servants or agents, directly or indirectly caused by or arising from:

- (8)** any other guarantee, certificate or undertaking issued by the club pursuant to any statute, convention, treaty or law.

- 4.6** The member shall indemnify the club to the extent that any payment under any such guarantee, undertaking or certificate is or would have been recoverable in whole or in part under a standard P&I war risks policy had the member complied with the terms and conditions thereof.

## SECTION F: SCOPE OF RECOVERY AND LIMITS

### Net loss

- 6.1** If a member incurs any of the liabilities set out in rule 3, he is entitled to recover the net amount of such liabilities, deducting any costs and expenses which would have been incurred in any event together with any savings accruing to him and any recoveries made by him, unless otherwise agreed by the managers.

### Limits of recovery

- 6.2.1** Unless and to the extent the board otherwise determines, under no circumstances shall the recovery by any person exceed:

- (1)** the amount to which the member is entitled to limit his liability, or would have been so entitled under any relevant law had he so petitioned;
- (2)** any other limit contained in these rules or set out in the member's certificate of entry;
- (3)** if less than the full tonnage of the ship is entered in the club, such proportion of the amount referred to in rule 6.1, or the limits referred to in paragraphs (1) and (2) above, as the entered tonnage bears to the full tonnage of the ship.

- 6.2.2** If the claims of all insured parties in respect of liabilities insured by the club exceed or may exceed in the aggregate any limit of cover set out in the rules or in the certificate of entry:

- (1)** the member shall be entitled to recover in respect of such claims in priority to the claims of any other insured parties and any joint entrants shall be entitled to recover in respect of such claims in priority to the claims of any co-assureds;
- (2)** where the aggregate of the claims of the member exceeds or may exceed the said limit, the member shall be entitled to recover in respect of such claims to the exclusion of any claims of any other insured parties;
- (3)** where the aggregate of the claims of any joint entrants exceeds or may exceed the said limit or any part thereof remaining after application of rule 6.2.2(1), any joint entrant shall be entitled to recover in respect of such claims:
  - a** to the exclusion of any claims of any co-assureds; and
  - b** only such proportion of the remaining part of the limit as the claim of that joint entrant bears to the total of all claims of all joint entrants;
- (4)** where the aggregate of the claims of any co-assureds exceeds or may exceed the said limit or any part thereof remaining after the application of rules 6.2.2(1) and (3), any co-assured shall be entitled to recover in respect of such claims only such proportion of the remaining part of the limit as the claim of that co-assured bears to the total of all claims of all co-assureds.

- 6.2.3** If in the opinion of the managers the claims of all insured parties in the aggregate exceed or may exceed any limit set out in the rules or in the certificate of entry, the managers may defer payment of a claim or any part thereof.

**Recovery  
by owner for  
oil pollution  
claims**

- 6.2.4** Where a guarantee, undertaking or certificate provided for in rule 4.5 has been issued and, in the opinion of the managers, the claims of all insured parties in the aggregate exceed or may exceed any limit set out in the rules or in the certificate of entry, the managers:
- (1)** may defer payment of a claim or any part thereof as they see fit; and
  - (2)** shall not be under any obligation to reimburse a member until they are satisfied that all liabilities arising under demands made or which may be made under any such guarantee, undertaking or certificate have been or can be satisfied within such limit.
- 6.3** Any limits on the cover provided by the club apply in the aggregate to all insured parties and affiliated or associated companies.
- 6.4** The club shall not be liable to any insured party in respect of any liabilities except to the extent of the funds which the club is able to recover from the members or other persons liable for the same.
- 6.5.1** Subject to any lower limits of cover contained in the rules or set out in the member's certificate of entry, the following limits apply:
- (1)** the aggregate liability of the club for all claims in respect of oil pollution arising under any one owner's entry, including all claims arising in respect of charterers insured as joint entrants or as co-assureds under any one owner's entry, shall be limited to US\$1 billion any one event;
  - (2)** in the event that there is more than one owner's entry in respect of the same ship with the club and/or with any other insurer participating in the Pooling Agreement, the aggregate recovery for all claims in respect of oil pollution arising under such owners' entries shall not exceed US\$1 billion any one event, and the liability of the club under each such owner's entry shall be limited to such proportion of US\$1 billion as the claims arising under that owner's entry bear to the aggregate of all such claims recoverable from the club and any such other insurer;
  - (3)** when the ship entered under an owner's entry provides salvage or other assistance to another ship following a casualty, all claims in respect of oil pollution howsoever arising incurred by the ship shall be aggregated with all claims in respect of oil pollution incurred by any other ships whilst engaged in providing salvage or other assistance in connection with the same casualty, when and to the extent that those ships either:
    - a** are entered under owners' entries in the club and covered for the oil pollution risks set out in rule 3.8; or
    - b** are covered for those risks under owners' entries with any other club participating in the Pooling Agreement.

In such circumstances, the limit of liability of the club in respect of the ship shall be such proportion of US\$1 billion as the said claims for oil pollution incurred by the ship bear to the aggregate of all claims in respect of oil pollution of all such other ships in connection with the said casualty.

**6.5.2** For the purpose of this rule 'claims in respect of oil pollution' means liabilities, costs and expenses, howsoever incurred, in respect of or relating to a discharge or escape of oil or any threat or consequence of such discharge or escape, but excluding liability for loss of or damage to such oil.

**Recovery by  
owner for  
passenger and  
crew claims**

**6.6** For the purposes of rules 6.6, 6.7 and 6.8, and without prejudice to anything else contained in the rules, 'passenger' means a person carried onboard a ship under a contract of carriage or who, with the consent of the carrier, is accompanying a vehicle or live animals covered by a contract for the carriage of goods, and 'crew' means any other person onboard a ship who is not a passenger.

**6.7** Unless otherwise limited to a lesser sum, the club's aggregate liability arising under any one owner's entry shall not exceed:

- (1)** US\$2 billion any one event in respect of liability to passengers; and
- (2)** US\$3 billion any one event in respect of liability to passengers and crew.

**6.8** Where there is more than one owner's entry in respect of the same ship in the club and/or with any other insurer participating in the Pooling Agreement:

- (1)** the aggregate of claims in respect of liability to passengers recoverable from the club and/or such other insurers shall not exceed US\$2 billion any one event and the liability of the club shall be limited to such proportion of that sum as the claim recoverable by such persons from the club bears to the aggregate of all such claims otherwise recoverable from the club and all such insurers;
- (2)** the aggregate of all claims in respect of liability to passengers and crew recoverable from the club and/or such other insurers shall not exceed US\$3 billion any one event and the liability of the club shall be limited:
  - a** where claims in respect of liability to passengers have been limited to US\$2 billion in accordance with rule 6.8(1), to such proportion of the balance of US\$1 billion as the claims recoverable by such persons in respect of liability to crew bears to the aggregate of all such claims otherwise recoverable from the club and all such insurers; and

- b** in all other cases, to such proportion of US\$3 billion as the claims recoverable by such persons in respect of liability to passengers and crew bears to the aggregate of all such claims otherwise recoverable from the club and all such insurers.

**Recovery by charterer and consortiums**

**6.9** Subject to any lower limitations of cover contained in the rules or set out in the member's certificate of entry, and unless otherwise agreed by the managers, the following limits apply:

**Charterer**

- (1)** in respect of all claims arising under any one charterer's entry, or arising in respect of charterers insured as joint entrants or as co-assureds under any one owner's entry, or arising out of the member's capacity as slot or space charterer, recovery is limited to US\$350 million any one event;

**Consortiums**

- (2)** in respect of any claim against the member arising out of the carriage of cargo in whole or in part on other ships not owned or chartered by the member operating in a consortium or joint service of which the member is a party at the relevant time, all insured parties covered under the same group rating agreement are not entitled to recover in respect of all the ships employed under that consortium or joint service more than US\$350 million in the aggregate any one event;
- (3)** where all insured parties covered under the same group rating agreement have more than one ship employed under a consortium or joint service at the material time and one or more of those ships is entered with any other insurer participating in the Pooling Agreement, the liability of the club to all insured parties covered under the same group rating agreement is limited to such proportion of US\$350 million as the claims incurred by the club in respect of the ships bear to the aggregate of all such claims incurred by the club and any such other insurers.

**Member's property**

**6.10** If a claim arises following a collision involving two ships belonging to the same member, he is entitled to recover from the club, and the club has the same rights, as if the ships had belonged to different owners.

**6.11** If a claim arises under rules 3.7 or 3.9 following loss of or damage to any ship, cargo or other property or object belonging to the member in respect of whose ship the claim arose, the member is entitled to recover from the club, and the club has the same rights, as if such ship, cargo or other property or object lost or damaged had belonged to a third party, but only to the extent that such loss or damage is not recoverable under any other insurance upon the said ship, cargo or other property or object.

- 6.12** If the cargo in respect of which a claim arises under rule 3.13 is the property of the member, he is entitled, subject to the exclusions to rule 3.13, to recover such liabilities as would have been recoverable if that property belonged to a third party and that third party had concluded a contract of carriage with the member.
- Amounts owing to the club**
- 6.13** The club is not liable to make any payment in respect of any claim while any sum is due from the member, or due in respect of a ship entered under the same group rating agreement; however, if any payment is made, the club may deduct any sum which is due from a member relating to any policy year.
- Interest**
- 6.14** In no case is interest payable on sums due from the club.
- Pay to be paid**
- 6.15** Unless the managers otherwise determine, it is a condition precedent of a member's right to recover in respect of any liabilities that he must have first discharged or paid the same out of funds belonging to him unconditionally and not by way of loan or otherwise.
- Crew claims**
- 6.16.1** Notwithstanding rule 6.15, where a member has failed to discharge a legal liability to pay damages or compensation for crew injury, illness or death, the club shall discharge or pay such claim on the member's behalf directly to such crewmember or dependant thereof.
- 6.16.2** There shall be no recovery unless the crewmember or dependant has no enforceable right of recovery against any other party and would otherwise be uncompensated.
- 6.16.3** Subject to rule 6.16.4, the amount payable by the club shall under no circumstances exceed the amount which the member would have been able to recover from the club under the rules and his terms of entry.
- 6.16.4** Where the club is under no liability to the member by virtue of rule 17.3, the club shall nevertheless discharge or pay that claim to the extent only that it arises from an event occurring prior to the date of cancellation, but as agent only of the member, and the member shall be liable to reimburse the club for the full amount of such claim.
- Deductibles**
- 6.17** Any sum recoverable, including fees, costs and expenses, shall be subject to such deductible as has been agreed by the managers or, if not so agreed, shall be subject to the standard deductibles determined by the board from time to time. Unless otherwise agreed, deductibles shall apply any one event.
- 6.18** The club may undertake the defence of a member or institute legal proceedings on his behalf in respect of any amount not recoverable by reason of any deductible in order to ascertain the legal position of the member. Although the club may pay the costs of such legal proceedings, the member shall bear any damages therein adjudged or awarded against him.

<b>Wilful misconduct</b>	<b>6.19</b>	Unless the board otherwise decides, no claim is recoverable in respect of any liabilities which in its opinion have been incurred owing to the privity or wilful misconduct of an insured party.
<b>Obligation to sue and labour</b>	<b>6.20</b>	A member must at all times take all reasonable steps to avoid or minimise any loss, damage or liability in respect of which he may be insured by the club. If a member is in breach of this obligation, the board may reject any claim by the member for reimbursement or reduce the sum payable by the club.
<b>Waiver of subrogation</b>	<b>6.21</b>	Where a charterer or other party is named as a joint entrant or co-assured and a waiver of subrogation is required under a contract, rights of subrogation against such joint entrant or co-assured are waived only where the managers have agreed such a waiver; any such waiver applies only in respect of those liabilities which are borne by the member or other joint entrant under the terms of the relevant contract and not to any liabilities which are to be borne by the charterer or other party.
<b>Sanctions</b>	<b>6.22</b>	The member shall in no circumstances be entitled to recover from the club that part of any liabilities which is not recovered by the club from parties to the Pooling Agreement and/or under any reinsurance(s) because of a shortfall in recovery from the parties or reinsurers thereunder by reason of any sanction, prohibition or adverse action against them by any state or international organisation or the risk thereof if payment were to be made by such parties or reinsurers. For the purposes of this rule 6.22, "shortfall" includes any failure or delay in recovery by the club by reason of the parties or reinsurers making payment into a designated account in compliance with the requirements of any state or international organisation.

## SECTION G: OBLIGATIONS WITH REGARD TO CLAIMS

- Notification** 7.1 A member must promptly notify the managers in writing:
- (1) of every matter; and
  - (2) of every claim made by a third party against him
- which may lead to a claim for recovery.
- 7.2 A member must submit his claim for reimbursement of any liabilities within 12 months of discharging or settling them, and must produce in support of each claim all information the managers may require.
- Documentation** 7.3 A member must notify the managers of any information or documentation in his power, custody, control or knowledge relevant to any matter and must, as soon as requested by the managers, give to the club and/or to the experts or lawyers appointed to act on his behalf all such documentation and allow it to be inspected and copied.
- 7.4 A member must allow the managers, or the appointed experts or lawyers, to interview any person employed by the member whom the managers consider may have knowledge of the matter. If any such person is required to give evidence at any legal proceedings relating to a matter, the member will use his best endeavours to make sure he attends.
- Developments** 7.5 A member must keep the managers fully informed of the progress of any matter which will or may cause the member to incur liabilities for which he is or may be insured by the club in whole or in part, including any costs or expenses, and of any action proposed in relation to such matter.
- Settlement** 7.6 A member must not settle, compromise or admit liability for any matter for which he is or may be insured by the club in whole or in part without the approval of the managers or without complying with any requirements of the managers for making provision for any costs or expenses incurred by the club. If he does so, he will be liable to pay by way of indemnity to the club such sum as the managers may determine against the costs or expenses it may have been put to in respect of such matter.
- Recovery** 7.7 Where a member has made a claim against another party and has become entitled to a recovery, there shall be credited and paid to the club from such recovery an amount corresponding to the sum paid by the club, including any interest and costs, or such lesser sum as the managers may determine.
- 7.8 A member who incurs any costs or expenses without the agreement of the managers, or without the matter being conducted by an expert or lawyer appointed or previously approved by the managers, will not be entitled to reimbursement of such costs or expenses by the club without the approval of the managers.

<b>Evidence</b>	<b>7.9</b>	A member must not withhold or conceal any evidence which it is or may be relevant to disclose, or make any false statement. If such evidence is withheld or concealed or false statement is made, any liabilities already incurred or reimbursed by the club must be repaid by the member.
<b>Powers of the managers relating to the handling of claims</b>	<b>8.1</b>	The managers have the right to control or direct the conduct of any matter or legal proceedings relating to any liabilities in respect of which the member is or may be insured by the club in whole or in part, and in particular to direct the member to use a particular expert or lawyer.
	<b>8.2</b>	The managers have the right to require the member to settle, compromise or otherwise dispose of any matter or proceeding in such manner as they see fit.
	<b>8.3</b>	The managers may at any time on notice to the member withdraw their approval of any expert or lawyer appointed to act on behalf of the member; in such circumstances, the member will have no further entitlement to reimbursement of any of the costs or expenses of that expert or lawyer unless and to the extent the board otherwise determines.
	<b>8.4</b>	The managers may at any time appoint, on behalf of a member at the expense of the club subject to the applicable deductible, experts or lawyers to deal with any matter which may result in liabilities in respect of which the member is or may be insured by the club in whole or in part.
<b>Effect of non-compliance</b>	<b>8.5</b>	If a member fails to comply with any requirement under rules 7 and 8, the club shall not be under any obligation to reimburse him unless the board otherwise determines.
<b>Security</b>	<b>9.1</b>	The club is under no obligation to provide security on behalf of a member, but where it is provided it shall be on such terms as the managers consider appropriate and shall not constitute any admission of liability by the club for the claim in respect of which it is given.
	<b>9.2</b>	A member on whose behalf the club has provided security, with or without the member's express authority, shall on demand replace the security or pay to the club a sum corresponding to the amount of such security whether or not such amount may be recoverable in whole or in part from the club.
	<b>9.3</b>	In no case shall the club be liable for the detention of the ship, or for any other detention or attachment of a member's assets, or for any damage whatsoever caused to a member by reason of the provision or non-provision of security.
	<b>9.4</b>	A member shall upon demand reimburse the club such sum or sums as the club has paid on his behalf or under security provided by the club to the extent that such payment is, in the opinion of the managers, in respect of liabilities not recoverable from the club.

## SECTION H: APPLICATION AND ENTRY

- Application**
- 10.1** The applicant must make to the managers a fair presentation of the risk by providing the managers with all material particulars and information together with any additional particulars and information as the managers may require.
- 10.2** The applicant will ensure that every material representation as to a matter of fact is substantially correct, and every material representation as to a matter of expectation or belief is made in good faith.
- 10.3** The managers may, without giving any reason, refuse any application for the entry of a ship in the club.
- Entry**
- 11.1** Unless the managers otherwise decide, each person whose entry has been accepted under the rules becomes a member of the club. Whenever the managers accept an entry by way of reinsurance, the insurer reinsured by the club or person insured by such an insurer may, if the managers agree, become a member.
- Immediate termination**
- 11.2** The member is obliged to disclose any change in any material information relating to an entry including, but not limited to, change of: management, flag, classification society, government authority responsible for ship certification for the trade in question, nationality of crew, trading or operating area or nature of trade or operation. Upon such disclosure, or failure to disclose, the managers may amend the member's premium rating or terms of entry, or terminate the entry in respect of such ship with effect from the time of disclosure or failure to disclose.
- 11.3** The managers may accept an entry on terms as to premium other than those set out in the rules, in particular on a fixed premium basis.
- 11.4** The member is bound by and must observe and perform the obligations under the rules, and must provide the managers with electronic and postal addresses for service of notices.
- 11.5** The member warrants that he is, in relation to the ship:
- (1)** her owner or charterer; or
  - (2)** a manager or operator having control of her operation and employment; or
  - (3)** any other person in possession and control of her.
- 11.6** Under a charterer's entry, the member warrants that he will, unless otherwise agreed with the managers, declare to the club all ships chartered by him.

## Certificates of entry

- 12.1** The managers will send the member a certificate of entry stating the date of commencement of cover and the terms and conditions on which the ship has been accepted for insurance.
- 12.2** If at any time there is a variation in the terms of entry, the managers will send the member an endorsement stating the terms of such variation and the date from which such variation is to be effective.
- 12.3** Every certificate of entry issued is conclusive evidence as to its terms; if the managers believe that such documentation contains any error or omission, they may issue a new certificate or endorsement which will be conclusive as aforesaid.

## Joint entrants

- 13.1** The managers may accept an application from a member for another person or persons to become joint entrants in respect of that member's entry. Each joint entrant has an independent right of recovery from the club.
- 13.2** Unless otherwise agreed by the managers, the member and all joint entrants are jointly and severally liable to pay all amounts due to the club in respect of such entry.
- 13.3** The member and each joint entrant warrants that the joint entrant is, in relation to the ship:
- (1)** interested in her operation, management or manning; or
  - (2)** the holding company or the beneficial owner of the member or of any person interested in her operation, management or manning; or
  - (3)** a mortgagee of the ship or a financial institution (or its subsidiary or affiliate) leasing the ship as owner to the member; or
  - (4)** the charterer.
- 13.4** The member warrants that he has at all times full power and authority to act in the name of and/or on behalf of all joint entrants.

## Co-assureds

- 13.5** The managers may accept an application from a member for another person or persons to become co-assureds in respect of that member's entry.
- 13.6** The liability of the club to a co-assured only extends insofar as he may be found liable to pay in the first instance for liabilities which are properly the responsibility of the member which, if the member has entered into a contract with the co-assured, means those liabilities which are to be borne by the member under such contract. Cover does not extend to any amount which would not have been recoverable from the club by the member had the claim been made or enforced against him or to any liabilities to be borne by any of the co-assureds under the said contract.
- 13.7** Once the club has indemnified a co-assured, it shall not be under any further liability to any person in respect of that claim.

- Insured parties**
- 13.8** The receipt by an insured party of any sums paid by the club in respect of such an entry is sufficient discharge by the club for the same.
- 13.9** Any provision of the rules by which an insured party ceases either to be insured or to be entitled to recover from the club is deemed to apply to all insured parties. Failure by an insured party to comply with any of the obligations under the rules is deemed to be the failure of all insured parties.
- 13.10** Conduct of an insured party which would have entitled the club to decline to indemnify it is deemed to be the conduct of all insured parties.
- 13.11** The contents of any communication between an insured party and the club is deemed to be within the knowledge of all insured parties.
- 13.12** The cover provided to joint entrants and co-assureds does not extend to any liabilities or disputes either among such joint entrants and co-assureds, or with the member.
- Charterer named as joint entrant or co-assured**
- 13.13**
- a** Unless otherwise agreed by the managers, where a charterer is named as a joint entrant or co-assured, all insured parties, including such charterer, warrant that the charterer is either:
    - (1)** an affiliated or associated charterer; or
    - (2)** has contracted with the member or a joint entrant for the provision of services to or by the ship and that contract has been approved by the managers.
  - b** Any charterer named as a co-assured in accordance with rule 13.13 a (2) above is only covered for liabilities which are to be borne by the member or other joint entrant under the terms of the relevant contract and would, if borne by the member or that joint entrant, be recoverable by either from the club.
- Group entries**
- 13.14** The managers may accept an entry on the basis that the ship is part of a group rating agreement and assess premium accordingly.
- 13.15** One person must be designated group principal and any communication from or on behalf of the club to the group principal is deemed to be within the knowledge of all insured parties in the group and any communication from and action taken by the group principal is deemed conclusively to be made with the full approval of any and all insured parties within that group.
- 13.16** All persons entering ships under a group rating agreement and the group principal remain jointly and severally liable to pay all amounts due to the club in respect of any and all ships in the same group.

- Affiliated and associated companies**
- 13.17** In the case of a claim which would be recoverable from the club being enforced against an affiliated or associated company of a member, but not of a joint entrant or a co-assured, such company shall, if the member so requires in writing, be entitled to recover such sum from the club but only to the extent to which the member would have been entitled to recover if the claim had been enforced against him.
- Breach of warranty**
- 13.18** In the event of any breach of the warranties set out in rules 10.2, 11.5, 11.6 and 13.4, all insured parties' insurance shall terminate automatically from the time of the breach. In such circumstances, the member shall be, and remain, liable for all premium, including overspill calls, up to the time of the breach.
- 13.19** In the event of any breach by a joint entrant or co-assured of the warranties set out in rules 13.3 and 13.13, the joint entrant's or co-assured's insurance shall terminate automatically from the time of the breach. If a joint entrant is in breach, he shall be, and remain, liable for all premium, including overspill calls, up to the time of the breach.
- Assignment**
- 14.1** No insurance given by the club and no interest under the rules or under any contract between the club and any member may be assigned without the agreement of the managers. Any assignment made without such agreement shall, unless the managers otherwise determine, be of no effect and the assignee shall have no rights against the club.
- 14.2** In the event that the managers agree, the club is entitled in settling any claim presented by the assignee to deduct or retain such amount as the managers may then estimate to be sufficient to discharge any actual or potential liabilities of the assignor to the club.

## SECTION I: SHIP STANDARDS AND RISK REVIEWS

### Classification and condition of ships

- 15.1** Unless otherwise agreed by the managers, the following are conditions of the insurance of every ship:
- (1)** the ship must be and remain fully classed with a classification society approved by the managers or, provided agreed by the managers, remain fully approved by the government authority responsible for ship certification for the trade in question (hereafter ‘society/authority’)
  - (2)** any matter in respect of which the society/authority might make recommendations about action to be taken must be promptly reported to the society/authority
  - (3)** the member must comply with all the rules, recommendations and requirements of the society/authority within the time or times specified by that society/authority
  - (4)** the managers may inspect any document, and/or obtain any information relating to the maintenance of the ship’s class or approval, in the possession of any society/authority with which the ship is or at any time has been classed or approved, and the member authorises such society/authority to disclose such documents and/or information to the managers for whatever purposes they may consider necessary
  - (5)** the member must comply with all statutory requirements of the ship’s flag state relating to the construction, adaptation, condition, fitment, equipment, manning and operation of the ship and must at all times maintain the validity of such statutory certificates as are required or issued by or on behalf of the ship’s flag state, including those in respect of the ISM and ISPS codes.

- 15.2** Unless and to the extent the board otherwise decides, a member is not entitled to any recovery in respect of any liabilities arising during a period when any of the conditions in rule 15.1 have not been complied with.

### Ship risk reviews

- 15.3.1** The managers may, as a condition of acceptance or renewal of entry in the club or at any time thereafter, appoint a surveyor to undertake a ship risk review in respect of an applicant’s or member’s ship within a specified period. In the light of such ship risk review, the managers may decline the application, refuse to renew the entry or impose conditions on the terms of entry as they see fit.
- 15.3.2** If the applicant’s or member’s ship is not made available for a ship risk review within such period, no claim for recovery as a result of any incident arising after the expiry of such period will be allowed until such time as the ship risk review has been carried out, unless the board otherwise determines.

<b>Operational reviews</b>	<b>15.4</b>	The managers may at any time, or following an incident which will or may cause the member to incur liabilities for which he may be insured by the club, appoint a surveyor to undertake a review of the member's operations within a specified period. If the review does not take place within such period, no claim for recovery as a result of any incident arising after the expiry of such period will be allowed until such time as the review has been carried out, unless the board otherwise determines.
<b>Surveys following lay-up</b>	<b>15.5</b>	In the event that a member has laid the ship up for more than 90 consecutive days he must, unless otherwise agreed by the managers, notify them of his intention to trade the ship at least seven days before she resumes trading. The managers may then require the member to have that ship undergo a ship risk review by a surveyor appointed by them. In the event that the member does not notify the club of his intention to trade the ship, no claim for recovery will be allowed unless the board otherwise determines.
<b>Effect on terms of entry</b>	<b>15.6</b>	In the light of a ship risk review or review of the member's operations, the managers may: <ul style="list-style-type: none"> <li><b>(1)</b> terminate the member's entry with immediate effect or from a time and date specified by a notice in writing to the member; or</li> <li><b>(2)</b> amend, vary or impose conditions on the terms of entry as they see fit.</li> </ul>
<b>Effect of non-compliance</b>	<b>15.7</b>	Any recommendations made by the managers or a surveyor following any ship risk review or review of the member's operations must be carried out within the time specified by, and to the satisfaction of, the managers and no recovery shall be allowed in respect of any incident arising after any such recommendations have been made until they have been complied with to the satisfaction of the managers, unless the board otherwise determines.
<b>Disclosure of survey reports</b>	<b>15.8</b>	Every applicant or member: <ul style="list-style-type: none"> <li><b>(1)</b> consents to and authorises the disclosure by the managers to any insurer participating in the Pooling Agreement of any survey of a ship undertaken on behalf of the club; and</li> <li><b>(2)</b> waives any rights or claims against the club or the managers of whatsoever nature arising in respect of or relating to the contents of or opinions expressed in any survey so disclosed.</li> </ul>
	<b>15.9</b>	Such survey may only be disclosed to another insurer participating in the Pooling Agreement when an application for entry of such ship is made thereto; and the disclosure of the survey shall be for the limited purpose only of that insurer considering an application to enter such ship for insurance.

## SECTION J: PERIOD OF INSURANCE

- Policy year**
- 16.1** Unless otherwise agreed at the time of entry or set out in the rules, the insurance provided by the club begins at the time stated in the member's certificate of entry, and continues until noon GMT on the following 20 February, and thereafter, unless terminated in accordance with the rules, from policy year to policy year.
- 16.2** If a member does not wish to continue the insurance in respect of the ship, he must give notice in writing to the managers not later than 30 days before the expiry of the period of insurance.
- 16.3** The ship may not be withdrawn at any other time or in any other manner except with the consent of the managers.
- Managers' notice**
- 16.4** The managers may, in respect of the ship, at any time and without giving any reason:
- (1)** give to a member seven days' notice that he is not entitled to any recovery in respect of any claim arising during the period from expiry of that notice until such further time as the managers specify; or
  - (2)** terminate the entry on 30 days' notice in writing given not later than 30 days before the expiry of the period of insurance.
- Pro-rata premium**
- 16.5** Subject to rules 18.8 and 21.1 to 21.8, a member is only liable for premiums in respect of the ship for the current policy year pro-rata for the period from the time stated in the member's certificate of entry until noon GMT:
- (1)** on the day ownership was legally transferred; or
  - (2)** on the day the ship became an actual or constructive total loss or such later date as the managers may determine; or
  - (3)** on the date of cessation of insurance.
- Cessation of insurance**
- 17.1** A member shall cease to be insured by the club in respect of any and all ships entered by him if:
- (1)** being an individual, he dies, becomes of unsound mind or bankrupt, or makes any arrangement with his creditors generally; or
  - (2)** being a company, a resolution is passed for its voluntary winding-up or an order is made for its compulsory winding-up or it is dissolved or seeks protection from its creditors under any applicable bankruptcy or insolvency laws or any similar event occurs in any applicable jurisdiction.

**17.2** A member shall cease to be insured by the club in respect of any ship entered by him if:

- (1)** he sells or assigns the whole or any part of his interest in the ship, unless the managers have agreed to such assignment and to an assignment of the relevant insurance by the club pursuant to rule 14.1; or
- (2)** the ship becomes, or is accepted by hull underwriters as, an actual or constructive total loss, or there is a compromise reached with hull underwriters, or the managers decide that the ship can be considered or deemed to be an actual or constructive total loss, except as regards liabilities flowing directly from the casualty which gave rise to the actual or constructive loss of the ship, or such later date as the managers may determine; the managers may, however, agree to extend the period of insurance on such terms as they think fit; or
- (3)** notice is given under rules 16.2 to 16.4 and is not withdrawn by agreement before the expiry of the period of insurance; or
- (4)** the entry is terminated or ceases in accordance with rules 15 or 16.4; or
- (5)** the ship is employed by the member in a carriage, trade, voyage or operation which will thereby in any way howsoever expose the club to the risk of being or becoming subject to any sanction, prohibition or adverse action in any form whatsoever by any state or international organisation, or if the provision of insurance for a carriage, trade, voyage or operation is or becomes unlawful, prohibited or sanctionable, unless the managers shall otherwise determine.

## **Cancellation of insurance**

**17.3** If a member fails to pay when due and demanded by the managers any sum owing from him to the club including any sum for which he is liable under rule 13.16:

- (1)** unless and to the extent the board otherwise decides, a member will not be entitled to any recovery in respect of any claim arising from the date of such failure until the date such sum owing to the club is paid in full; and
- (2)** his insurance will be cancelled, whether or not it may already have ceased for some other reason, if after service on him of a notice stating that there are sums owing and requiring payment by a specific date he fails to pay any sum in full on or before such date.

**17.4** The managers may, but are not obliged to, specify the amount outstanding; any inaccuracy in the demand as to the amount stated to be owing shall not invalidate the notice unless there is no sum owing at all.

**Effect of  
cessation  
of insurance**

- 17.5** When a member ceases to be insured in respect of any ship or at all ('the date of cessation') then:
- (1)** such member and his successors are, and remain, liable for all premium in respect of that part of the policy year for which the ship was on risk, and previous policy years, unless otherwise agreed pursuant to rule 19; and
  - (2)** the club remains liable for all claims arising out of any event occurring before the date of cessation, but is under no liability for anything occurring after the date of cessation.
- 17.6** When a member ceases to be insured under rule 16.4, he remains liable for premium for the policy year in which the cessation occurs pro-rata only for the period beginning with the date of entry and ending with the date of termination.
- 17.7** When a member ceases to be insured by virtue of rule 17.2(2), he continues to be insured by the club in respect of wreck liabilities in accordance with rules 3.8.6 and 3.11, and on such other terms as may be agreed by the managers.

**Effect of  
cancellation  
of insurance**

- 17.8** When a member's insurance is cancelled under rule 17.3 then:
- (1)** subject to rules 21.1 to 21.8, if the cancellation occurs while the member is, but for the cancellation, insured, such member and his successors are, and remain, liable for all premium in respect of the policy year during which the date specified in the notice ('the date of cancellation') occurs pro-rata only for the period beginning with the date of entry and ending with the date of cancellation and in respect of previous policy years irrespective of whether or not notice has been given under rule 17.3;
  - (2)** if the cancellation occurs after the member has ceased to be insured for some other reason, such member and his successors remain liable for all premium as provided for in rule 17.5(1);
  - (3)** the club ceases to be liable for any claims in respect of any ships entered by such member:
    - a** which may arise by reason of any event occurring after the date of cancellation; or
    - b** which have accrued or arisen during a policy year for which sums remained owing but unpaid by the member in full or in part at the date of cancellation; or
    - c** which may have accrued or arisen in any year other than one referred to in (3)b above, whether or not the club may have admitted liability for such claims or may have known, at the date of cancellation, that a claim was likely to accrue.

## SECTION K: PREMIUMS

- Mutual premiums**
- 18.1** Members who have ships entered in the club in respect of any policy year, not being a closed policy year, other than on fixed premium terms, insure each other against liabilities which they or any of them may incur or become liable to pay and contribute to the funds of the club required to meet:
- (1) all its liabilities and other outgoings, actual or anticipated;
  - (2) all provisions the board deems it expedient to make.
- 18.2** Members agree to pay all premium and other sums determined by the board, in such manner and at such time as the board may require.
- Estimated total premium**
- 18.3** Before or at the beginning of each policy year, the club shall levy upon members an estimated total premium (ETP) calculated on the basis of the premium rating per entered ton. The board decides the number of installments in which payment is to be made and payment will be made accordingly unless otherwise agreed by the managers.
- 18.4** If at any time the board determines that the whole of the ETP is not required to meet the obligations of the club:
- (1) it may declare a discount of such percentage of the ETP as it may decide; and
  - (2) the liability of the members to pay ETP under rule 18.3 shall be reduced accordingly.
- 18.5** Before the start of a policy year, the board may decide the percentage by which there is to be a general change in the premium ratings of all members. Unless otherwise agreed between the managers and a member, the premium ratings so changed will apply in respect of such policy year.
- 18.6** If a member ceases to be insured in respect of any ship before any installment of ETP becomes payable, the managers will, subject to rule 17.5(1), decide how and when any such sum is to be paid, provided that it will be immediately payable if the member has no other ships entered in the club, or subsequently withdraws all his ships.
- Supplementary calls**
- 18.7** The board may levy one or more supplementary calls in any open policy year if it determines that the funds or reserves of the club are insufficient for that year, or for any other purpose.
- Laid-up returns**
- 18.8** If a ship is laid-up in a safe port without any cargo on board for 30 or more consecutive days after finally mooring there, the member is, subject to rule 18.9, allowed a pro-rata return of premium up to a maximum rate of 75%. Any lay-up return is reduced pro-rata for any period of shifting within the port during lay-up.
- Exclusions to rule 18.8**
- (1) There shall be no return of overspill calls.
  - (2) Unless otherwise agreed by the managers, there shall be no return if:

- a there are crew on board the ship other than for security or for maintenance necessary for the safety of the ship; or
- b repairs are carried out other than for the safety of the ship.

**18.9** If a member does not notify and submit his claim for reimbursement to the managers in writing within three months under rule 16.5, or within three months of the end of the policy year under rule 18.8, no allowance or return shall be made unless the managers otherwise determine.

## Releases

**19.1** Upon the cessation of insurance of any ship, a member may be released from all further liability for premium to the club, other than in respect of any overspill call.

**19.2** The managers will calculate the amount required to so release the member ('the release call') by reference to such percentage of the premium rating as the board may decide.

**19.3** Within the time specified by the managers, the member may elect to pay either the release call or all further premium when due.

**19.4** If the member elects to pay all further premium when due, he must, unless he has other ships remaining in the club under an owner's entry, provide at his own expense within the time specified by the managers, a guarantee acceptable to the managers for the full amount of the release call. If he fails to provide the guarantee within the time specified, the release call automatically becomes payable.

**19.5** If during the period that the member is still liable to pay further premium he no longer has any ships remaining in the club under an owner's entry, he must immediately provide a guarantee acceptable to the managers for the full amount of all release calls in respect of all of his ships.

**19.6** If, after the original release call is calculated, the board amends the release percentage, the managers may re-calculate the release call.

**19.7** The managers may impose such other terms and conditions as they think fit.

**19.8** A member who has paid a release call is under no liability for any premium in respect of any ship which is the subject of the release call assessed after the date of the release, other than for any overspill call, and has no right to share in any return of premium which the board may thereafter decide to make.

## Payment

**20.1.1** Any premium or other sums due shall be designated in such currency, and be payable in such manner and at such time, as the managers may specify. If any sum due is not paid on the specified date, time being of the essence, such member shall pay interest on the amount outstanding from that date until the date of payment at such rate as the board determines. The managers may, however, waive payment of interest in whole or in part.

- 20.1.2** Where a member has appointed a broker, the broker is the agent of the member. Payments of premium and other sums due to the club shall not be considered received by the club until actually received by it, and payment by the member to his broker or other intermediary shall not constitute payment to the club.
- 20.1.3** Where the member has appointed a broker, payment by the club to the broker of sums due to the member shall constitute payment to the member. Any such payment shall fully discharge the club's liability to the member in respect of such sums.
- Lien** **20.2** The club is entitled to, and the member grants, a lien on the ship in respect of any amount owed by the member to the club.
- Closed policy years** **20.3** Subject to rules 21.9 to 21.12, the board may decide to close any policy year at any time.
- 20.4** If the premium obtained exceeds the liabilities and other outgoings falling upon the club for that year, the board may either carry the surplus to reserves or return it in whole or in part to the persons who paid such premium in proportion to the aggregate premium paid by them in such policy year.
- 20.5** If at any time after a policy year has been closed it appears to the board that the liabilities, other than overspill claims, and other outgoings arising in respect of the year exceed or are likely to exceed the premium, other than overspill calls, in respect of the year then the board may decide to provide for such deficiency by:
- (1)** utilising funds either from reserves or standing to the credit of any different closed policy year; or
  - (2)** levying one or more supplementary calls in respect of any open policy year.
- Reserves** **20.6** The board may:
- (1)** establish and maintain such reserves or other accounts as it thinks fit;
  - (2)** transfer any sum standing to the credit of any policy year to any reserve;
  - (3)** apply the sums in any reserve for any purpose and may at any time transfer sums from one reserve to another.
- Investment** **20.7** The funds of the club may be invested in any way the board may determine.
- 20.8** Unless the board otherwise determines, all funds relating to any policy year or reserve shall be pooled and invested as one fund.
- 20.9** The board may apply investment returns to any policy year or reserve as it thinks fit.

## SECTION L: OVERSPILL CALLS AND CLAIMS

### Payment

- 21.1** The funds required to pay any overspill claim incurred by the club shall be provided:
- (1)** from such sums as the club is able to recover from the other parties to the Pooling Agreement as their contributions to the overspill claim; and
  - (2)** from such sums as the club is able to recover from any special insurance which may, in the determination of the board, have been effected to protect the club against the risk of payments of overspill claims; and
  - (3)** from such proportion as the board determines of any sums standing to the credit of such reserves as the board may have established; and
  - (4)** by levying one or more overspill calls in accordance with rules 21.4 to 21.7, irrespective of whether the club has sought to recover or has recovered all or any of the sums referred to in rule 21.1(2) but provided the board shall first have made a determination in accordance with rule 21.1(3); and
  - (5)** from any interest accruing to the club on any funds provided as aforesaid.
- 21.2** The funds required to pay such proportion of any overspill claim incurred by any other party to the Pooling Agreement which the club is liable to contribute under the terms of the Pooling Agreement shall be provided in the manner specified in rules 21.1(1) to (5).
- 21.3** To the extent that the club intends to provide funds required to pay any overspill claim incurred by it in the manner specified in rule 21.1(4), the club shall only be required to pay such overspill claim as and when funds are received by it, provided that it can show from time to time that, in seeking to collect such funds, it has taken the steps referred to in rules 22.3(1) and (2).

### Levying

- 21.4** If the board shall:
- (1)** at any time determine that funds are or may in future be required to pay part of an overspill claim (whether incurred by the club or by any other party to the Pooling Agreement); and
  - (2)** have made a declaration under rule 21.9 or 21.11 that a policy year shall remain open for the purpose of levying an overspill call or calls in respect of that overspill claim;
- it may, at any time or times after such declaration has been made, levy one or more overspill calls in respect of that overspill claim in accordance with rule 21.5.

- 21.5** The board shall levy any such overspill call:
- (1)** on all members entered in the club on the overspill claim date in respect of ships entered by them at that time, notwithstanding the fact that, if the overspill claim date shall be in a policy year in respect of which the club has made a declaration under rule 21.11, any such ship may not have been entered in the club at the time the relevant event occurred; and
  - (2)** at such percentage of the Convention Limit of each such ship as the board shall decide.
- 21.6** An overspill call shall not be levied in respect of any ship entered on the overspill claim date with an overall limit of cover equal to or less than the group reinsurance limit.
- 21.7** The board shall not levy on any member in respect of the entry of any one ship an overspill call or calls in respect of any one overspill claim exceeding in the aggregate 2.5% of the Convention Limit of that ship.
- 21.8** If at any time after the levying of an overspill call upon the members entered in the club in any policy year, it shall appear to the board that the whole of such overspill call is unlikely to be required to meet the overspill claim in respect of which such overspill call was levied, the board may decide to dispose of any excess which in the opinion of the board is not so required in one or both of the following ways:
- (1)** by transferring the excess or any part thereof to reserves in accordance with rule 20.6; or
  - (2)** by returning the excess or any part thereof to those members who have paid that overspill call in proportion to the payments made by them.
- 21.9** If at any time prior to the expiry of a period of 36 months from the commencement of a policy year ('the relevant policy year'), any of the parties to the Pooling Agreement sends a notice ('an overspill notice') in accordance with the Pooling Agreement that an event has occurred in the relevant policy year which has given or at any time may give rise to an overspill claim, the board shall as soon as practicable declare that the relevant policy year shall remain open for the purpose of levying an overspill call or calls in respect of that claim and the relevant policy year shall not be closed for the purpose of making an overspill call or calls in respect of that claim until such date as the board shall determine.
- 21.10** If at the expiry of the period of 36 months provided for in rule 21.9, no overspill notice as therein provided for has been sent, the relevant policy year shall be closed automatically for the purpose of levying overspill calls only, whether or not closed for any other purposes, such closure to have effect from the date falling 36 months after the commencement of the relevant policy year.

## Closing of policy years

## Security

- 21.11** If at any time after a policy year has been closed in accordance with rules 21.9 and 21.10, any of the parties to the Pooling Agreement sends an overspill notice in accordance with the Pooling Agreement that an event has occurred in that policy year which has given or at any time may give rise to an overspill claim, the board shall as soon as practicable declare that the earliest subsequent open policy year (not being a policy year in respect of which the board has already made a declaration in accordance with rule 21.9 or 21.11) shall remain open for the purpose of levying an overspill call or calls in respect of that claim and such open policy year shall not be closed for the purpose of making an overspill call or calls in respect of that claim until such date as the board shall determine.
- 21.12** A policy year shall not be closed for the purpose of levying overspill calls save in accordance with rules 21.9 to 21.12.
- 21.13** If:
- (1)** the board makes a declaration in accordance with rule 21.9 or 21.11 that a policy year shall remain open for the purpose of levying an overspill call or calls; and
  - (2)** a member who is liable to pay any such overspill call or calls as may be levied by the board in accordance with rules 21.1 to 21.8 ceases or has ceased to be insured by the club for any reason, or the board determines that the insurance of any such member may cease
- the board may require such member to provide to the club by such date as the board may determine ('the due date') a guarantee or other security in respect of the member's estimated future liability for such overspill call or calls, such guarantee or other security to be in such form and amount ('the guarantee amount') and upon such terms as the board may deem to be appropriate in the circumstances.
- 21.14** Unless and until such guarantee or other security as is required by the board has been provided by the member, the member shall not be entitled to recovery from the club of any claims whatsoever and whensoever arising in respect of any and all ships entered in the club for any policy year by him or on his behalf.
- 21.15** If such guarantee or other security is not provided by the member to the club by the due date, a sum equal to the guarantee amount shall be due and payable by the member to the club on the due date, and shall be retained by the club as a security deposit on such terms as the board may deem to be appropriate in the circumstances.
- 21.16** The provision of a guarantee or other security as required by the board, including a payment in accordance with rule 21.15, shall in no way restrict or limit the member's liability to pay such overspill call or calls as may be levied by the club in accordance with rules 21.1 to 21.8.

- Recoverability 22.1** Without prejudice to any other applicable limit, any overspill claim incurred by the club shall not be recoverable from the club in excess of the aggregate of:
- (1)** that part of the overspill claim which is eligible for pooling under the Pooling Agreement but which, under the terms of the Pooling Agreement, is to be borne by the club; and
  - (2)** the maximum amount that the club is able to recover from the other parties to the Pooling Agreement as their contributions to the overspill claim.
- 22.2** The aggregate amount referred to in rule 22.1 shall be reduced to the extent that the club can evidence:
- (1)** that costs have been properly incurred by it in collecting or seeking to collect:
    - a** overspill calls levied to provide funds to pay that part of the overspill claim referred to in rule 22.1(1); or
    - b** the amount referred to in rule 22.1(2); or
  - (2)** that it is unable to collect an amount equal to that part of the overspill claim referred to in rule 22.1(1) which it had intended to pay out of the levy of overspill calls because any overspill calls so levied, or parts thereof, are not economically recoverable, provided that if, due to a change in circumstances, such amounts subsequently become economically recoverable, the aggregate amount referred to in rule 22.1 shall be reinstated to that extent.
- 22.3** In evidencing the matters referred to in rule 22.2(2), the club shall be required to show that:
- (1)** it has levied overspill calls in respect of the overspill claim referred to in rule 22.1 on all members entered in the club on the overspill claim date in accordance with and in the maximum amounts permitted under rules 21.1 to 21.8; and
  - (2)** it has levied those overspill calls in a timely manner, has not released or otherwise waived a member's obligation to pay those calls and has taken all reasonable steps to recover those calls.
- 22.4** To the extent that the club intends to provide funds required to pay any overspill claim incurred by it in the manner specified in rule 21.1(4), the club shall only be required to pay such overspill claim as and when such funds are received by it, provided that it can show from time to time that, in seeking to collect such funds, it has taken the steps referred to in rules 22.3(1) and (2).

**Collectability of  
overspill calls**

- 22.5** Any of the issues referred to in rule 22.6 on which the club and a member cannot agree shall be referred to a panel constituted in accordance with arrangements established in the Pooling Agreement ('the Panel') which, acting as a body of experts and not as an arbitration tribunal, shall determine the issue.
- 22.6** Rules 22.6 to 22.17 shall apply to any issue of whether, for the purpose of applying any of rules 22.2, 22.3 and 22.4 in relation to any overspill claim ('the relevant overspill claim'):
- (1)** costs have been properly incurred in collecting or seeking to collect overspill calls; or
  - (2)** any overspill call or part thereof is economically recoverable; or
  - (3)** in seeking to collect the funds referred to in rule 21.4, the club has taken the steps referred to in that rule.
- 22.7** If the Panel has not been constituted at a time when a member wishes to refer an issue to it, the board shall, on request by the member, give a direction for the constitution of the Panel as required under the Pooling Agreement.
- 22.8** The board may, and on the direction of the member shall, give such direction as is required under the Pooling Agreement for the formal instruction of the Panel to investigate any issue and to give its determination as soon as reasonably practicable.
- 22.9** The Panel shall in its discretion decide what information, documents, evidence and submissions it requires in order to determine an issue and how to obtain these, and the board and the member shall co-operate fully with the Panel.
- 22.10** In determining any issue referred to it under rules 22.6 to 22.17, the Panel shall endeavour to follow the same procedures as it follows in determining issues arising in respect of the relevant overspill claim which are referred to it under the Pooling Agreement.
- 22.11** In determining an issue, the members of the Panel:
- (1)** shall rely on their own knowledge and expertise; and
  - (2)** may rely on any information, documents, evidence or submission provided to them by the club or the member as they see fit.
- 22.12** If the three members of the Panel cannot agree on any matter, the view of the majority shall prevail.
- 22.13** The Panel shall not be required to give reasons for any determination.

- 22.14** The Panel's determination shall be final and binding upon the club and the member, subject only to rule 22.15, and there shall be no right of appeal from such determination.
- 22.15** If the Panel makes a determination on an issue referred to in rules 22.6(2) or (3), the board or the member may refer the issue back to the Panel, notwithstanding rule 22.14, if it considers that the position has materially changed since the Panel made its determination.
- 22.16** The costs of the Panel shall be paid by the club.
- 22.17** Costs, indemnities and other sums payable to the Panel by the club in relation to any overspill claim, whether the reference to the Panel has been made under rules 22.6 to 22.17 or under the Pooling Agreement, shall be deemed to be costs properly incurred by the club in respect of that overspill claim for the purposes specified in rule 22.2(1).

	<b>2.2</b>	Unless otherwise agreed by the managers the cover shall cease in respect of the places or areas so determined in accordance with paragraph 2.1 upon the expiry of seven days from midnight on the day notice of such determination is given by the managers to the members.
	<b>2.3</b>	Unless and to the extent that the board otherwise decides there shall be no recovery from the club in respect of any claim arising out of any event within the said places or areas after such date.
<b>Cancellation</b>	<b>3</b>	Cover may be cancelled by either the club or the member giving seven days' notice (such cancellation becoming effective upon the expiry of seven days from midnight on the day on which such notice is issued by or to the club). The club agrees to reinstate cover subject to agreement with the member prior to the expiry of such notice as to new terms of entry.
<b>Automatic termination of cover</b>	<b>4</b>	Whether or not notice of cancellation has been given, cover shall terminate automatically:
	<b>4.1</b>	upon the outbreak of war (whether there be a declaration of war or not) between any of the following: the UK, the USA, France, the Russian Federation, the People's Republic of China;
	<b>4.2</b>	in respect of any ship if she is requisitioned either for title or use.
<b>Five powers war and nuclear exclusions</b>	<b>5</b>	This cover excludes:
	<b>5.1</b>	loss, damage, liability or expense arising from:
	<b>5.1.1</b>	the outbreak of war (whether there be a declaration of war or not) between any of the following: the UK, the USA, France, the Russian Federation, the People's Republic of China;
	<b>5.1.2</b>	requisition for title or use;
	<b>5.2</b>	liabilities (irrespective of whether a contributory cause of the same being incurred was any neglect on the part of the member or his servants or agents) when the loss or damage, injury, illness or death or other accident in respect of which such liability arises or cost or expense is incurred, was directly or indirectly caused by or arises from:

	<b>5.2.1</b>	ionising radiations from or contamination by radioactivity from any nuclear fuel or from any nuclear waste or from the combustion of nuclear fuel; or
	<b>5.2.2</b>	the radioactive, toxic, explosive or other hazardous or contaminating properties of any nuclear installation, reactor or other nuclear assembly or nuclear component thereof; or
	<b>5.2.3</b>	any weapon or device employing atomic or nuclear fission and/or fusion or other like reaction or radioactive force or matter; or
	<b>5.2.4</b>	the radioactive, toxic, explosive or other hazardous or contaminating properties of any radioactive matter  other than liabilities arising out of carriage of 'excepted matter' (as defined in the Nuclear Installations Act 1965 of the United Kingdom or any regulations made thereunder) as cargo in the ship.
<b>Chemical, biological, bio-chemical, electromagnetic weapons and computer virus exclusion</b>	<b>6</b>	This paragraph shall override anything contained in this insurance inconsistent therewith.
	<b>6.1</b>	In no case shall this insurance cover loss, damage, liability or expense directly or indirectly caused by or contributed to by or arising from:
	<b>6.1.1</b>	any chemical, biological, bio-chemical or electromagnetic weapon;
	<b>6.1.2</b>	the use or operation, as a means for inflicting harm, of any computer virus.
	<b>6.2</b>	Paragraph 6.1 shall not operate to exclude losses (which would otherwise be covered hereunder) arising from the use of any computer, computer system or computer software programme or any other electronic system in the launch and/or guidance and/or firing mechanism of any weapon or missile.
	<b>7</b>	In no case shall this cover provide insurance for any losses, liabilities, costs or expenses if the provision of such insurance would create a liability for the member under TOPIA 2006 to contribute to the IOPC Supplementary Fund in respect of pollution damage caused by terrorism.
<b>Deductibles</b>	<b>8.1</b>	The cover shall apply, any one event, in excess of the greater of:
	<b>8.1.1</b>	US\$50,000; or
	<b>8.1.2</b>	the proper value of the ship (proper value meaning the market value of the ship free of any commitment; where the proper value exceeds US\$100 million, the proper value will be deemed to be US\$100 million); or
	<b>8.1.3</b>	the amount recoverable under any other policy of insurance, whether of war risks or otherwise.
	<b>8.2</b>	Under a charterer's entry the cover shall apply, any one event, in excess of the greater of the deductible set out in the member's certificate of entry or US\$50,000.

**Limit of cover**

- 9.1** Subject to paragraph 9.2, the limit of club cover shall be US\$500 million any one event or series thereof in the aggregate or any lesser amount specified in the certificate of entry.
- 9.2** In the event that there is more than one entry by any person for P&I war risks cover in respect of the same ship with the club and/or any other insurer participating in the Pooling Agreement or general excess loss reinsurance contract, the aggregate recovery in respect of all liabilities arising under such entries shall not exceed the amount stipulated in paragraph 9.1, and the liability of the club under each such entry shall be limited to such proportion of that limit as the claims arising under that entry bear to the aggregate of all such claims recoverable from the club and any such other insurer.

## War risks clause for additional covers 2017

<b>Cover</b>	<b>1</b>	Such liabilities as would be covered by the club but for the exclusion of war risks in rule 4.3, but only in respect of any special risks set out in the certificate of entry beyond the standard risks provided by the rules without amendment other than such as may be covered under the Maritime Labour Convention extension clause 2017.
<b>Excluded areas</b>	<b>2.1</b>	At any time or times before, or at the commencement of, or during the policy year, the managers may determine that any places or areas be excluded from the cover hereunder.
	<b>2.2</b>	Unless otherwise agreed by the managers, cover shall cease in respect of the places or areas so determined in accordance with paragraph 2.1 upon the expiry of seven days from midnight on the day notice of such determination is given by the managers to the members.
<b>Cancellation</b>	<b>3</b>	Cover may be cancelled by either the club or the member giving seven days' notice (such cancellation becoming effective upon the expiry of seven days from midnight on the day on which notice is issued by or to the club). The club agrees however to reinstate cover subject to agreement with the member prior to the expiry of such notice as to new terms of entry.
<b>Automatic termination of cover</b>	<b>4</b>	Whether or not such notice of cancellation has been given, cover hereunder shall terminate automatically:
	<b>4.1</b>	upon the outbreak of war (whether there be a declaration of war or not) between any of the following: the UK, the USA, France, the Russian Federation, the People's Republic of China;
	<b>4.2</b>	in respect of any ship in the event she is requisitioned for title or use.
<b>Five powers war and nuclear exclusions</b>	<b>5</b>	This cover excludes:
	<b>5.1</b>	loss, damage, liability or expense arising from:
	<b>5.1.1</b>	the outbreak of war (whether there be a declaration of war or not) between any of the following: the UK, the USA, France, the Russian Federation, the People's Republic of China;
	<b>5.1.2</b>	requisition for title or use;
	<b>5.2</b>	liabilities (irrespective of whether a contributory cause of the same being incurred was any neglect on the part of the member or his servants or agents) when the loss or damage, injury, illness or death or other accident in respect of which such liability arises or cost or expense is incurred, was directly or indirectly caused by or arises from:
	<b>5.2.1</b>	ionising radiations from or contamination by radioactivity from any nuclear fuel or from any nuclear waste or from the combustion of nuclear fuel; or
	<b>5.2.2</b>	the radioactive, toxic, explosive or other hazardous or contaminating properties of any nuclear installation, reactor or other nuclear assembly or nuclear component thereof; or

- 5.2.3** any weapon or device employing atomic or nuclear fission and/or fusion or other like reaction or radioactive force or matter; or
- 5.2.4** the radioactive, toxic, explosive or other hazardous or contaminating properties of any radioactive matter,
- other than liabilities arising out of carriage of ‘excepted matter’ (as defined in the Nuclear Installations Act 1965 of the United Kingdom or any regulations made thereunder) as cargo in the ship.
- Chemical, biological, bio-chemical, electromagnetic weapons and computer virus exclusion**
- 6** This paragraph overrides anything contained in this insurance inconsistent therewith.
- 6.1** In no case shall this insurance cover loss, damage, liability or expense directly or indirectly caused by or contributed to by or arising from:
- 6.1.1** any chemical, biological, bio-chemical or electromagnetic weapon;
- 6.1.2** the use or operation, as a means for inflicting harm, of any computer virus.
- 6.2** Paragraph 6.1 shall not operate to exclude losses (which would otherwise be covered hereunder) arising from the use of any computer, computer system or computer software programme or any other electronic system in the launch and/or guidance and/or firing mechanism of any weapon or missile.
- Charterers’ liability for damage to hull**
- 7.1** Notwithstanding paragraph 2.1 but without prejudice to paragraphs 3, 4, 5 and 6, rules 4.3, 4.5, 4.6 and 4.7 shall not apply to a ship chartered to the member in respect of liabilities and losses covered under the charterers’ liability for damage to hull clause 2017 if:
- 7.1.1** the ship is chartered on terms to the effect that:
- (1)** the owner is entitled to refuse to send the ship to any place that is dangerous by reason of war risks (as defined in any current standard war risks insurance policy); and
- (2)** the owner is in any event entitled to insure his interests against such war risks; and
- (3)** the member is liable to reimburse the owner in respect of any war risks premium incurred as a result of the ship being ordered to or employed in such place,
- or on terms no less favourable to the member as regards his liability for loss or damage caused by war risks; or
- 7.1.2** having given the managers as soon as practicable notice of any voyage or deviation to, or presence within, any place specified in paragraph 2.1, the member has paid such additional premium as the managers may impose.

	<b>7.2</b>	In the event of the member not requiring war risks cover for a ship sailing to or remaining in a place or area determined in accordance with paragraph 2.1, he shall so advise the managers before the commencement of the voyage or deviation and the managers shall determine whether and on what terms war risks cover shall be reinstated.
<b>Maintenance of standard hull war risks cover</b>	<b>8</b>	Where the ship is entered by the member as an owner's entry, the member will maintain standard hull war risks cover with P&I inclusion clauses attached for not less than the hull value of the ship and this cover will respond only in excess of claims recoverable thereunder.
<b>Deductible</b>	<b>9</b>	The deductible shall be that applicable to the relevant special risks set out in the member's certificate of entry.
<b>Limit of cover</b>	<b>10</b>	The limit of club cover shall be that of the relevant special risks set out in the certificate of entry or US\$100 million, any one event, or series thereof in the aggregate, whichever is the lesser.

- 1.2** where such liability is not recoverable under either:
- (1)** cover provided by the club for such liabilities and losses as would be covered under the rules but for the exclusion of war risks in rule 4.3; or
  - (2)** any underlying war risks policies covering the same risks,

- (1)** any chemical, biological, bio-chemical or electromagnetic weapon
  - (2)** the use or operation, as a means for inflicting harm, of any computer, computer system, computer software programme, malicious code, computer virus or process or any other electronic system,
- 1.4** other than liabilities and losses arising from:

  - (2)** the use of the ship or its cargo as a means for inflicting harm, unless such cargo is a chemical, biological or bio-chemical weapon
  - (3)** the use of any computer, computer system or computer software programme or any other electronic system in the launch and/or guidance system and/or firing mechanism of any weapon or missile.

### Excluded areas

- 2.1** Unless and to the extent the board may otherwise decide, there shall be no recovery in respect of any liabilities and losses directly or indirectly caused by or contributed to by or arising out of any event within the places or areas or during such period as may be specified from time to time.
- 2.2** At any time or times before, or at the commencement of, or during the policy year, the club may by notice to the member change the places or areas and periods specified in paragraph 2.1 from a date and time specified by the club not being less than 24 hours from midnight on the day the notice is given to the member.

<b>Cancellation</b>	<b>3</b>	Cover may by notice to the member be cancelled by the club from a date and time specified by the managers, not being less than 24 hours from midnight on the day notice of cancellation is given to the member.
<b>Deductible</b>	<b>4</b>	The deductible is that applicable to the relevant cover set out in the certificate of entry.
<b>Limit of cover</b>	<b>5.1</b>	Subject to paragraph 5.2, the limit of club cover under this extension in respect of all claims shall be in the aggregate US\$30 million each ship any one event.
	<b>5.2</b>	In the event that there is more than one entry by any person for bio-chemical risks cover as provided herein in respect of the same ship with the club and/or any other insurer participating in the Pooling Agreement or general excess loss reinsurance contract, the aggregate recovery in respect of all liabilities and losses arising under such entries shall not exceed the amount stipulated in paragraph 5.1 and the liability of the club under each such entry shall be limited to such proportion of that amount as the claims arising under that entry bear to the aggregate of all such claims recoverable from the club and any such other insurer.
